Pastor John Maguire, Pastor of Ogden Community Church in Adrian, offered the following invocation:

“O God, our help in ages past, our provider for today and our hope for things to come. We open this session of Congress for the state of Michigan seeking Your favor and blessing on those who gather in this place. We ask that the wisdom that comes from You will outweigh the wisdom that comes from these legislators individually or collectively. We ask that the laws and legislation which these legislators will consider will accomplish the whole duty of man as commanded in Micah 6:8 ‘To act justly, to love mercy, and to walk humbly with their God.’ We recognize that when You created this parcel of land in Central Michigan You knew that a Capitol building would grace its ground, we recognize that when You created this parcel of land that someday men and women would consider righteousness over evil in this place, and that they would serve their communities, friends and even their enemies by serving in this place. We dedicate this chamber to faith, hope and love and recognize that the greatest of these is love—and that Jesus Christ himself suggested that ‘Greater love has no person than this that someone lay down their lives for their friends...’ and that ‘we should love even our enemies.’ Please bless and bring Your peace to those who lay down their lives for their friends around the world today on the battlefield, in police departments and fire halls, in schools, in hospitals, in places of worship and particularly we seek Your blessing and peace on this chamber. These things we pray in the name of the Father, the Son, and the Holy Spirit, Amen.”

House Resolution No. 93.

A resolution to declare April 16, 2013, as Voice Day in the state of Michigan.

Whereas, It is estimated that nearly seven million Americans suffer from some form of voice disorder; and

Whereas, Voice disorders can impact the everyday lives of those affected by inhibiting their ability to effectively express themselves; and

Whereas, There are many ways in which people can conserve their voice and prevent the development of voice disorders including keeping hydrated, minimizing activities causing vocal strain such as yelling, warming up before heavy vocal use, using appropriate breath support, using amplification, and paying attention to voice cues; and

Whereas, People who have prolonged hoarseness (greater than 2 weeks) should be evaluated by an otolaryngologist for appropriate and timely diagnosis and management; and

Whereas, Persistent voice change can be a sign of a major medical problem; and

Whereas, It is important to draw state, national, and international awareness to the existence of voice disorders and the availability of services provided by otolaryngologists. These specialists are the only medical doctor specifically trained to treat the ear, nose, throat, head, and neck, as well as other specialized providers for the amelioration of these disorders; and

Whereas, Every year on April 16, otolaryngologists and other voice health professionals worldwide join together to recognize World Voice Day, an international celebration of the human voice established to help raise public and professional awareness about voice disorders; and

Whereas, World Voice Day, sponsored in the U.S. by the American Academy of Otolaryngology - Head and Neck Surgery, encourages men and women, young and old, to assess their vocal health and take action to improve or maintain good voice habits; now, therefore, be it

Resolved by the House of Representatives, That the members of this legislative body declare April 16, 2013, as Voice Day in the state of Michigan; and be it further

Resolved, That we encourage all citizens to practice techniques that may help prevent the onset of a voice disorder or to visit an otolaryngologist if they are suffering from a voice disorder.
