Number of members in the decision-making body:
21

Number who voted in favor and opposed to the position:
15 Voted for position
0 Voted against position
0 Abstained from vote
6 Did not vote

Position:
Support

Explanation of the position, including any recommended amendments:
SB 325 is the Uniform Child Abduction Prevention Act. This bill helps the court determine children who are at risk of abduction by a parent, and sets forth preventative measures that a court may take to minimize that risk. Parental abduction is traumatic to children. Remedies for abduction are often futile, so prevention of abduction is vital. The Family Law Section supports this bill.
