Rep. Hugh D. Crawford, from the 38th District, offered the following invocation:

“We believe:

That faith in God gives meaning and purpose to human life;

That the brotherhood of man transcends the sovereignty of nations;

That economic justice can best be won by free men through free enterprise;

That government should be of laws rather than of men;

That earth’s great treasure lies in human personality;

And that service to humanity is the best work of life.”

Motions and Resolutions

The Speaker, on behalf of the entire membership of the House of Representatives, offered the following resolution:

House Resolution No. 477.

A resolution of tribute offered as a memorial for James E. Defebaugh, former member of the House of Representatives.

Whereas, Born in Chicago, James Defebaugh attended Harvard High School and earned his bachelor’s degree from Knox College. He later served our nation in the Army Air Force. Prior to his election to the House of Representatives, Jim was an advertising consultant with the Campbell Ewald agency in Detroit, working primarily on the Chevrolet and Proctor & Gamble accounts; and

Whereas, Jim’s public service career began when he chaired the Republican Party of Oakland County from 1968-70 and sat on the Oakland Community Health Services Board. Jim was elected to the Michigan House of Representatives in 1970 from the Sixty-fifth District, Birmingham and parts of Oakland County, and served 6 terms. During his tenure, he served as House Republican Whip and Assistant Floor Leader. He was also a member of the committees on Corporations and Finance, Elections, Retirement, House Policy, Mental Health (vice-chair), and Conservation, Environment, and Recreation; and

Rep. Stamas moved that the bill be given immediate effect.

The motion prevailed, 2/3 of the members serving voting therefor.

Rep. Poleski, having reserved the right to explain his protest against the passage of the bill, made the following statement:
“Mr. Speaker and members of the House:

The bill would adjust the amount of premium collected based upon income level. The Department is not collecting any premiums at present. To have a sliding scale premium based upon income implies a process of collecting and gathering income data from those who would pay premiums.

This sounds like a new bureaucratic process to calculate a premium the Department hasn't been collecting anyway, and for which the bill limits the revenue to be collected to \$3 million, a relatively small amount.

The bill doesn't make sense to me.

Thank you, Mr. Speaker, for this opportunity to explain my no vote on SB 961."
