Pastor Robb Stancer of Brightmoor Christian Church of Novi offered the following invocation:

Father, we come to You in the wonderful name of Jesus and thank You for this day. This is the day that You have made.

As these Senators come together, God, I am praying for guidance, I am praying for wisdom, and I'm praying for understanding to continue to move our great state forward. Lord, in every detail, in every decision that has to be made today, all across the State Capitol, God, that will touch people all across Michigan, I pray that You would help and guide them well. Lord, that they would apply the things that they have learned in the years preparing for this moment, so that we can continue to do great things in the state of Michigan.

We pray for our Governor, we pray for our legislators, God, we pray for our representatives, right down to city councilmembers, that You would help each one guide well. I think today of Michigan as a plane, and it takes a left and a right wing to make that plane fly. Lord, let each side help this plane fly correctly and with distance and longevity. So, we thank You for this day, we thank You for the opportunity of being here, and I thank You for what You're going to do today in these Senators.

In the name of Jesus Christ. Amen.

The President, Lieutenant Governor Gilchrist, led the members of the Senate in recital of the *Pledge of Allegiance*.

Messages from the Governor

The following message from the Governor was received and read:

March 13, 2019

I respectfully submit to the Senate pursuant to Section 3 of MCL 28.603, please be advised of the following appointment to office:

Michigan Commission on Law Enforcement Standards

Mr. Michael Sauger of 13919 Bathgate Drive, Sterling Heights, Michigan 48312, county of Macomb, succeeding David Hiller who has resigned, appointed to represent the Michigan Fraternal Order of Police for a term commencing March 13, 2019 and expiring December 31, 2021.

Respectfully,
Gretchen Whitmer
Governor

The appointment was referred to the Committee on Advice and Consent.

By unanimous consent the Senate proceeded to the order of

General Orders

Senator MacGregor moved that the Senate resolve itself into the Committee of the Whole for consideration of the General Orders calendar.

The motion prevailed, and the President, Lieutenant Governor Gilchrist, designated Senator Zorn as Chairperson.

After some time spent therein, the Committee arose; and the President, Lieutenant Governor Gilchrist, having resumed the Chair, the Committee reported back to the Senate, favorably and with a substitute therefor, the following bill:

Senate Bill No. 112, entitled

A bill to amend 1961 PA 236, entitled "Revised judicature act of 1961," by amending section 2918 (MCL 600.2918), as amended by 2014 PA 223.

Substitute (S-3).

The Senate agreed to the substitute recommended by the Committee of the Whole, and the bill as substituted was placed on the order of Third Reading of Bills.

Resolutions

Senator MacGregor moved that rule 3.204 be suspended to permit immediate consideration of the following resolution:

Senate Resolution No. 24

The motion prevailed, a majority of the members serving voting therefor.

Senator Irwin offered the following resolution:

Senate Resolution No. 24.

A resolution to recognize March 2019 as Michigan Bleeding Disorders Awareness Month.

Whereas, Hemophilia and related bleeding disorders are genetic conditions affecting thousands of people; and

Whereas, The standard of care for the treatment of these disorders is to replace absent clotting proteins, also known as clotting factors characterized by the absence of one or more of several clotting proteins necessary to control bleeding; and

Whereas, Without treatment, people with hemophilia and other related bleeding disorders face frequent, painful episodes of bleeding into their joints and muscles; and

Whereas, Bleeding can also involve the internal organs and the brain that can be life threatening; and

Whereas, Recurrent bleeding episodes result in frequent hospitalizations, permanent disability, and chronic pain; and

Whereas, Bleeding episodes often result in lost time at work and school, decreased quality of life, and the inability to perform basic living activities; and

Whereas, Specialized care provided by Michigan's nine federally recognized Hemophilia Treatment Centers (HTCs) reduce morbidity and mortality among people with bleeding disorders; and

Whereas, HTCs offer patients wrap-around care that includes a variety of services, including medical, nursing, dental, social work, physical therapy, and nutrition; and

Whereas, In 1986, President Ronald Reagan designated March as Bleeding Disorders Awareness Month; now, therefore, be it

Resolved by the Senate, That we recognize March 2019 as Michigan Bleeding Disorders Awareness Month.

The question being on the adoption of the resolution,

The resolution was adopted.

Senators Alexander, Ananich, Bizon, Brinks, Chang, Geiss, Lucido, Moss, Polehanki and Wojno were named co-sponsors of the resolution.

Senators Wojno, Ananich, Brinks, McMorrow, Bullock, Outman, Alexander, Geiss, Polehanki, Irwin and Zorn offered the following resolution:

Senate Resolution No. 25.

A resolution to memorialize the Congress of the United States to continue full funding of the Great Lakes Restoration Initiative.

Whereas, The Great Lakes are a critical resource for our nation, supporting the economy and a way of life in Michigan and the other seven states within the Great Lakes region. The Great Lakes hold 20 percent of the world's surface freshwater and 90 percent of the United States' surface freshwater. This globally significant freshwater resource provides drinking water for more than 30 million people and directly supports 1.5 million jobs, generating \$62 billion in wages; and

Whereas, The Great Lakes Restoration Initiative (GLRI) has provided crucial funding to support long overdue work to protect and restore the Great Lakes. In partnership with the states, local governments, and other organizations, the federal government has invested more than \$3 billion and supported over 4,700 projects over the last decade, including around \$600 million for more than 1,100 projects in Michigan. These projects have cleaned up toxic pollution, reduced runoff from cities and farms, combatted invasive species, and restored fish and wildlife habitat; and

Whereas, The Great Lakes Restoration Initiative has made a significant difference and represents a sound investment in both the environment and the economies of the Great Lakes region. A 2018 study calculated that for every federal dollar invested in Great Lakes restoration there is \$3.35 in additional economic activity, with older industrial cities like Detroit seeing an even higher return on investment; and

Whereas, Far more work needs to be done. Whether toxic algal blooms shutting down Toledo's drinking water supply, invasive carp threatening billion-dollar fisheries, or contaminated sediments restricting recreational opportunities, substantial limitations and threats to the use of the Great Lakes remain. These problems require a collaborative effort to solve; and

Whereas, The President's Fiscal Year 2020 federal budget proposes to reduce funding for the Great Lakes Restoration Initiative by 90 percent. This proposed \$270 million cut ignores the national significance of our country's largest reserve of drinkable, surface freshwater and jeopardizes the momentum from more than a decade of unprecedented regional cooperation. It is a short-sighted, short-term cost-saving measure with long-term implications. Restoration efforts will only become more expensive and more difficult if they are not addressed in the coming years. The federal government needs to remain an active partner with the Great Lakes region; now, therefore, be it

Resolved by the Senate, That we memorialize the Congress of the United States to continue full funding of the Great Lakes Restoration Initiative; and be it further

Resolved, That copies of this resolution be transmitted to the President of the United States Senate, the Speaker of the United States House of Representatives, and the members of the Michigan congressional delegation.

Pending the order that, under rule 3.204, the resolution be referred to the Committee on Government Operations, Senator MacGregor moved that the rule be suspended.

The motion prevailed, a majority of the members serving voting therefor.

The question being on the adoption of the resolution,

Senator MacGregor moved that the resolution be referred to the Committee on Natural Resources.

The motion prevailed.

Senators Bizon, Bumstead, Chang, Lucido, Moss and VanderWall were named co-sponsors of the resolution.

Senator Horn offered the following resolution:

Senate Resolution No. 26.

A resolution to recognize March 18, 2019, as Gas Utility Worker Appreciation Day.

Whereas, More than three-fourths of Michigan households use natural gas as their primary source for home heating, which puts Michigan among the top five states in residential use of natural gas and in the top ten for total gas consumption; and

Whereas, Michigan has the largest underground natural gas storage capacity in the nation, holding more than one-tenth of the U.S. total, while also having the second largest number of natural gas storage fields; and

Whereas, Michigan has more than 110,000 miles of pipelines that deliver natural gas to individual homes and businesses; and

Whereas, Natural gas workers maintain a network of gas infrastructure assets that provide communities across the state with warm homes, businesses, and cleaner electricity; and

Whereas, It is important for Michigan to honor and recognize these men and women for their efforts in keeping homes and businesses warm while also ensuring the delivery of the fuel for manufacturing processes and electricity production; and

Whereas, At a moment's notice, these brave men and women work in all weather systems and face dangerous conditions in order to maintain the energy infrastructure of our state; and

Whereas, Working in and around roadways is often required by employees who provide gas service which presents a daily danger; and

Whereas, The Michigan Legislature has passed several public acts to require drivers to drive safely in work zones and provide penalties for those who do not respect these work zones; and

Whereas, Safety is a vital aspect to natural gas transmission and distribution and the employees of such companies endeavor to make natural gas delivery as safe as possible; and

Whereas, March 18, 1937 is the date of the New London, Texas school explosion that led to the widespread odorization of natural gas and an increased emphasis on natural gas safety; and

Whereas, This day is a national day of recognition known as the National Natural Gas Workers' Day and is a way of building awareness about the hard work done by employees of natural gas utilities; now, therefore, be it

Resolved by the Senate, That the members of this legislative body recognize March 18, 2019, as Gas Utility Worker Appreciation Day.

Pending the order that, under rule 3.204, the resolution be referred to the Committee on Government Operations,

Senator MacGregor moved that the rule be suspended.

The motion prevailed, a majority of the members serving voting therefor.

The resolution was adopted.

Senators Alexander, Bizon, Brinks, Chang, Geiss, Lauwers Lucido, Moss, Wojno and Zorn were named co-sponsors of the resolution.

Senators Wojno, Ananich, Brinks, McMorrow, Bullock, Outman, Alexander, Geiss, Polehanki, Irwin and Zorn offered the following concurrent resolution:

Senate Concurrent Resolution No. 6.

A concurrent resolution to memorialize the Congress of the United States to continue full funding of the Great Lakes Restoration Initiative.

Whereas, The Great Lakes are a critical resource for our nation, supporting the economy and a way of life in Michigan and the other seven states within the Great Lakes region. The Great Lakes hold 20 percent of the world's surface freshwater and 90 percent of the United States' surface freshwater. This globally significant freshwater resource provides drinking water for more than 30 million people and directly supports 1.5 million jobs, generating \$62 billion in wages; and

Resolved, That copies of this resolution be transmitted to the President of the United States Senate, the Speaker of the United States House of Representatives, and the members of the Michigan congressional delegation.

Pending the order that, under rule 3.204, the concurrent resolution be referred to the Committee on Government Operations, Senator MacGregor moved that the rule be suspended.

The motion prevailed, a majority of the members serving voting therefor.

The question being on the adoption of the concurrent resolution,

Senator MacGregor moved that the concurrent resolution be referred to the Committee on Natural Resources.

The motion prevailed.

Senators Bizon, Bumstead, Chang, Lucido, Moss and VanderWall were named co-sponsors of the concurrent resolution.
