Subject: Redistricting and Elections Committee Members

(6) Reasons why I am against the National Popular Vote Compact in Michigan.

1) Opens up a whole new set of election voter problems

2) Weakens the electoral process

3) Popular Vote can be changed back to electoral vote after election

4) Only came up because of Al Gore loss , hanging chads, and Supreme Court ruling.

5) Tweaking the system after all these years will only add to voter distrust of the system

6) With congress popularity down to 9% now is a bad time to get clever
