### Motions and Resolutions

Reps. Webber, Cox, Crawford, Driskell, Faris, Heise, Hoadley, Hovey-Wright, Hughes, LaVoy, Leutheuser, Maturen, Schor and Yanez offered the following resolution:

#### **House Resolution No. 65.**

A resolution to declare April 29, 2015, as International Guide Dog Day in the state of Michigan.

Whereas, International Guide Dog Day is April 29, 2015; and

Whereas, This day celebrates the importance of guide dogs and how they help the blind and visually impaired live their daily lives; and

Whereas, The crucial work they do is recognized by everyone, and on International Guide Dogs Day, lots of people like to go out of their way to honor and express their gratitude to these dogs who have impacted the lives of so many; and

Whereas, Each year International Guide Dog Day encourages citizens to remember the importance of guide dogs, and how they are amongst the most phenomenal animals on the planet, and the difference they make to the lives of those without sight simply cannot be overstated; and

Whereas, Michigan citizens are encouraged to take action and join with millions of people from all over the world who will take part in International Guide Dog Day; now, therefore, be it

Resolved by the House of Representatives, That the members of this legislative body declare April 29, 2015, as International Guide Dog Day in the state of Michigan.

The question being on the adoption of the resolution,

The resolution was adopted.

Reps. Sarah Roberts, Yanez, Canfield, Faris, Liberati, Darany, Townsend, Driskell, Phelps, Chirkun, LaVoy, Wittenberg, Plawecki, Smiley, Byrd, Geiss, Hoadley, Pagel, Bizon, Muxlow, Crawford, Derek Miller, Lucido, Chang, Heise, Hovey-Wright and Pagan offered the following resolution:

#### **House Resolution No. 66.**

A resolution to memorialize the United States Congress to oppose the construction of an underground nuclear waste repository in Ontario, Canada and to urge Canadian officials to find alternatives to Ontario Power Generation’s proposal to bury nuclear waste in the Great Lakes basin.

Whereas, Ontario Power Generation is proposing to construct an underground long-term burial facility for all of Ontario’s low- and intermediate-level radioactive waste—some of which is highly radioactive and much of which will remain toxic for over 100,000 years—at the Bruce Nuclear Generating Station. This site, less than a half mile inland from the shore of Lake Huron and about 440 yards below the lake level, is approximately 120 miles upstream from the main drinking water intakes for Southeast Michigan; and

Whereas, Lake Huron and the other Great Lakes are critically important resources to both the United States and Canada. The Great Lakes contain 95 percent of North America’s surface fresh water, providing drinking water to tens of millions of people. Pristine water is important not only for public health but also for agriculture, commercial and sport fishing, boating, recreation, and tourism in Michigan and throughout the region. These industries are all important components of the Great Lakes economy; and

Whereas, The threat of radioactive water could be devastating to Michigan’s tourism and agriculture industries. Roughly 96 million travelers come to Michigan each year, and many potential tourists may be discouraged from a trip to the Great Lakes, creating severe economic hardship for the state’s vast tourist destinations. Michigan’s agriculture industry, which adds more than \$91.4 billion to the state economy annually, is dependent on Great Lakes water for irrigation. Polluted water used for irrigation could contaminate agricultural crops and livestock in the state and cause serious harm to the well-being of the general public; and

Whereas, Placing a permanent nuclear waste burial facility so close to the Great Lakes is ill-advised. The potential damage to the Great Lakes from any leak or breach of radioactivity far outweighs any benefits that could be derived from burying radioactive waste at this site. The ecology of the Lakes, which is valuable beyond measure to the health and economic well-being of this entire region, should not be placed at risk by storing radioactive waste so close to the shoreline; now, therefore, be it

Resolved by the House of Representatives, That we memorialize the United States Congress to oppose the construction of an underground nuclear waste repository in Ontario, Canada; and be it further

Resolved, That we urge Canadian officials to find alternatives to Ontario Power Generation's proposal to bury nuclear waste in the Great Lakes basin; and be it further

Resolved, That copies of this resolution be transmitted to the President of the United States Senate, the Speaker of the United States House of Representatives, the members of the Michigan congressional delegation, the Chairman of the United States Nuclear Regulatory Commission, the Canadian Prime Minister, the Premier of Ontario, and the President of the Canadian Nuclear Safety Commission.

The resolution was referred to the Committee on Energy Policy.

Reps. Kesto, Derek Miller, Sheppard, Driskell, Faris, Heise, Hoadley, Hovey-Wright, LaVoy, Maturen, Schor and Yanez offered the following resolution:

**House Resolution No. 67.**

A resolution to declare May 2015 as Community Action Agency Month in the state of Michigan.

Whereas, Citizens with limited income continue to need opportunities to improve their lives and their living conditions, thus ensuring that all citizens are able to live in dignity; and

Whereas, Michigan and the entire United States must continue to promote economic security by providing support and opportunities for all citizens in need of assistance; and

Whereas, Community action agencies were signed into law in 1964 under President Lyndon Johnson in effort to aid in the War on Poverty, making 2015 the 51st year of community action in the United States; and

Whereas, The month of May has been designated by the United States Congress as National Community Action Month; and

Whereas, Michigan's 29 community action agencies are the only community-based organizations providing full wrap around, locally directed services in all 83 counties in the state; and

Whereas, Michigan community action agencies served 75,623 Michigan residents in 2014 by providing early childhood education, Head Start, senior services, affordable housing, food assistance, energy assistance, financial literacy classes, and job training programs among other services; and

Whereas, 4,843 children improved their health and physical development through community nutrition programs, 15,963 residents received assistance on tax prep and refunds, 7,907 seniors maintained independent living situations, and 19,927 individuals were connected with other necessary assistance service providers and programs; and

Whereas, Community action agencies, in cooperation with the Michigan Department of Human Services, have successfully administered weatherization assistance program funds which has supported energy efficiency improvements; and

Whereas, Michigan's community action agencies have leveraged their federal allocation of the Community Services Block Grant and other federal, state, local, and private sources of funding to foster economic activity statewide; now, therefore, be it

Resolved by the House of Representatives, That the members of this legislative body declare May 2015 as Community Action Agency Month in the state of Michigan; and be it further

Resolved, That a copy of this resolution be transmitted to the Michigan Community Action Agency Association.

The question being on the adoption of the resolution,

Another year, another bad education budget. This one was passed with bipartisan opposition.”
