The Honorable Kenneth Kurtz
Chairman, House Committee on Families, Children & Seniors
P.O. Box 30014
Lansing, MI 48914

Dear Mr. Kurtz,

This letter is to inform you that Pipefitters Local 636 supports the three Autism Bills that were passed through the Senate and have gone to your committee for approval.

This is a great cause and we feel it will benefit the children and families in the State of Michigan, who have been involved with autism in some form.

Thank you for your Committee's consideration on the approval of these bills.

Sincerely,

Frank Wiechert
