Pastor Mary Jo Fox of Mount Hope Church of DeWitt offered the following invocation:

Our Heavenly Father, we thank You. We come together this morning to look to You. We thank You for these members of the Senate who have given their lives to serve You. Father, Your word says that these are servants of the most high God, and they are to be honored and reverent before You this day.

God, we ask You for the state of Michigan that You would lead us and guide us in these difficult times. Father, we ask You today that as Governor Granholm is making difficult decisions with our budget that You would show us, God, what to do concerning the difficulties with our finances and the revenues. Lord, we ask You that You would please provide abundantly for our state.

Father, as Michigan was the first state to lead this nation into recession, we pray, God, that we would be the state to lead this nation out of recession. Father, in Daniel, this prophet looked to You and sought You for mysteries and understanding on how to solve difficult problems. God, we ask You today to give these men and women wisdom on how to solve the difficult problems that are facing this state.

God, You are a great a God, the revealer of mysteries, the revealer of difficulties in these dark days. God, we decree that You will once again lead Michigan to its finest hours and raise up Michigan to be all that You have destined Michigan to be. We thank You for that.

In the mighty name of Jesus. Amen.

The President, Lieutenant Governor Cherry, led the members of the Senate in recital of the *Pledge of Allegiance*.

Senate Resolution No. 48.

A resolution to recognize May 3-9, 2009, as National County Government Week in the state of Michigan.

Whereas, The nation's 3,068 and Michigan's 83 counties provide a variety of essential public services to communities and citizens; and

Whereas, All counties in Michigan take seriously their responsibilities to protect and enhance the health, welfare, and safety of its residents in sensible and cost-effective ways; and

Whereas, Many county government initiatives and programs involve the protection of valuable and vulnerable environmental resources in communities; and

Whereas, The National Association of Counties (NAC) is the only national organization that represents county governments in the United States; and

Whereas, The Michigan Association of Counties (MAC) is the voice of counties in Michigan; and

Whereas, NAC created National County Government Week in 1991 to raise public awareness and understanding about the roles and responsibilities of the nation's counties to meet the needs of the communities; and

Whereas, NAC and MAC are working together to better serve and ensure counties remain essential and effective units of government; now, therefore, be it

Resolved by the Senate, That the members of this legislative body recognize May 3-9, 2009, as National County Government Week in the state of Michigan; and be it further

Resolved, That a copy of this resolution be transmitted to the National Association of Counties and the Michigan Association of Counties with our highest esteem.

Senators Brater, Clarke, Hardiman, Jacobs, Pappageorge, Prusi, Richardville and Switalski were named co-sponsors of the resolution.

Senators Van Woerkom, Cropsey, Kuipers and Jansen offered the following resolution:

Senate Resolution No. 49.

A resolution recognizing May 3-9, 2009, as Michigan Charter Schools Week.

Whereas, Michigan's charter schools law was passed 15 years ago, enabling charter schools to be locally established and founded in communities across the state; and

Whereas, Michigan charter schools provide new educational opportunities to 100,000 students and their families; and

Whereas, Charter schools give all parents more choices in their children's education; and

Whereas, Michigan's 232 charter schools and their dedicated staff continue to bring fresh ideas and perspectives to K-12 education; and

Whereas, Charter public schools encourage competition and are accountable to the public through public universities, community colleges, and local and intermediate school districts that help establish and oversee these schools; and

Whereas, Charter schools are making great progress in closing the achievement gap for urban, minority, and at-risk children across the state; now, therefore, be it

Resolved by the Senate, That we hereby recognize May 3-9, 2009, as Michigan Charter Schools Week in honor of their successes and the important role they play in educating Michigan's young people; and be it further

Resolved, That a copy of this resolution be transmitted to the Michigan Council of Charter School Authorizers.

Senators Cassis, Hardiman, Pappageorge, Richardville and Switalski were named co-sponsors of the resolution.

Senator Jacobs offered the following resolution:

Senate Resolution No. 47.

A resolution observing May 8, 2009, as Bessie Spector Older Jewish American Day.

Whereas, In 1963, President John F. Kennedy proclaimed May as Older Americans Month, and in 2006, President George W. Bush recognized May as Jewish American Heritage Month. We gather on this date to honor and recognize the contributions of older Jewish Americans to the fabric of our nation; and

Whereas, We assemble in this chamber today to acknowledge the important contributions of Jewish Americans to our nation in such areas as the civil rights, international politics, science, arts, and culture; and

Whereas, Over half a million Jewish Americans fought for this nation in World War II, receiving three Medals of Honor and numerous Distinguished Service Awards; and

Whereas, The Jewish Federation of Metropolitan Detroit, through its Elderlink program, has sought to unite and observe the works of Jews 95 years and older in our communities with the Bessie Spector Older Jewish Americans event in West Bloomfield; now, therefore, be it

Resolved by the Senate, That the members of this legislative body proclaim May 8, 2009, as Bessie Spector Older Jewish American Day in the state of Michigan; and be it further

Resolved, That a copy of this resolution be transmitted to the Jewish Federation of Metropolitan Detroit as evidence of our esteem for their dedication and commitment to recognizing and honoring these important contributors to our community.

Pending the order that, under rule 3.204, the resolution be referred to the Committee on Government Operations and Reform,

Senator Cropsey moved that the rule be suspended.

The motion prevailed, a majority of the members serving voting therefor.

The resolution was adopted.

Senators Brater, Clark-Coleman, Clarke, Gleason, Hardiman, Pappageorge, Prusi, Richardville, Scott and Switalski were named co-sponsors of the resolution.

House Concurrent Resolution No. 20.

A concurrent resolution calling on Governor Granholm to divest all state money from certain hedge funds refusing to accept a settlement on the Chrysler bonds they hold and urging other states to divest their holdings in these hedge funds, should these hedge funds fail to agree on a bond settlement before today's deadline on concluding an agreement.

Whereas, The people of Michigan are intensely interested in the fate of our automobile industry. While the long-term outlook of Chrysler remains bright, getting through the next several months requires all involved in negotiations over the fate of this company to balance parochial interests with vision about what is best for our state and nation; and

Whereas, While negotiations that could save Chrysler from seeking bankruptcy protection before today's deadline for concluding talks have made great strides, a number of hedge funds that hold about 30 percent of the Chrysler bonds are refusing to compromise in their stand on what they want to erase the debts that are crippling Chrysler's future. The hedge fund managers may be too narrowly focused on immediate returns rather than considering the long-term ramifications on our nation and its manufacturing base. Such short sightedness has already lost our nation a great deal; and

Whereas, Should these hedge fund managers stand in the way of saving Chrysler, these hedge funds will have taken part in inflicting a devastating blow to our domestic automobile industry that will reverberate throughout our state and nation. The human hardship that will follow from the loss of jobs, the loss of tax revenue, and the loss of hope in the future will shatter the reputation of Oppenheimer Funds, Perella Weinberg Partners' Xerion Capital Fund, and Stairway Cap Management as reliable financial partners for our state; now, therefore, be it

Resolved by the House of Representatives (the Senate concurring), That we call on Governor Granholm to divest all state money from the hedge fund offerings of Oppenheimer Funds, Perella Weinberg Partners' Xerion Capital Fund, and Stairway Cap Management, if they refuse to accept a settlement on the Chrysler bonds they hold. We also urge other states to divest their holdings in these hedge funds, should these hedge funds fail to agree on a bond settlement before today's deadline on concluding an agreement; and be it further

Resolved, That copies of this resolution be transmitted to the Governor of Michigan; the leadership of Oppenheimer Funds, Perella Weinberg Partners' Xerion Capital Fund, and Stairway Cap Management; and the governors of Delaware, Illinois, Indiana, Missouri, Ohio, and Wisconsin.

The House of Representatives has adopted the concurrent resolution.

Pending the order that, under rule 3.204, the concurrent resolution be referred to the Committee on Government Operations and Reform,

Senator Cropsey moved that the rule be suspended.

The motion prevailed, a majority of the members serving voting therefor.

The question being on the adoption of the concurrent resolution,

Senator Cropsey moved that the concurrent resolution be referred to the Committee on Commerce and Tourism.

The motion prevailed.

Senators Clark-Coleman, Clarke, Gleason, Hunter and Prusi were named co-sponsors of the concurrent resolution.

public access to waterways under certain conditions; setting and protecting shade trees, drainage, and cutting weeds and brush within this state; providing for the election or appointment and defining the powers, duties, and compensation of state, county, township, and district highway officials; and to prescribe penalties and provide remedies," by amending section 6 of chapter IV (MCL 224.6), as amended by 2006 PA 598.

Statements

Senators Garcia, Scott and Switalski asked and were granted unanimous consent to make statements and moved that the statements be printed in the Journal.

The motion prevailed.

Senator Garcia's statement is as follows:

Just for the record, I was gone on active duty for the last two and a half weeks to Washington, D.C.

On April 22, on record Roll Call Vote Nos. 127, 128, 129, and 130, I would have voted "yes." On April 23, on record Roll Call Vote No. 131, I would have voted "yes." On record Roll Call Vote Nos. 132, 133, 134, 135, and 136, I would have voted "yes." On April 30, on record Roll Call Vote No. 137, I would have voted "yes." On record Roll Call Vote Nos. 138, 139, and 140, I would have voted "yes." On record Roll Call Vote No. 141, I would have voted "no." On record Roll Call Vote No. 142, I would have voted "yes."

Senator Scott's statement is as follows:

The American author Harriet Beecher Stowe wrote: "Common sense is seeing things as they are, and doing things as they ought to be." The way that auto insurance rates are calculated in Michigan is unfair. Common sense tells us that this is not how it should be for our constituents. Common sense asks us why in the world we would all sit by and let our constituents across the state pay unfair rates. Why would we ever allow one community to pay higher rates and subsidize the lower rates that people in other communities pay?

This state of affairs simply does not make any sense. It is time that, as Ms. Beecher Stowe says, we "do things as they ought to be" and reform auto insurance here in Michigan. Now more than ever, as Chrysler and General Motors try to reorganize, we need to do this one thing that will help families already trying to make do with less in this extremely tough economy. We can help by reforming auto insurance and making sure that rates are fair and reasonable for all Michigan citizens.

Senator Switalski's statement is as follows:

Yesterday's painful executive order cuts demonstrate that Michigan's government has to come to grips with some harsh, new economic reality. We do not have the resources to continue to operate state government at its current levels. We must begin to restructure our operations.

Accordingly, I am introducing an election consolidation bill that will require all elections to be held at the annual August primary and November general elections. Yesterday's low turnout for school elections at a cost of about \$8 million can no longer be justified when we are cutting essential services and laying off employees. School elections could be piggy-backed on the November ballot for free. Sadly, 80 percent of districts continue to squander scarce dollars on duplicative elections. This must change.
