Rep. Phil Cavanagh, from the 10th District, offered the following invocation:

“Heavenly Father, we are Your humble servants,  
We come before You today in need of hope.  
There are times when we feel helpless,  
There are times when we feel weak.

Today, I pray for hope. We need hope for a better future. We need hope for a better life. We need hope for love and kindness.

Some say that the sky is at it’s darkest just before the light. The light is shining on this state. Continue to illuminate for all, especially those wanting of hope.

I pray that we are filled with Your wisdom. That we may bask in Your glory. That we may know that all is right in the world, as You have planned, and as You want it to be. Let us not deviate to drastically from this course.

Help us to see and follow Your light, and to live our lives in faith and glory.

In Your name I pray, Amen.”

### **Motions and Resolutions**

Reps. Tlaib, Robinson, Singh, Banks, Santana, Kandrevas, Zemke, Knezek, Clemente, Roberts, Darany, Switalski, Talabi, Cavanagh, Slavens, Lipton, Stallworth, Yanez and Barnett offered the following resolution:

#### **House Resolution No. 20.**

A resolution to request that Governor Snyder demand a full investigation by the Michigan Department of Community Health’s Crime Victims, EMS and Trauma Systems Division into emergency medical services (EMS) response and management in Detroit.

Whereas, On January 29, 2013, six- and four-year-old brothers had to be transported to the hospital by the Detroit Fire Department’s Rescue Squad. Over 15 minutes passed before an EMS ambulance was deployed. Despite the extraordinary efforts of fire personnel to save the lives of these children, the six-year-old boy died from smoke inhalation; and

Whereas, On July 7, 2012, a 15-year-old boy was shot on the southwest side of Detroit and no EMS were available, according to the EMS incident report. The victim had to be carried by his father and placed in the back seat of a Detroit Police Department vehicle to be transported to a nearby hospital. The boy did not survive; and

Whereas, The poor EMS response times in these tragedies are, unfortunately, not isolated incidents. Slow response times are a well-known fact in Detroit; and

Whereas, In situations where life and death hang in the balance and in a modern society, it is unacceptable that lives may be lost because EMS cannot respond quickly enough to emergencies. The problems with EMS response time—whether mismanagement, lack of resources, or other factors—must be identified and addressed before another tragedy occurs. Every incident must be documented, and EMS response times accurately recorded; and

Whereas, The Michigan Legislature has charged the Michigan Department of Community Health with ensuring that EMS provide safe care, treatment, and transportation in response to emergencies. It is imperative that the department exercise its oversight responsibilities to determine remedies and enforce changes to ensure that the residents of Detroit receive timely EMS response and to avoid future tragedies; now, therefore, be it

Resolved by the House of Representatives, That we request that Governor Snyder demand a full investigation by the Michigan Department of Community Health’s Crime Victims, EMS and Trauma Systems Division into emergency medical services (EMS) response and management in Detroit; and be it further

Resolved, That the results of the investigation be made public and any fraudulent or negligent conduct be referred to Michigan’s Attorney General; and be it further

Resolved, That copies of this resolution be transmitted to the Governor and the Director of the Michigan Department of Community Health.

The resolution was referred to the Committee on Local Government.

Reps. Townsend, Barnett, Cochran, Crawford, Heise, Hooker, Kowall, Kurtz, O'Brien, Poleski, Segal and Slavens offered the following resolution:

**House Resolution No. 21.**

A resolution to recognize the Michigan World War II Legacy Memorial and to acknowledge Michigan's contributions during the Second World War.

Whereas, The effects of World War II were momentous, from the halt of tyranny that threatened the existence of freedom, the ushering in of the Atomic Age and the redrawing of international borders to the baby boomer generation, the G.I. Bill, the changing role of women and civil rights advances; and

Whereas, Michigan has an important history to share when it comes to World War II with more than 600,000 residents serving in the armed forces and countless others serving on the home front where Rosie the Riveter and the Arsenal of Democracy were born; and

Whereas, From the factories to the fields, Michigan supplied the war effort with everything from guns, tanks, bombers, planes and ships to livestock, crops and K-rations; and

Whereas, The Michigan World War II Legacy Memorial will provide a year-round, multi-purpose destination that will encourage visitors to commemorate those who served and celebrate our freedoms; and

Whereas, The Michigan World War II Legacy Memorial will provide an environment that will attract visitors of all ages to explore and learn and serve as an inspiration for future generations, reminding us all of the remarkable patriotism, sacrifices and extraordinary devotion to liberty that helped save the world from fascism; and

Whereas, After flying nearly 1,400 Michigan WWII veterans to Washington, D.C. free of charge to see the National WWII Memorial, Honor Flight Michigan Legacy, a 501(c)(3) non-profit organization, is proud to take on the new mission of leading the effort to bring The Michigan WWII Legacy Memorial to life; and

Whereas, Honor Flight Michigan Legacy is working with professional historians, educators, architects, designers and artists to build this memorial; and

Whereas, Michigan military organizations including the Veterans of Foreign Wars, The American Legion, and Jewish War Veterans enthusiastically support The Michigan World War II Legacy Memorial; and

Whereas, The Michigan World War II Legacy Memorial will reside in Memorial Park in the city of Royal Oak, Michigan in a location dedicated to the memory of those who served in World War II; now, therefore, be it

Resolved by the House of Representatives, That the members of this legislative body recognize the Michigan World War II Legacy Memorial and acknowledge Michigan's contributions during the Second World War.

The question being on the adoption of the resolution,  
The resolution was adopted.

Rep. Stamas moved that House Committees be given leave to meet during the balance of today's session.  
The motion prevailed.
