“God of ages, in Your sight nations rise and fall, and pass through times of peril. Now when our land is troubled, be near to judge and save. ### Motions and Resolutions

Reps. Lamonte, Barnett, Brown, Crawford, Geiss, Hovey-Wright, Howrylak, Price and Slavens offered the following resolution:

**House Resolution No. 413.**

A resolution to declare October 2014 as Domestic Violence Awareness Month in the state of Michigan.

Whereas, The National Coalition Against Domestic Violence estimates that 1 in every 4 women will experience domestic violence in her lifetime; and

Whereas, An estimated 1.3 million women are victims of physical assault each year and almost 7.8 million women have been raped by a domestic partner at some point in their lives; and

Whereas, Most cases of domestic violence are never reported to police and less than one-fifth of victims reporting an injury from intimate partner violence sought medical treatment following the injury; and

Whereas, Nearly one-third of female homicide victims reported in police records are killed by an intimate partner; and

Whereas, The economic impact of domestic violence exceeds \$5.8 billion each year, of which \$4.1 billion goes directly towards medical and mental health services; and

Whereas, Domestic violence affects people of all ages, races, socioeconomic, and religious backgrounds; now, therefore, be it

Resolved by the House of Representatives, That the members of this legislative body declare October 2014 as Domestic Violence Awareness Month in the state of Michigan; and be it further

Resolved, That the members of this legislative body encourage all Michiganders to work together to help end abuse by recognizing the signs of violence and supporting those impacted by domestic assault; and be it further

Resolved, That copies of this resolution be transmitted to the Michigan Coalition to End Domestic and Sexual Violence, My Sister’s Place, Turning Point, Inc., End Violent Encounters, the Capital Area Response Effort, the Governor, and the Michigan Department of Community Health.

The question being on the adoption of the resolution,

Rep. Stamas moved that consideration of the resolution be postponed for the day.  
The motion prevailed.

Reps. Price, Barnett, Brown, Crawford, Geiss, Hovey-Wright, Howrylak, Lamonte and Slavens offered the following resolution:

**House Resolution No. 414.**

A resolution to declare October 2014 as Breast Cancer Detection Awareness Month in the state of Michigan.

Whereas, October has long been recognized across America as Breast Cancer Awareness Month in an effort to raise public awareness about the importance of early detection; and

Whereas, It is estimated that about 1 in 8 women in the U.S. will develop invasive breast cancer during their lifetime; and

Whereas, In 2014, it is estimated that among U.S. women, there will be 232,670 new cases of invasive breast cancer and 62,570 new cases of in situ breast cancer along with about 40,000 breast cancer deaths; and

Whereas, According to the Michigan Department of Community Health, breast cancer is the second leading cause of cancer deaths in Michigan and the most commonly diagnosed cancer in Michigan women; and

Whereas, In 2014, an estimated 7,600 women in Michigan will be newly diagnosed with invasive breast cancer and 1,400 women will die because of the disease; and

Whereas, The five year survival rate among women whose breast cancer has not spread beyond the breast at the time of diagnosis is 98.3 percent; and

Whereas, All women are at risk for breast cancer and the two most important risk factors are being female and getting older; and

Whereas, Since the inception of Breast Cancer Awareness Month in 1985, mammography use across America has doubled and breast cancer death rates have declined; and

Whereas, Since 1990, breast cancer mortality has decreased by 34 percent due to improved breast cancer treatment and early detection; and

Whereas, Even with impressive progress, many women do not utilize mammography at regular intervals, despite the fact that mammography is the best available method of detecting breast changes that may be cancer, long before physical symptoms can be seen or felt, and that breast cancer deaths could decline further if all women age 40 and older received mammograms at regular intervals; now, therefore, be it

Resolved by the House of Representatives, That the members of this legislative body declare October 2014 as Breast Cancer Detection Awareness Month in the state of Michigan; and be it further

Resolved, That the members of this legislative body urge all Michiganders to use this month as an opportunity to educate themselves about breast cancer detection and take proactive steps to reduce their risk and get appropriate screening.

The question being on the adoption of the resolution,

Rep. Stamas moved that consideration of the resolution be postponed for the day.

The motion prevailed.

Reps. Kesto, Barnett, Brown, Crawford, Faris, Geiss, Hovey-Wright, Howrylak, Lamonte, Price and Slavens offered the following resolution:

**House Resolution No. 415.**

A resolution urging Michigan professional sports teams to adopt a zero-tolerance domestic violence policy.

Whereas, Acts of domestic violence occur at alarming levels with traumatic, and at times deadly results. Perpetrators can and should face criminal penalties for their abusive behavior; and

Whereas, Recent media reports reveal a deep and pervasive problem with violent behavior by professional athletes. This matter is of great concern because it is often dealt with in a cavalier paternalistic manner by the owners of many teams as well as sports leagues. Unfortunately, at a high level within these organizations, decisions are made that allow athletes who have committed acts of domestic violence to continue to participate in the sport with little to no consequence; and

Whereas, It is essential that a zero tolerance for domestic violence be adopted by professional sports owners. Such a policy would send a clear message to professional athletes that there is an expected standard of conduct that extends beyond the field or the court. It would also communicate that the consequences they face will be beyond criminal investigations. By adopting a zero-tolerance domestic violence policy, Michigan's sports teams will send a strong message that violent behavior will not be tolerated; now, therefore, be it

Resolved by the House of Representatives, That we urge Michigan's professional sports teams to adopt a zero-tolerance domestic violence policy; and be it further

Resolved, That copies of this resolution be transmitted to the owners of each of Michigan's professional sports teams.

The question being on the adoption of the resolution,

The resolution was adopted.

Reps. Faris, Barnett, Brown, Geiss, Hovey-Wright, Lamonte and Slavens offered the following resolution:

**House Resolution No. 416.**

A resolution to declare September 23, 2014, as Youth Consent Day in the state of Michigan.

Whereas, One in four women, at least 4% of men, and over 40% of members of the LGBT community enrolled in a Michigan college or university will be sexually assaulted during their time as a student; and

Whereas, An estimated 65% of sexual assaults are not reported; and

Whereas, Young female victims of nonconsensual sexual acts are more likely to experience depression, self-blame, and alcohol and/or drug abuse; and

Whereas, Despite the existence of nationwide sexual assault prevention programs and recent passage of The Campus Sexual Violence Elimination (SaVE) Act by Congress, there is no Michigan-specific awareness day or campaign focusing on the issue and importance of consent; and

Whereas, Sexual assault education among undergraduates has been shown to increase bystander intervention to prevent sexual assault, improve outcomes for individuals at risk, and increase opposition to rape; and

Whereas, Sexual assaults on college campuses are most likely to occur during the first three months of the school year and in Michigan, nonconsensual sexual activity is equivalent to sexual assault; now, therefore, be it

Resolved by the House of Representatives, That the members of this legislative body declare September 23, 2014, as Youth Consent Day in the state of Michigan; and be it further

Resolved, That copies of this resolution be transmitted to the Michigan Senate; the Governor of the State of Michigan; Alpena Community College Office of the President; Bay College Office of the President; Central Michigan University Dean of Students; Delta College Office of the President; Eastern Michigan University Women's Resource Center; Ferris State University Office of Student Life; Glen Oaks Community College Office of the President; Gogebic Community College Office of the President; Grand Rapids Community College Office of the President; Grand Valley State University Women's Center; Henry Ford College Office of the President; Jackson College Office of the President; Kalamazoo Valley Community College Office of the President; Kellogg Community College Office of the President; Kirtland Community College Office of the President; Lake Michigan College Office of the President; Lake Superior State University Office of Student Affairs; Lansing Community College Office of the President; Macomb Community College Office of the President; Michigan State University Counseling Center; Michigan Technological University Center for Diversity and Inclusion; Mid-Michigan Community College Office of the President; Monroe County Community College Office of the President; Montcalm Community College Office of the President; Mott Community College Office of the President; Muskegon Community College Office of the President; North Central Michigan College Office of the President; Northern Michigan University Equal Opportunity Office; Northwestern Michigan College Office of the President; Oakland Community College Office of the Chancellor; Oakland University Dean of Students; Saginaw Valley State University Office of Diversity Programs; Schoolcraft College Office of the President; Southwestern Michigan College Office of the President; St. Clair County Community College Office of the President; University of Michigan Sexual Assault Prevention and Awareness Center; Washtenaw Community College Office of the President; Wayne County Community College District Office of the President; Wayne State University Office of Equal Opportunity; West Shore Community College Office of the President; and Western Michigan University Office of Health Promotion and Education.

The question being on the adoption of the resolution,

The resolution was adopted.

Reps. Singh, Barnett, Zemke, Brown, Geiss, Hovey-Wright and Lamonte offered the following resolution:

**House Resolution No. 417.**

A resolution to urge the Congress of the United States to renew the charter for the U.S. Export-Import Bank and to amend the charter to ensure the bank cannot provide an export subsidy to a foreign company which would lead to a significant loss of U.S. jobs.

Whereas, The Export-Import Bank of the United States is the official export credit agency for our nation. Known also as the Ex-Im Bank, this independent federal agency has for the past eight decades used its authority and resources to support U.S. exports and domestic employment, providing low-cost direct loans, loan guarantees, working capital guarantees, and other special financing programs. The bank emphasizes supporting U.S. small- and medium-sized businesses and targets industries—such as medical technology, construction, agriculture, and power generation—that have the potential for high U.S. export growth. Moreover, the Ex-Im Bank is self-sustaining, using its own program revenue to cover operating expenses; and

Whereas, The U.S. Ex-Im Bank has provided substantial benefit to American businesses and grown the consumer base of American-made exports. During the past five years, the bank has estimated that it supported 1.2 million jobs—over 205,000 in 2013 alone—while operating a \$2 billion surplus. Since 2007, 192 Michigan business have used the Ex-Im Bank, supporting \$9 billion in exports. With domestic consumption being weak in recent years, the activities of the Ex-Im Bank have boosted trade, finding new consumers for our goods and services, and contributed to our overall U.S. economic growth; and

Whereas, While the U.S. Export-Import Bank is generally beneficial, in some cases, its policies have hurt American businesses, potentially costing U.S. jobs. Ex-Im Bank financing can end up helping foreign companies at the expense of competing U.S. companies when subsidized U.S. exports are incorporated into foreign products that then compete with unsubsidized U.S. products; and

Whereas, The charter for the U.S. Export-Import Bank must be reauthorized periodically and will expire September 30, 2014 without congressional action. Allowing the charter to expire would significantly handicap our efforts to the rebuild the economy and setback the hard-fought economic progress of export states like Michigan. Export credit agencies and the Ex-Im Bank are needed to encourage American businesses abroad with government-backed private lending and to extend financing when private lending institutions cannot or will not. Allowing the Ex-Im Bank charter to expire would also unnecessarily sacrifice footing in many emerging markets, markets that are also being developed by other mature economies, including China; now, therefore, be it

Resolved by the House of Representatives, That we urge the Congress of the United States to renew the charter for the U.S. Export-Import Bank and to amend the charter to ensure the bank cannot provide an export subsidy to a foreign company which would lead to a significant loss of U.S. jobs; and be it further

Resolved, That copies of this resolution be transmitted to the President of the United States Senate, the Speaker of the United States House of Representatives, and the members of the Michigan congressional delegation.

The resolution was referred to the Committee on Financial Services.

### Explanation of "No" Votes

Rep. McBroom, having reserved the right to explain his protest against the passage of **House Bill Nos. 5463, 5464 and 5465**, made the following statement:

"Mr. Speaker and members of the House:

I voted 'no' on this bill package with the same mixed feelings I had at the passage of SB 577 last term. There is certainly a problem in our society that these bills address. Confusion and outright fraud in regard to paternity is a growing problem

in our state and needs to be dealt with. It is unfortunate that we address this societal problem at its expression rather than its source: the continuing erosion of the sanctity of the marriage relationship and its special role in raising children. While these bills are discussed in a context mainly pertaining to children born to unmarried couples, the bills will also effect the children born due to adulterous relationships. In both cases, my earlier point about dealing with the symptoms, rather than the true foundational problem are easily apparent. However, due to the passage of SB 577 of the ninety-sixth legislature, which gave paternity rights to the man who violated the marriage rights of the lawful husband, today's bill package is especially troubling. We are making this terrible degradation of the sanctity of marriage even more accessible by allowing the facts of biology trump the honor and dignity due the marriage covenant.

It is because I fear that these bills forget about the special, lawful privileges marriage has always enjoyed I must vote 'no.' These privileges and protections were in place because history has always displayed the value of marriage and its causal relationship to strong families constructed on that foundation. The possibility that a lawful husband would need to defend his right to shield a child he takes for his own from the biological father that participated in violating the marriage, lowers, rather than elevates, marriage. It is because of this I have voted no. These bills could have provided the relief and guidance necessary to deal with this ill without lowering marriage. A hedge around the marriage relationship, that recognizes its preeminence, should be restored and these bills tear it down more. My hope last session was that we would not finally pass that bill package and that we would make a real effort to address the problems of child support and unknown paternity while not damaging marriage. Unfortunately, we have simply continued the course, once again elevating our emotionally conditioned belief that biology is the most important determining factor to parenthood. I am confident our problems will only continue to grow as our moral foundation becomes less important than making provisions for the outcomes of careless behaviors that selfishly fail to consider the facts of conception naturally following its causal act. Thank you Mr. Speaker."
