Rep. Bettie Cook Scott, from the 2nd District, offered the following invocation:

“Almighty God the creator of all humankind and the great superintendent of the affairs of the world. We give You hearty thanks for leading our forefathers and mothers to seek freedom and dignity for all.

Forgive those who sow seeds of discord and suspicion for selfish and political reasons under the guise of social justice. May no member of any group, whether in the minority or majority, ask for privileges they do not deserve. Lift up the lowly that all will be on common ground.

Deliver us, O Lord, from any foolishness that prevents us from maintaining sound government with just laws, good education and environmental protection, in which our society can breathe the fresh air of freedom.

Incline all hearts to cultivate a spirit of goodness, a high sense of honor and good virtues of conduct which makes this State a contributor to the great union.

Help all of us who call Michigan our home, be part of the solution and not part of the problems of this challenging time. We pray for the persons in the vanguard of preserving the principles of democracy. Help us to be just and fair-minded in all our relationships.

We pray for our President and for all those in positions of authority, lead them in the paths of useful leadership, that their decisions will result in elevation of the common good.

We humbly pray that we may continue to be blessed by Your daily supervision and afford Your daily mercies. Amen.”

#### **House Resolution No. 170.**

A resolution to declare October 2017 as Disability Employment Awareness Month in the state of Michigan.

Whereas, In Michigan, only about 19% of people with intellectual and developmental disabilities are employed; and

Whereas, People with developmental disabilities in Michigan share with the rest of the state’s nearly 10 million residents the right to work in competitive, integrated work environments with needed supports, while making minimum wage; and

Whereas, It has been more than 70 years since Congress designated a week in October, which has culminated into National Disability Employment Awareness Month with the 2017 theme being “Employment First for Michigan”; and

Whereas, Every person should be seen for their ability and not disability with valuable strengths and the potential to make important contributions to their local communities; and

Whereas, By promoting opportunities for all citizens with disabilities in Michigan, gaining individual integrated employment, and engaging businesses to value the contributions that employees with disabilities bring to their organization, we will enhance the employment landscape and enable Michigan to compete with other states to bring in high-demand businesses and jobs; and

Whereas, Disability Employment Awareness Month is an appropriate time to recognize Michigan’s employment accomplishments concerning persons with disabilities in integrated environments and to make sure all of Michigan’s citizens with intellectual and developmental disabilities are included; and

Whereas, Celebrating the abilities and contributions of people with developmental disabilities can only serve to enrich the communities of Michigan and enhance our diversity; now, therefore, be it

Resolved by the House of Representatives, That the members of this legislative body declare October 2017 as Disability Employment Awareness Month in the state of Michigan.

The question being on the adoption of the resolution,

Reps. Vaupel, Canfield, Clemente, Cochran, Crawford, Ellison, Faris, Green, Greig, Howrylak, Kahle, Lasinski, Leutheuser, Liberati, Maturen, Noble, Pagan, Rendon, Sabo, Schor, Sneller, Sowerby, Webber, Wittenberg and Zemke offered the following resolution:

#### **House Resolution No. 171.**

A resolution to declare September 2017 as Fetal Alcohol Spectrum Disorders Awareness Month in the state of Michigan.

Whereas, Healthy children are the most important resource in the great state of Michigan and Fetal Alcohol Spectrum Disorders (FASD) pose a serious threat to the potential health of our future generations; and

Whereas, More than 30 years have passed since Fetal Alcohol Syndrome (FAS) was identified and named as a birth disorder by United States researchers; and

Whereas, Prenatal exposure to alcohol can cause birth defects, mental disorders, learning disabilities, and attention deficits; and

Whereas, The estimated number of FASD per year is over 30,000; and

Whereas, The incidence rate of full FAS is estimated at 1 out of every 1,000 live births and the incidence rate of FASD is estimated at 1 out of every 100 live births; and

Whereas, The U.S. Surgeon General recommends there is no safe amount of alcohol to consume during pregnancy and Fetal Alcohol Spectrum Disorders can only be prevented by avoiding alcohol entirely during pregnancy; and

Whereas, Individuals with FASD often have secondary hardships such as trouble with the law, substance abuse issues, disrupted school experiences, employment problems, and homelessness; and

Whereas, FASD is entirely preventable; and

Whereas, People around the world began observing International FAS Awareness Day on September 9 of each year beginning in 1999 in order that on the ninth day of the ninth month of the year the world will remember that a woman should abstain from alcohol during the nine months of pregnancy. Starting in 2015, the month of September was recognized as Fetal Alcohol Spectrum Disorder Month, now, therefore, be it

Resolved by the House of Representatives, That the members of this legislative body declare September 2017 as Fetal Alcohol Spectrum Disorders Awareness Month in the state of Michigan. We strongly urge all citizens to increase their knowledge of the effects of prenatal exposure to alcohol, to increase their level of compassion for individuals affected by FASD, and to do all which may lie in their power to reduce the incidence of FASD in the state of Michigan in the future.

The question being on the adoption of the resolution,

I could not support House Bill 4999 - a bill that would over power local control of our local units of government. I believe in the strength of local elected officials to make the right decisions for their local communities. After all, it is part of our democratic process to elect local officials and operate in good faith they will do right by their community. By passing preemptions laws at the state level, we take away their decision-making authority to do what is best for the residents they seek to serve.”
