- (3) An inspection shall be conducted in the manner best calculated to secure compliance with the act and appropriate to the needs of the community, including, but not limited to, on 1 or more of the following bases:
- (a) An area basis, such that all the regulated premises in a predetermined geographical area will be inspected simultaneously, or within a short period of time.
- (b) A complaint basis, such that complaints of violations will be inspected within a reasonable time.
- (c) A recurrent violation basis, such that premises that are found to have a high incidence of recurrent or uncorrected violations will be inspected more frequently.
- (4) An inspection shall be carried out by the enforcing agency, or by the enforcing agency and representatives of other agencies that form a team to undertake an inspection under this and other applicable acts.

- (6) Except in an emergency, before entering a leasehold regulated by this act, the owner of the leasehold shall request and obtain permission to enter the leasehold. - (b) Provide access to areas other than a leasehold or areas open to public view, or both.
- (c) Notify a tenant of the enforcing agency's request to inspect a leasehold, make a good faith effort to obtain permission for an inspection, and arrange for the inspection. - (d) Provide access to the leasehold if a tenant of that leasehold has made a complaint to the enforcing agency.
 - (8) A local governmental unit may adopt an ordinance to implement subsection (7).
- (9) For multiple lessees in a leasehold, notifying at least 1 lessee and requesting and obtaining the permission of at least 1 lessee satisfies subsections (5) and (7).
- (10) Neither the enforcing agency nor the owner may discriminate against an occupant on the basis of whether the occupant requests, permits, or refuses entry to the leasehold.
- (11) The enforcing agency shall not discriminate against an owner who has met the requirements of subsection (7) but has been unable to obtain the permission of the occupant, based on the owner's inability to obtain that permission.
- (12) The enforcing agency may establish and charge a reasonable fee for inspections conducted under this act. The fee shall not exceed the actual, reasonable cost of providing the inspection for which the fee is charged.
- (13) If a complaint identifies a dwelling or rooming house regulated under this act in which a child is residing, the dwelling or rooming house shall be inspected prior to inspection of any nonemergency complaint.
 - (14) As used in this section:
 - (a) "Child" means an individual under 18 years of age.
- (b) "Leasehold" means a private dwelling or separately occupied apartment, suite, or group of rooms in a 2-family dwelling or in a multiple dwelling if the private dwelling or separately occupied apartment, suite, or group of rooms is leased to the occupant under the terms of either an oral or written lease.

The owner shall notify the enforcing agency of having begun compliance within 3 days. All other violations shall be corrected within a reasonable time.
- (4) The enforcing agency shall reinspect after a reasonable time to ascertain whether the violation has been corrected.
