Most Rev. Steven J. Raica, Bishop of Roman Catholic Diocese of Gaylord in Gaylord, offered the following invocation:

“O God, Father of all, we come to You today full of gratitude for the splendor of a new day. Michigan’s pleasant peninsulas radiate Your providential care and affection for us. The natural beauty of our state from north to south and from east to west reflects the glory and amazement of Your handiwork. Mindful of Your goodness to us in land and sea, help us to care for our common home through the protection of our abundant natural resources. In that way, may we cherish today and hand on to future generations the astonishing land we call home.

In particular, we pray today for the women and men who comprise the House of Representatives and their dedicated support staff. May they be imbued with knowledge, understanding and wisdom to represent well the needs of those they represent here in this House. Through cordial dialogue and mutual respect, may the deliberations of this House on the many pressing issues of our day find reasonable solutions that reflect the inestimable dignity and worth of all, safeguard the vulnerable among us, and through positive outcomes, ensure the welfare of the citizens of Michigan. In that way, through our generous cooperation with Your providence, may the aspirations and dreams of our fellow citizens be achieved.

Finally, we pray for Your blessing upon each of us and the people of Michigan. May all we accomplish here reflect Your greater honor and glory.

Imploring Your Holy Spirit to renew the face of the earth, we ask this through Christ, the Lord.
Amen.”

Motions and Resolutions

Reps. Singh, Camilleri, Chang, Wittenberg, Rabhi, Schor, Moss, Greig, Hoadley, Love, Sowerby, Pagan, LaGrand, Inman, Gay-Dagnogo, Yanez, Geiss, Sabo, Brinks, Lasinski, Kosowski, Zemke, Elder, Ellison, Faris, Green and Sneller offered the following concurrent resolution:

House Concurrent Resolution No. 9.

A concurrent resolution to urge the Governor to add Michigan to the growing number of states pledging to fulfill the goals of the Paris Climate Accord.

Whereas, The Paris Climate Accord is an agreement that seeks to reduce greenhouse gas emissions worldwide by requiring its signatories to set their own emissions goals and monitor their efforts to meet those goals. The agreement states that countries should aim to reach their peak emissions as soon as possible and reach net zero emissions during the second half of the century. The agreement also contains non-binding provisions to encourage wealthier countries to provide financial assistance to poorer countries for the purposes of adopting new technologies and to adapt to the impact of climate change. The agreement was accepted at the 21st Conference of the Parties of the United Nations Framework Convention on Climate Change in December 2015 and the United States formally signed in April 2016; and

Whereas, The goal of the Paris Climate Accord is to prevent the Earth from warming by more than 2 degrees Celsius above pre-industrial levels and, if possible, to stop warming at 1.5 degrees Celsius. The Earth has already warmed about 1 degree Celsius above pre-industrial levels and experts believe that the Earth was on track to warm by more than 3 degrees Celsius above pre-industrial levels by the end of the century if the policies in place prior to the adoption of the Paris Climate Accord were to continue indefinitely. The targets contained in the Paris Climate Accord are based on evidence from scientific community that warming above 2 degrees Celsius will cause irreparable damage to the planet; and

Whereas, In Michigan, climate change is expected to lead to more extreme weather including a higher risk of flooding, periods of intense drought, and higher temperatures. These effects will lead to more algae and lower water levels in the Great Lakes, changing ecosystems, disruptions in the agricultural industry, shorter seasons for winter recreation, and an increased risk of health problems such as heatstroke and dehydration. Serious effects in other parts of the country and around the world could also impact Michigan, as climate change is expected to dramatically impact the economy, national security, and public health; and

Whereas, Important work is already being done to fight climate change in Michigan. Michigan raised its renewable portfolio standard in 2016 and has a very successful energy waste reduction program. In addition, businesses have taken steps to reduce their carbon footprints and cities and local communities have also adopted policies designed to combat climate change; and

Whereas, President Trump announced his intention to withdraw the United States from the agreement on June 1, 2017. While the President has the authority to initiate the withdrawal process on behalf of the United States, he cannot prevent cities and states from pursuing policies that will reduce their greenhouse gas emissions consistent with the goals of the Paris Climate Accord. California, New York, Washington, Connecticut, Rhode Island, Massachusetts, Vermont, Virginia, Oregon, and Hawaii have already pledged to fulfill the goals of the agreement; and

Whereas, Michigan drove the nation's industrial economy during the twentieth century and has a responsibility to be a leading force in efforts to limit the impact of climate change in the twenty-first century. Michigan is a large state with significant potential for greenhouse gas emissions reductions and committing to the provisions of the Paris Climate Accord would go a long way toward the nation meeting its goals, in addition to providing Michigan with meaningful opportunities to attract new industries, employers, and residents to the state; now, therefore, be it

Resolved by the House of Representatives (the Senate concurring), That we urge the Governor to add Michigan to the growing number of states pledging to fulfill the goals of the Paris Climate Accord; and be it further

Resolved, That copies of this resolution be transmitted to the Governor.

The concurrent resolution was referred to the Committee on Natural Resources.

The House agreed to the title of the bill.

Rep. Lauwers moved that the bill be given immediate effect.

The motion prevailed, 2/3 of the members serving voting therefor.

Rep. Afendoulis, having reserved the right to explain his protest against the passage of the bill, made the following statement:

“Mr. Speaker and members of the House:

No vote explanation for house bills 4416 to 4419

Since elected, I have consistently and steadfastly held the position that our state laws relating to the use and possession of a firearm in the State of Michigan strike the right balance in the eyes of the great majority of our citizens. I do not favor changes to gun laws presently in our State statutes.

This legislation will remove the current requirement that residents who seek a concealed pistol license receive training in the basic handling and operation of a firearm in addition to legal content on when that firearm can be legally employed for self-defense. While I support the right of Michiganders to own and use firearms as enumerated under the Michigan Constitution and the second amendment of the United States Constitution, training requirements have long been upheld by the courts as a constitutional and reasonable requirement that serves the public interest of safety.

In addition, law enforcement organizations from throughout the state are opposed to this legislation. In my opinion this bill potentially exposes our public safety officials to greater harm and makes their job protecting the public more difficult.

Accordingly, I vote no.”

Rep. Howrylak, having reserved the right to explain his protest against the passage of the bill, made the following statement:

“Mr. Speaker and members of the House:

While it is not necessary for the government to require people carrying concealed pistols to have a permit, it is reasonable to require that said individuals be required to be trained and to carry proof of that training with them when concealed carrying. I supported such an amendment when this bill was on Second Reading. It did not pass, and I therefore could not support this bill in the form that was presented to me on passage.”

Rep. McCready, having reserved the right to explain his protest against the passage of the bill, made the following statement:

“Mr. Speaker and members of the House:

Today I register my no vote on House Bills 4416-19, that allow Michigan residents to carry a firearm concealed without first receiving a concealed pistol license (CPL) from the State of Michigan. This legislation will remove the current requirement that residents receive training in the basic handling and operation of a firearm in addition to legal content on when that firearm can be legally employed for self-defense. While I support the right of Michiganders to own and use firearms as enumerated under the Michigan Constitution and the second amendment of the US Constitution, training requirements have long been upheld by the courts as a constitutional and reasonable requirement that serves the public interest of safety. In addition, with reductions in funding to mental health services, as well as a growing population of individuals who are in need of mental health services, training can be the needed difference to prevent a tragedy. Lastly, many law enforcement agencies across our state, including the Michigan State Police and Michigan Sheriff’s Association, have publically opposed the passage of HB 4416-19 and I fully support our law enforcement. It is for these reasons that I am not ready to abandon the practice of requiring training to carry a concealed firearm.”

The Speaker Pro Tempore resumed the Chair.

House Bill No. 4417, entitled

A bill to amend 1927 PA 372, entitled “An act to regulate and license the selling, purchasing, possessing, and carrying of certain firearms, gas ejecting devices, and electro-muscular disruption devices; to prohibit the buying, selling, or carrying of certain firearms, gas ejecting devices, and electro-muscular disruption devices without a license or other authorization; to provide for the forfeiture of firearms and electro-muscular disruption devices under certain circumstances; to provide for penalties and remedies; to provide immunity from civil liability under certain circumstances; to prescribe the powers and duties of certain state and local agencies; to prohibit certain conduct against individuals who apply for or receive a license to carry a concealed pistol; to make appropriations; to prescribe certain conditions for the appropriations; and to repeal all acts and parts of acts inconsistent with this act,” by amending sections 12 and 15 (MCL 28.432 and 28.435), section 12 as amended by 2010 PA 209 and section 15 as added by 2000 PA 265.

The bill was read a third time.

The question being on the passage of the bill,

Rep. Lilly moved to amend the bill as follows:

1. Amend page 1, following “**THE PEOPLE OF THE STATE OF MICHIGAN ENACT:**” by inserting:

“Sec. 5e. (1) The department of state police shall create and maintain a computerized database of individuals who apply under this act for a license to carry a concealed pistol. The database shall contain only the following information as to each individual:

(2) If an individual who was denied a license to carry a concealed pistol after July 1, 2001 or issued a notice of statutory disqualification is subsequently issued a license to carry a concealed pistol, the department of state police shall delete from the computerized database the previous reasons for the denial or notice of statutory disqualification.

(3) The department of state police shall enter the information described in subsection (1)(a), (b), and (f) into the law enforcement information network.

(4) Information in the database shall only be accessed and disclosed according to an access protocol that includes the following requirements:

(b) Requires the requestor in an intentional query by name of the firearms records to attest that the firearms records were sought under 1 of the lawful purposes provided in section 1b(2).

(5) The department of state police shall by January 1 of each year file with the secretary of the senate and the clerk of the house of representatives, and post on the department of state police's internet website, an annual report setting forth all of the following information for the state for the previous fiscal year:

(a) The number of concealed pistol applications received.

(b) The number of concealed pistol licenses issued.

(c) The number of statutorily disqualified applicants.

(d) Categories for statutory disqualification under subdivision (c).

(e) The number of concealed pistol licenses suspended or revoked.

(f) Categories for suspension or revocation under subdivision (e).

(g) The number of applications pending at the time the report is made.

(h) The mean and median amount of time and the longest and shortest amount of time used by the Federal Bureau of Investigation to supply the fingerprint comparison report required in section 5b(10). The department may use a statistically significant sample to comply with this subdivision.

(i) The total number of individuals licensed to carry a concealed pistol found responsible for a civil violation of this act, the total number of civil violations of this act categorized by offense, the total number of individuals licensed to carry a concealed pistol convicted of a crime, and the total number of those criminal convictions categorized by offense.

(j) The number of suicides by individuals licensed to carry a concealed pistol.

(k) The total amount of revenue the department of state police has received under this act.

(l) Actual costs incurred per initial and renewal license by the department of state police under this act, itemized by each statutory section of this act.

(m) A list of expenditures made by the department of state police from money received under this act, regardless of purpose.

(n) Actual costs incurred per permit for each county clerk.

(o) The number of times the database was accessed, categorized by the purpose for which the database was accessed.

(6) THE DEPARTMENT OF STATE POLICE SHALL ANNUALLY PUBLISH A FIREARMS MANUAL ON THE USE AND POSSESSION OF FIREARMS. THE MANUAL MUST INCLUDE A SUMMARY OF APPLICABLE FIREARMS LAWS, INCLUDING, BUT NOT LIMITED TO, THE USE OF REASONABLE FORCE IN SELF-DEFENSE.”.

The motion was seconded and the amendment was adopted, a majority of the members serving voting therefor.

The question being on the passage of the bill,

The bill was then passed, a majority of the members serving voting therefor, by yeas and nays, as follows:

Rep. Afendoulis, having reserved the right to explain his protest against the passage of the bill, made the following statement:

“Mr. Speaker and members of the House:

No vote explanation for house bills 4416 to 4419

Since elected, I have consistently and steadfastly held the position that our state laws relating to the use and possession of a firearm in the State of Michigan strike the right balance in the eyes of the great majority of our citizens. I do not favor changes to gun laws presently in our State statutes.

This legislation will remove the current requirement that residents who seek a concealed pistol license receive training in the basic handling and operation of a firearm in addition to legal content on when that firearm can be legally employed for self-defense. While I support the right of Michiganders to own and use firearms as enumerated under the Michigan Constitution and the second amendment of the United States Constitution, training requirements have long been upheld by the courts as a constitutional and reasonable requirement that serves the public interest of safety.

In addition, law enforcement organizations from throughout the state are opposed to this legislation. In my opinion this bill potentially exposes our public safety officials to greater harm and makes their job protecting the public more difficult. Accordingly, I vote no.”

Rep. McCready, having reserved the right to explain his protest against the passage of the bill, made the following statement:

“Mr. Speaker and members of the House:

Today I register my no vote on House Bills 4416-19, that allow Michigan residents to carry a firearm concealed without first receiving a concealed pistol license (CPL) from the State of Michigan. This legislation will remove the current requirement that residents receive training in the basic handling and operation of a firearm in addition to legal content on when that firearm can be legally employed for self-defense. While I support the right of Michiganders to own and use firearms as enumerated under the Michigan Constitution and the second amendment of the US Constitution, training requirements have long been upheld by the courts as a constitutional and reasonable requirement that serves the public interest of safety. In addition, with reductions in funding to mental health services, as well as a growing population of individuals who are in need of mental health services, training can be the needed difference to prevent a tragedy. Lastly, many law enforcement agencies across our state, including the Michigan State Police and Michigan Sheriff’s Association, have publically opposed the passage of HB 4416-19 and I fully support our law enforcement. It is for these reasons that I am not ready to abandon the practice of requiring training to carry a concealed firearm.”

House Bill No. 4419, entitled

A bill to amend 1927 PA 175, entitled “The code of criminal procedure,” by amending section 12 of chapter II and section 16m of chapter XVII (MCL 762.12 and 777.16m), section 12 of chapter II as amended by 2015 PA 32 and section 16m of chapter XVII as amended by 2014 PA 192.
