### Motions and Resolutions

The Speaker, on behalf of the entire membership of the House of Representatives, offered the following resolution:  
**House Resolution No. 366.**

A resolution of tribute offered as a memorial for Lad S. Stacey, former member of the House of Representatives.

Whereas, It is with deep sadness that the members of this legislative body learned of the passing of former State Representative Lad S. Stacey. For twelve years, he served the people of northern Berrien County in the 44th House District. A man blessed with a great spirit and a tireless work ethic, he will be remembered for the positive impact he had on so many lives; and

Whereas, Lad Stacey served many roles over the course of his life and to each he brought the same energy and optimism. Born in South Dakota, he was a graduate of Berrien Springs High School and a U.S. Air Force veteran of World War II. He married and raised five children in Berrien Springs. He owned and operated a successful resort for thirty years, while also finding time to serve in leadership positions with numerous community and professional organizations. He was a county commissioner, serving two years as chairman; a school board member, including seven years as chairman; and a justice of the peace for eight years. In 1978, he was elected to represent his community in the House of Representatives; and

Whereas, Lad Stacey spent twelve years in Lansing as a member of this legislative body. A strong supporter of Michigan’s tourism industry, he was a leader on the Corporations and Finance Committee, serving as minority vice-chairman. Over the course of his legislative career, he was also an active member of many other committees dealing with a wide variety of issues, including taxation, natural resources, education, elections, and labor; and

Whereas, Lad Stacey left a legacy that will not soon be forgotten. He will be remembered as much for his jovial “top of the morning” greeting as his contributions to our community and state. Among other things, he was instrumental in ensuring improvements to US-31 in Berrien County and establishing the Berrien Springs school campus; now, therefore, be it

Resolved by the House of Representatives, That we offer this expression of our highest tribute to honor the memory of Lad S. Stacey, a member of this legislative body from 1979 to 1990; and be it further

Resolved, That copies of this resolution be transmitted to the Stacey family as evidence of our lasting esteem for his memory.

The question being on the adoption of the resolution,

The resolution was adopted by unanimous standing vote.

The Speaker, on behalf of the entire membership of the House of Representatives, offered the following resolution:  
**House Resolution No. 367.**

A resolution of tribute offered as a memorial for Milton J. H. Knabusch, former member of the House of Representatives.

Whereas, This legislative body was saddened to learn of the passing of former state representative Milton J. H. Knabusch. A hard-working, dedicated family man and public servant, he was a fixture in the Monroe community for decades; and

Whereas, Milton Knabusch was elected to the House of Representatives in 1962. During that time, he worked diligently to represent the interests of Monroe and solve our state’s problems as a member of legislative committees working on local government, federal relations, and insurance issues; and

Whereas, Milton Knabusch’s legislative career was a relatively brief moment in a lifetime of public service. Previously, he dedicated nearly four years of his life to defending our country as a member of the U.S. Navy during World War II, earning multiple medals for his service. Over the ensuing decades, he would serve as city commissioner, mayor, county commissioner, board member of the Michigan Judges’ Retirement System, and board member of numerous charitable and professional organizations within his community. In 1956, he was named one of Michigan’s Five Outstanding Young Men; and

Whereas, Milton Knabusch will be remembered as a man dedicated to building a better future for his family and community. Among many other achievements, he founded and operated his own insurance business—Milt Knabusch and Associates—for more than 50 years. He created the Monroe City Planning Commission and initiated formation of the Monroe Area Planning Council. He was integral in ensuring that I-75 would remain a freeway, not become a toll road. A loving husband and father, his wife, children, grandchildren, and great-grandchildren can rest assured that his achievements will not soon be forgotten; now, therefore, be it

Resolved by the House of Representatives, That we offer this expression of our highest tribute to honor the memory of Milton J. H. Knabusch, a member of this legislative body from 1963 to 1964; and be it further

Resolved, That copies of this resolution be transmitted to the Knabusch family as evidence of our lasting esteem for his memory.

The question being on the adoption of the resolution,  
The resolution was adopted by unanimous standing vote.

The Speaker called Associate Speaker Pro Tempore Cotter to the Chair.

The Speaker laid before the House

**House Resolution No. 355.**

A resolution to declare May 15, 2014, as Chaldean American Day in the state of Michigan.

(The resolution was introduced and postponed for the day on May 8, see House Journal No. 43, p. 719.)

The question being on the adoption of the resolution,

**House Resolution No. 368.**

A resolution to declare June 7-15, 2014, as Aquatic Invasive Species Awareness Week in the state of Michigan.

Whereas, Michigan and its economy are defined by the Great Lakes and depend on its great abundance of fresh water for manufacturing, tourism, fishing, public water supplies, agriculture, and numerous other uses; and

Whereas, Preventing the introduction of aquatic invasive species ultimately benefits Michigan, and stopping the introduction of these species would eliminate the need for the State of Michigan, business, industry, and citizens from employing costly methods to control and manage them; and

Whereas, Michigan has taken the lead in protecting the Great Lakes from aquatic invasive species from a number of pathways including ballast water, canals and waterways, organisms in trade, and recreational activities; and

Whereas, Over 180 nonindigenous aquatic species are established in the Great Lakes basin, many of which are displacing native species, disrupting habitats, and degrading natural, managed, and agricultural landscapes, resulting in millions of dollars for control efforts each year; and

Whereas, Michigan has over 900,000 registered boaters and many other recreational, commercial, and industrial users of over 11,000 inland lakes and over 36,000 miles of rivers and streams in the state, many of which are impacted by aquatic invasive species; and

Whereas, Aquatic invasive species awareness is an important first step toward behavior change, which prevents the introduction and spread of aquatic invasive species; and

Whereas, Spring marks the beginning of water-related recreational activities in Michigan; and

Whereas, Aquatic Invasive Species Awareness Week is an opportunity for government to join forces with business, industry, environmental groups, community organizations, and citizens to take action against the introduction and spread of aquatic invasive species; now, therefore, be it

Resolved by the House of Representatives, That the members of this legislative body declare June 7 15, 2014, as Aquatic Invasive Species Awareness Week in the state of Michigan; and be it further

Resolved, That all citizens must increase their understanding and awareness of aquatic invasive species and their environmental and economic impacts and take preventative measures to stop the spread and introduction of aquatic invasive species; and be it further

Resolved, That copies of this resolution be transmitted to the Michigan Department of Environmental Quality, Michigan Department of Agriculture and Rural Development, Michigan Department of Natural Resources, Michigan Department of Transportation, Great Lakes Fishery Commission, Council of Great Lakes Governors, Michigan Congressional Delegation, and Great Lakes Commission.

A resolution to declare May 2014 as Arab-American Heritage Month in the state of Michigan.

Whereas, The legislature recognizes the tremendous contributions that the Arab-American community of Michigan has made throughout the entire state; and

Whereas, Since the early 1900s, several different populations and groups from Arab countries have migrated and flourished in this state; and

Whereas, Michigan is home to the highest concentration of Arab-Americans in the United States; and

Whereas, The Arab-American community of southeastern Michigan is known for its diversity, institutional leadership, and cultural outreach and is widely considered a center of Arab-American culture in the United States; now, therefore, be it

Resolved by the House of Representatives, That the members of this legislative body declare May 2014 as Arab-American Heritage Month in the state of Michigan; and be it further

Resolved, That we recognize the great contribution to science, academics, medicine, education, business, and social justice that the Arab-American community of Michigan has made throughout the entire state.

A resolution to declare May 2014 as Bike Month in the state of Michigan.

Whereas, An estimated two million Michiganders ride bicycles because they are a viable and environmentally sound form of transportation and recreation, an excellent form of fitness, and help improve quality of life and sense of place; and

Whereas, Thousands of people throughout Michigan will experience the joys of bicycling during the month of May through educational programs, commuting events, trail work days, helmet promotions, and charity rides; and

Whereas, In 2014, thousands of cyclists from across the country will participate in over 300 organized Michigan cycling events to experience our beautiful scenery, many parks, attractions, and historic sites; and

Whereas, Bicyclists are recognized as legitimate roadway users; and

Whereas, Teaching bicyclists and motorists to share the road is important to ensure the safety and comfort of all users; and

Whereas, Michigan has the most complete streets efforts in the nation with at least 94 local ordinances, resolutions, and policies that ensure bicyclists will be accommodated in future transportation projects; and

Whereas, Michigan is known as the top trail state with the greatest number of rail-trail mileage at 2,712 miles, along with 1,600 miles of looped mountain biking trails on state-managed lands, and an internationally recognized mountain biking trail network in Copper Harbor; and

Whereas, May has been declared National Bike Month by the League of Michigan Bicyclists, Michigan Trails and Greenways Alliance, Michigan Mountain Biking Association, and Programs to Educate All Cyclists to increase awareness about bicycling opportunities through organized activities such as bike-to-work days and bicycle rodeos for children; now, therefore, be it

Resolved, That a copy of this resolution be transmitted to Secretary of State Ruth Johnson.  
The question being on the adoption of the resolution,  
The resolution was adopted.

Reps. Schmidt, Bumstead, Potvin, Graves, Rendon, Outman, Barnett, Brown, Denby, Driskell, Heise and Slavens offered the following resolution:

**House Resolution No. 371.**

A resolution to urge the U.S. Department of Veterans Affairs to follow Federal Housing Administration guidelines as they apply to site condominiums and view them as single-family homes as long as they meet certain criteria.

Whereas, Financing condominium ownership using government-backed loans is challenging. Traditional condominium units can be riskier for lenders because of the rights afforded to condominium associations, how associations are structured, and deed restrictions. This has made loans backed by the Federal Housing Administration (FHA) and Department of Veterans Affairs (VA) difficult to obtain unless the condominium development meets occupancy requirements and is approved by the agency; and

Whereas, Site condominiums are single-family condominium developments that have the benefit of reducing some lending risks. Here, condominium units are stand-alone structures similar to single-family dwellings where owners are responsible for the upkeep of the entire structure rather than the interior alone and the association is responsible for maintaining the grounds; and

Whereas, In 2009, the FHA began allowing site condominium buyers in certain non-approved condominium developments to receive FHA financing so long as the development met certain criteria. This included requiring each unit to be a detached single-family unit where the entire structure is considered the condominium unit. The unit owner is also responsible for all insurance and maintenance costs of the structure; and

Whereas, The VA has not yet adopted a similar policy. The FHA's site condominium policy has been beneficial to low- and medium-income home buyers and would be beneficial to veterans as well. Allowing VA-backed loans to finance site condominiums ownership without needing condominium developments to be approved by the agency will help connect elderly and disabled veterans unable to perform day-to-day property maintenance with affordable housing in desirable neighborhoods; now, therefore, be it

Resolved by the House of Representatives, That we urge the U.S. Department of Veterans Affairs to follow Federal Housing Administration guidelines as they apply to site condominiums and view them as single-family homes as long as they meet certain criteria; and be it further

Resolved, That copies of this resolution be transmitted to the President of the United States Senate, the Speaker of the United States House of Representatives, the Secretary of Veterans Affairs, and the members of the Michigan congressional delegation.

The resolution was referred to the Committee on Military and Veterans Affairs.

Reps. Hooker, Callton, Yonker, Barnett, Brown, Denby, Driskell, Heise, Hovey-Wright and Slavens offered the following resolution:

**House Resolution No. 372.**

A resolution to urge the Governor, state agencies, medical service providers, health care agencies, and all interested parties to work toward establishing clinical care and research centers for chronic neuroendocrine immune diseases and to urge health-related educational institutions to increase education about these diseases.

Whereas, Neuroendocrine-immune diseases (NEIDs), also known as multi-systemic diseases, include myalgic encephalomyelitis/chronic fatigue syndrome (ME/CFS), fibromyalgia, Lyme disease, Gulf War illnesses (GWIs), and chemical sensitivity/environmental illness. These diseases have a similarity of symptoms that imply a common pathophysiology. As a result, discoveries and advances made in the etiology and treatment of one of these illnesses will be applicable and beneficial to the other NEIDs; and

Whereas, NEIDs affect an estimated 20 million Americans. Lyme disease, the most commonly reported vector-borne disease in the United States, occurs most often in boys ages 5-9. If treatment is delayed, Lyme disease can develop into a chronic disease that requires expert, knowledgeable medical care. GWI is a serious condition that affects at least one fourth of the 697,000 U.S. veterans who served in the 1990-1991 Gulf War. Some of these veterans have been suffering for more than two decades. In Michigan, it is estimated that 1 of every 240 persons, or 41,400, have ME/CF, and 1 of every 50 persons, or 198,000, have fibromyalgia; and

Whereas, Many persons suffering from a NEID are initially misdiagnosed causing serious treatment delays. A 2012 survey showed that 70 percent of NEID patients see four or more physicians before receiving the correct diagnosis and treatment. In Michigan, 28 percent of NEID patients suffered for seven years or more before receiving an accurate diagnosis. According to the Centers for Disease Control and Prevention, of the one to four million Americans who have CFS, less than 20 percent have been diagnosed. The longer a person is ill with a NEID before treatment begins, the more complicated the

course of the disease and the worse the prognosis, adding to the financial burden on government, healthcare institutions, and society; and

Whereas, Increasing physician education about NEIDs will reduce the number of doctors patients must visit as they seek an accurate diagnosis and appropriate treatments. A recent survey showed that 55 percent of persons with a NEID are not satisfied with their medical care and do not believe their physician is knowledgeable about their disease; 21 percent drive over an hour or travel by plane to access knowledgeable healthcare; and

Whereas, Establishing Michigan-based NEID medical centers with professionals who specialize in these diseases will reduce the burden on NEID patients and increase their ability to receive life-altering treatment in a timely fashion. Furthermore, patients will likely travel to Michigan from other states to receive NEID treatments; now, therefore, be it

Resolved by the House of Representatives, That we urge the Governor, state agencies, medical service providers, health care agencies, and all interested parties to work toward establishing clinical care and research centers for chronic neuroendocrine immune diseases, and we urge health-related educational institutions to increase education about these diseases to future medical professionals; and be it further

Resolved, That copies of this resolution be transmitted to the Office of the Governor of Michigan, the Director of the Michigan Department of Community Health, the Director of the Department of Licensing and Regulatory Affairs, the Michigan Health Council, and the Michigan State Medical Society.

The resolution was referred to the Committee on Health Policy.
