Rep. John Olumba, from the 3rd District, offered the following invocation:

“Heavenly Father, we thank You for being a leader, amongst all leaders. Today, I come to pray for the different leaders that You have put in place. The leader who runs this house and the other leaders in it that all have districts they are responsible for.

Heavenly Father, give them peace, peace of mind, peace of spirit that whatever they do, all of it works together for good. We pray that Your will is done and in the end when that happens because You control all things, it is the people who will benefit from the goodness that comes out of this legislature.

So, we pray for peace amongst the leaders and we pray for peace amongst our people of this great state of Michigan and of the United States of America.

Grant us peace heavenly Father, grant us peace. Amen.”

Motions and Resolutions

Reps. Hooker, Zorn, Outman, VerHeulen, Yonker, Callton, Bumstead, Victory, Haines, Franz, Somerville, Kelly, Rendon, MacGregor, Olumba, Heise, Potvin, Graves, Forlini, Jenkins, LaFontaine, O’Brien, Johnson, McMillin, Crawford, Price, Lyons, Kurtz, Goike, Leonard, Rogers, Kowall, Lori, Genetski, Glardon, Shirkey and Brown offered the following resolution:

House Resolution No. 351.

A resolution to declare this legislative body’s policy to protect life by extending legal protection to as many unborn children with heartbeats as possible under Michigan law.

Whereas, The state of Michigan retains a compelling interest in protecting an unborn child who possesses attributes of life, such as a beating heart and brain waves. Advances in medical knowledge and technology have revealed to medical professionals and laymen alike, the rapid and intricate development of each human being at the earliest stages of life. Pivotal physiological functions, such as a heartbeat within 3 weeks of fertilization and measurable brain waves at approximately 6 weeks of development, are detectable in the earliest stages of development. Common understanding and the law recognize the presence of a heartbeat as an indicator of life and the absence of a heartbeat as an indicator of death; and

Whereas, The state of Michigan has protected unborn children from abortion throughout its history. The legislature acted early in Michigan’s statehood through passage of section 34 of Chapter 153 incorporated in the Revised Statutes of 1846 to penalize willful acts causing miscarriage and has protected pregnant women continuously since then. Further, the people of Michigan voted to maintain a ban on abortion by rejecting Ballot Proposal B of 1972 by a 60 percent to 40 percent margin at a time when other states were voting to legalize abortion; and

Whereas, The Michigan Supreme Court, in response to the U.S. Supreme Court’s Roe v. Wade decision legalizing abortion in all 50 states, stated, “It is the public policy of the state to proscribe abortion,” and acted to preserve the application of Michigan’s abortion ban to the greatest extent possible; and

Whereas, Both the Michigan and U.S. constitutions are established to promote and protect the life and liberty of “ourselves and our posterity,” including unborn children. Abortion is an assault on the life of future generations; now, therefore, be it

Resolved by the House of Representatives, That we declare it is this legislative body’s policy, and within the rights of this state and its people, to protect life by extending legal protection to as many unborn children with heartbeats as possible under Michigan law.

The resolution was referred to the Committee on Insurance.

Reps. LaFontaine, Barnett, Brown, Crawford, Denby, Durhal, Heise, Howrylak, Kowall, LaVoy and Slavens offered the following resolution:

House Resolution No. 352.

A resolution to declare May 2014 as Lyme Disease Awareness Month in the state of Michigan.

Whereas, As the summer season calls people to Michigan’s outdoors to camp, hike, and otherwise enjoy the beauty of our lush green forests, it is an appropriate time to remind citizens of proper precautions and the safety rules of the woodlands. In recent years, Lyme disease has been a concern among outdoor enthusiasts. We urge Michigan residents to become aware of the signs and symptoms, prevention tactics, and treatment of Lyme disease; and

Whereas, An illness caused by the painless bite of a tiny deer tick, Lyme disease causes serious problems involving the heart, joints, and nervous systems in humans and animals. Prompt medical attention will minimize complications of this illness which initially may cause headaches, stiff muscles and joints, fever, nausea, and fatigue. Usually within a few days of being bitten by an infected tick, a person will develop a circular rash. However, detection of the disease is difficult because early symptoms vary and will disappear only to lead to serious problems later; and

Whereas, First recognized in children in 1975 in Lyme, Connecticut, this disease has been reported with increasing frequency throughout the United States. It is crucial that information relating to Lyme disease be available to the public and that the possible severity of its complications be understood by the citizens of Michigan. We salute the people of the

Michigan Lyme Disease Association and the Michigan Department of Community Health for their efforts to expand our awareness and knowledge of the prevention and treatment of Lyme disease; now, therefore, be it

Resolved by the House of Representatives, That the members of this legislative body declare May 2014 as Lyme Disease Awareness Month in the state of Michigan.

The question being on the adoption of the resolution,

The resolution was adopted.

Speaker Bolger offered the following resolution:

House Resolution No. 353.

A resolution to establish a special committee on Detroit's recovery and Michigan's future.

Whereas, The city of Detroit is mired in the largest municipal bankruptcy in the nation; and

Whereas, The House of Representatives will consider the best course of action to resolve Detroit's bankruptcy, protect pensioners, drive the recovery of Detroit, and establish the best course for the protection of Michigan taxpayers and the future success of the state; and

Whereas, An expedient resolution to Detroit's bankruptcy and mitigation of impact to Michigan citizens in Detroit, and Michigan taxpayers across the state requires consideration and would require enactment of certain legislation to mitigate risk, ensure success, and resolve disputes; now, therefore, be it

Resolved by the House of Representatives, That there be created a special committee on Detroit's recovery and Michigan's future to review and recommend legislation to repair Detroit's financial health. The special committee on Detroit's recovery and Michigan's future shall consist of 5 members appointed in the same manner as standing committees of the House are appointed.

The question being on the adoption of the resolution,

The resolution was adopted.

The Speaker called Associate Speaker Pro Tempore Cotter to the Chair.
