Pastor Cliff Radtke, Pastor of Galien/Olive Branch Parish in Galien, offered the following invocation:

*“Adapted from: For the Nation -Book of Common Prayer -1979 pg. 838*

Almighty God, giver of all good things:

We thank You for the natural majesty and beauty of this land.  
They restore us, though we often destroy them.

*Heal us. We pray*

We thank You for the great resources of this nation. They  
make us rich, though we often exploit them.

*Forgive us. We pray*

We thank You for the men and women who have made this  
country strong. They are models for us, though we often fall  
short of them.

*Inspire us. We pray*

We thank You for the torch of liberty which has been lit in  
this land. It has drawn people from every nation, though we  
have often hidden from its light.

*Enlighten us. We pray*

We thank You for the faith we have inherited in all its rich  
variety. It sustains our life, though we have been faithless  
again and again.

*Renew us. We pray*

Help us, O Lord, to finish the good work here begun.  
Strengthen our efforts to blot out ignorance and prejudice,  
and to abolish poverty and crime. And hasten the day when  
all our people, with many voices in one united chorus, will  
glorify Your holy Name. *Amen.*”

Rep. Singh moved that Reps. Garrett and Inman be excused from today’s session.

### Motions and Resolutions

Reps. Farrington and LaVoy offered the following resolution:

**House Resolution No. 322.**

A resolution to declare July 2016 as Craft Beer Month in the state of Michigan.

Whereas, Michigan craft brewers are a vibrant affirmation and expression of Michigan’s entrepreneurial traditions, operating as community-based small businesses and providing employment for more than 5,000 workers; and

Whereas, Michigan has craft brewers in every region of the state and more than 250 craft brewers statewide; and

Whereas, Michigan ranks 5th in the nation for overall number of breweries, microbreweries, and brewpubs; and

Whereas, The Michigan Brewers Guild celebrates Michigan Craft Beer Month each year by hosting a Summer Festival in July; and

Whereas, Craft brewers in Michigan support state agriculture by purchasing hops, malted barley, wheat, beet sugar, cherries, apples, and numerous other fruits, herbs, and vegetables grown in Michigan; and

Whereas, Michigan craft brewers promote Michigan’s spirit of independence through a renaissance in handcrafted beers like those first brought to Michigan by European settlers and produced here by our forefathers, including Bernhard Stroh, for the enjoyment of the citizenry; and

Whereas, Striving to educate legal drinking-age residents, Michigan craft brewers convey awareness about the differences in beer flavor, aroma, color, alcohol content, body, and other complex variables, beer history, and gastronomic qualities of beer; and

Whereas, Michigan craft brewers champion the message of responsible enjoyment to their customers and work within their communities to prevent alcohol abuse and underage drinking; and

Whereas, Craft brewers in Michigan produce more than 100 distinct styles of flavorful beers, the quality and diversity of which have made Michigan the envy of many states, contributing to balanced trade with increased Michigan exports and promoting Michigan tourism; and

Whereas, Michigan craft brewers have been a successful business model during our state's economic struggles by contributing more than \$144 million in wages with a total economic contribution of more than \$600 million, thriving and expanding in furthering their economic importance to the state; and

Whereas, Michigan craft brewers are vested in the future, health, and welfare of their communities as employers providing a diverse array of quality local jobs; as contributors to the local tax base; and as committed sponsors of a broad range of vital community institutions and philanthropic causes, including not-for-profit housing development associations, chambers of commerce, humane societies, athletic teams, and medical research; now, therefore, be it

Resolved by the House of Representatives, That the members of this legislative body declare July 2016 as Craft Beer Month in the state of Michigan. We recognize the contributions that Michigan craft brewers have made to the state's communities, economy, and history; and be it further

Resolved, That we commend Michigan craft brewers for providing jobs, improving the balance of trade, supporting Michigan agriculture, and educating residents about the history and culture of beer while promoting the responsible consumption of beer as a beverage of moderation.

The question being on the adoption of the resolution,

The resolution was adopted.

Rep. Aaron Miller offered the following concurrent resolution:

**House Concurrent Resolution No. 25.**

A concurrent resolution relative to secondary road patrol funds for counties providing road patrol services to cities and villages.

Whereas, Section 77 of 1846 RS 14, MCL 51.77, provides funding for county secondary road patrol services pursuant to an agreement with the Office of Criminal Justice, which, pursuant to Executive Order No. 1989 – 4, is now the Office of Highway Safety Planning within the Department of State Police. An agreement also provides a maintenance of law enforcement effort standard for counties providing these secondary road patrol services, unless it is recognized that the reduction was due to cuts in general services due to economic conditions; and

Whereas, Section 76 of 1846 RS 14, MCL 51.76, permits road patrol services to be provided by county sheriff departments to cities and villages. This section also provides that a road patrol agreement is void if the city or village reduces the number of sworn law enforcement officers below the highest number employed at any time within the immediately preceding 36 months, unless the Michigan Legislature, by concurrent resolution, recognizes that the reduction was due to cuts in general services due to economic conditions; and

Whereas, Section 77 of 1846 RS 14, MCL 51.77, provides a formula for funding county secondary road patrol services. This formula permits road patrol services provided by county sheriff departments to cities and villages to be eligible for secondary road patrol funding as long as the city or village complies with the MCL 51.76 law enforcement maintenance of effort requirement, unless any reduction is recognized to be due to cuts in general services due to economic conditions; and

Whereas, In all of Michigan's counties, cities, and villages, general services have been reduced as a result of serious economic difficulties. These reductions in services have occurred in direct reaction to economic conditions; now, therefore, be it

Resolved by the House of Representatives (the Senate concurring), That, for Fiscal Year 2017, counties, cities, and villages in Michigan have been required to reduce general services because of economic conditions and are not reducing law enforcement services as stipulated in sections 76 or 77 of 1846 RS 14; and be it further

Resolved, That counties, cities, and villages have met the necessary terms of their agreements for road patrol services and secondary road patrol funding as they relate to maintenance of effort.

The concurrent resolution was referred to the Committee on Appropriations.

Reps. Schor and LaVoy offered the following resolution:

**House Resolution No. 323.**

A resolution to declare September 2016 as Safe Sleep Awareness Month in the state of Michigan.

Whereas, Sudden unexpected infant death (SUID) is the leading cause of death in infants between one month and one year of age; and

Whereas, Most babies that die of SUID appear to be healthy prior to death. The risk factors for sudden unexpected infant death can be mitigated by reducing the baby's exposure to smoke and unsafe sleep practices; and

Whereas, Many parents are unaware of the dangers of SUID. Babies are needlessly dying because they are put to sleep in environments that are not safe. These include: couches and adult beds, or sleep areas with other children, adults, pets, pillows, blankets, stuffed animals, or other toys; and

Whereas, There are seven simple steps one should take to ensure babies sleep in a safe environment. These steps are: the baby always sleeps alone in a crib; the baby sleeps on his or her back; there is nothing in the baby's sleep area; the baby's face is uncovered; there is no smoking around the baby; the baby is not overheated or overdressed; the baby must sleep on a firm mattress with a tight-fitting sheet; and

Whereas, Our state is fortunate to have many public and private partners working together to protect children and ensure infants are safe. The American Academy of Pediatrics and the Michigan Department of Health and Human Services recommend placing infants in a safe sleeping environment to help significantly reduce sudden unexpected death; and

Whereas, Parents should gain a broader understanding of safe sleep practices and the risk factors associated with SUID and share that information with others. A broader understanding of safe sleep practices by parents in the state of Michigan will help prevent the approximately 10 infant deaths out of every 10,000 live births that occur every year; now, therefore, be it

Resolved by the House of Representatives, That the members of this legislative body declare September 2016 as Safe Sleep Awareness Month in the state of Michigan. We aim to promote awareness of safe sleep practices; and be it further

Resolved, That the members of this legislative body support the establishment of a safe sleep education program to promote awareness and education relating to sudden unexpected infant death with the focus on the risk factors and safe sleeping practices for newborns and infants; and be it further

Resolved, That Michigan's hospitals are encouraged to instruct safe sleep practices to all new parents in order to prevent unsafe sleep environments and reduce infant deaths because of unsafe sleep; and be it further

Resolved, That copies of this resolution be transmitted to Tomorrow's Child as a token of our thanks for helping raise awareness of safe sleep practices and providing support to families who have lost a baby.

The question being on the adoption of the resolution,

The resolution was adopted.

### Messages from the Governor

The following veto message from the Governor was received and read:

Executive Office, Lansing, June 16, 2016

Michigan House of Representatives  
Michigan Senate  
State Capitol Building  
Lansing, Michigan 48913

Ladies and Gentlemen:

Today I am returning **Enrolled House Bill 4344** to you without signature. HB 4344 amends the Michigan Motor Vehicle Service and Repair Act (the “Act”) to make a number of updates modernizing the Act that I support. However, it also includes revisions relating to the use of certain aftermarket parts used for automotive repairs. As Michigan continues its comeback and continues to be a leader in promoting new technology in the automotive industry, it is imperative that we ensure all components of that industry can remain strong, including Michigan’s robust aftermarket parts industry. I am concerned about HB 4344’s effect on market competition for replacement parts on motor vehicles.

Specifically, HB 4344 amends the Act to provide that, for the first five years of a vehicle's original manufacturer's warranty, automotive repair facilities must make repairs on certain parts with only new or recertified original equipment manufacturer ("OEM") parts, or parts that have been tested and verified as meeting or exceeding OEM quality by a nationally recognized independent testing agency, unless the vehicle's owner directs in writing to install an aftermarket part.

On its face, this policy seems to be intended to protect consumers and ensure vehicles are safely repaired. That is a laudable goal. The Insurance Institute for Highway Safety indicates that some structural parts, such as bumpers, do impact a consumer's safety. However, the Institute also points out that some parts, such as fenders, grilles, door skins, bumper covers, etc. are primarily cosmetic and "are irrelevant to crash safety." This bill doesn't sufficiently delineate between the two types of parts, thereby limiting the use of safe, high quality aftermarket parts designed specifically for particular vehicles.

Michigan's aftermarket auto parts industry is strong because of its competition with OEMs. Indeed, by ensuring robust and open competition between OEM parts and aftermarket parts, consumers see the benefits of safety improvements stemming from that competition. Enacting a law to prohibit mechanics from providing high quality and safe alternatives for customers is an inappropriate impediment on the competition that has resulted in both high quality OEM and aftermarket parts for Michigan drivers to enjoy.

That a customer may sign a waiver permitting a mechanic to install aftermarket parts does not cure this deficiency. In fact, the waiver may stigmatize certain aftermarket parts. What is a customer to think when a mechanic requires a signed waiver in order to install a part—even one directly out of a box from a large reputable Michigan manufacturer? Requiring a signed waiver for these parts is akin to requiring pharmacists to obtain a waiver from patients to provide generic prescription drugs in lieu of more expensive name-brand medication.

Finally, I am concerned that this provision of HB 4344 may negatively affect auto insurance prices in Michigan—prices that are already too high. Requiring OEM parts when a perfectly suitable and safe aftermarket part is available at a lower price will result in higher costs to insurers; higher costs which will be passed on to consumers in the form of increased premiums, deductibles, or both. Those increased costs would be directly attributable to artificially limiting competition by requiring OEM parts when less expensive aftermarket parts are available.

I support much of the modernization of the Act that HB 4344 includes, as well as limiting structural parts that are proven to impact safety. However, I am unable to sign this bill because it overreaches in the limitation of aftermarket parts negatively impacting consumers and creating the potential for negative consequences for Michigan's automotive industry. Accordingly, I am returning HB 4344 to you without signature.

Sincerely,  
Rick Snyder  
Governor

In accordance with MCL 168.862; 168.879, Petitioner Carla Tinsley-Smith alleges and shows to interested parties for the Wayne County Board of Canvassers and Michigan Department of Elections that:

1. Petitioner was a candidate for the office of State Representative (House District 2) in the primary election held August 2, 2016;
2. Petitioner is informed and believes that possible mistake or fraud has been committed in the counting and return of Absentee and Election Day ballots;
3. Petitioner is informed that defects and/or lack of preparedness for residents voting at East English Preparatory Academy (5020 Cadieux Rd, Detroit, MI) and Golightly Technical Center (900 Dickerson, Detroit, MI) may have resulted in the disenfranchisement of voters

Wherefore: Petitioner requests a manual recount of all Absentee and Election Day ballots within the following Wayne County (City of Detroit) precincts: 4, 5, 6, 7, 8, 9, 10, 12,13, 22, 25, 26, 28, 29, 30, 32, 34, 55, 57, 58, 110, 114.

**PETITIONER PETER BORMUTH'S PETITION FOR RECOUNT UNDER MCL 168.879 of P.A. 116 of 1954**

Petitioner Peter Bormuth files this Petition for Recount in the 64<sup>th</sup> District House of Representatives Primary vote held August 2, 2016. The Board of Canvassers completed their canvass on August 9, 2016. This Petition is filed on August 11, 2016 with the Secretary of State Bureau of Elections and a copy is being filed with the Clerk of the House of Representatives. The recount (by hand) is requested in the County of Jackson, City of Jackson, Ward 1, Precinct 2.

The Petitioner is aggrieved over the possibility of fraud. A 2006 University of Connecticut "Security Assessment of the Diebold Optical Scan Voting Terminal" (Accutvote OS) which tabulates votes on paper ballots found that it was vulnerable to "a devastating array of attacks" including allowing no votes to be cast for a particular candidate, swapping votes for two candidates, and biasing the results by shifting some votes from one candidate to another." The Optical Scan Terminal voting machines (DieBold/Premire/ES&S) are used in the City of Jackson polling places. There have been multiple past problems with these machines including incorrect total vote counts in Barry County, Michigan.
