Reports of Standing Committees

The Speaker laid before the House

House Resolution No. 393.

A resolution to encourage the U.S. Army Corps of Engineers to work cooperatively with property owners along the Great Lakes in their efforts to reasonably groom and maintain their beaches.

(For text of resolution, see House Journal No. 59, p. 1406.)

(The resolution was reported by the Committee on Tourism, Outdoor Recreation and Natural Resources on June 24, consideration of which, under the rules, was postponed until today.)

The question being on the adoption of the resolution,

Rep. Robertson moved to substitute (H-1) the resolution as follows:

Substitute for House Resolution No. 393.

A resolution to urge the Governor to rescind Executive Directive No. 2007-24, which provides special employment considerations for transgender individuals in the state workforce.

Whereas, The people of Michigan take great pride in the steps we have taken to protect our citizens from discrimination. Our constitution, which begins with the Declaration of Rights contained in Article I, was the first in the nation to provide for a state civil rights commission; and

Whereas, With the issuance of Executive Directive No. 2007-24, a new policy, one that is not reflected in state law or the constitution, has been put forth. This policy was put in place without appropriate participation and without legislative input. This directive seeks to add to state hiring policies a provision that would ban discrimination in state hiring practices on the basis of gender identity or expression. This directive seeks to institute a new category of protected workers, transgender individuals, in state employment; and

Whereas, While the people of Michigan strongly support steps to protect fairness in all work environments, creating new categories, as is done in Executive Order No. 2007-24, is unnecessary. Clearly, the protections afforded in existing law and the remedies provided by the courts are far more suitable avenues to protect people who need protection; now, therefore, be it

Resolved by the House of Representatives, That we urge the Governor to rescind Executive Directive 2007-24, which provides special employment considerations for transgender individuals in the state workforce; and be it further

Resolved, That copies of this resolution be transmitted to the Office of the Governor.

The motion did not prevail and the substitute (H-1) was not adopted, a majority of the members serving not voting therefor.

The question being on the adoption of the resolution,

The resolution was adopted.

The Speaker laid before the House

Senate Concurrent Resolution No. 29.

A concurrent resolution relative to secondary road patrol funds for cities and villages in all of Michigan’s counties.

(For text of concurrent resolution, see House Journal No. 58, p. 1382.)

(The concurrent resolution was reported by the Committee on Regulatory Reform on June 24, consideration of which, under the rules, was postponed until today.)

The question being on the adoption of the concurrent resolution,

The concurrent resolution was adopted.

Whereas, The Detroit Red Wings also brought home the Stanley Cup to the city that deserves to be the home of the Stanley Cup Champions - Hockeytown, U.S.A.; and

Whereas, In truly memorable and determined playoff fashion against the Nashville Predators, bitter-rival Colorado Avalanche and the Dallas Stars, the Detroit Red Wings displayed tremendous patience, skill, and discipline in reaching the Stanley Cup Finals; and

Whereas, In the Stanley Cup final series, the Red Wings carried a dream from October 3, 2007 to the last game on June 4, 2008, where they defeated the Pittsburgh Penguins four games to two, in the best-of-seven final; now, therefore, be it

Resolved by the House of Representatives, That the members of this legislative body hereby honor and congratulate the 2008 NHL Stanley Cup Champions, the Detroit Red Wings; and be it further

Whereas, Advanced Life Support consists of invasive life-saving procedures by medically trained and licensed individuals, including EMT-intermediates and paramedics; and

House Resolution No. 400.

A resolution memorializing the United States Congress to enact the Keeping Parents and Communities Engaged (Keeping PACE) Act.

Whereas, The value of parental and community support in promoting student achievement has long been recognized. In 1935, the Charles Stewart Mott Foundation gave the Flint Public Schools \$6,000 with which to institute community education, thus beginning the community education movement in this country. The state of Michigan has been and continues to be a supporter and a leader in the field of community education and after-school programming nationally; and

Whereas, Studies indicate that students who participate in high quality after-school programs in combination with other community activities demonstrate significant gains in standardized math and reading test scores. The research shows that regular participation in after-school programs is associated with improvements in work habits and task persistence; and

Whereas, Extra time for academics by itself may be necessary, but may not be sufficient, to improve academic outcomes. Academic support should be balanced with a variety of engaging, fun, and structured extracurricular or co-curricular activities that promote youth development in a variety of real-world contexts that support and improve academic performance; and

Whereas, On May 3, 2008, S. 1302 was introduced in the United State Senate to amend Title V of the Elementary and Secondary Education Act of 1965. If enacted, this bill would encourage and support parent, family, and community involvement in schools; provide needed integrated services and comprehensive support to children; and ensure that schools are centers of communities, for the ultimate goal of assisting students to stay in school, become successful learners, and improve academic achievement; and

Whereas, This legislation would provide funding for local school districts to hire parent and community outreach coordinators; assist community-based organizations to support students, their local schools and their families; and develop consortia of schools, school districts, city governments and local nonprofits to assist in renovating school facilities to more effectively use them as community centers; now, therefore, be it

Resolved by the House of Representatives, That we memorialize the United States Congress to enact the Keeping Parents and Communities Engaged (Keeping PACE) Act; and be it further

Resolved, That copies of this resolution be transmitted to the President of the United States Senate, the Speaker of the United States House of Representatives, and the members of the Michigan congressional delegation.

The resolution was referred to the Committee on Education.
