Pastor Michael Bouchard, Family Pastor of Kensington Church in Troy, offered the following invocation:

“God, Father, The Source of life, truth, love, and all things great:
We come before You and humbly ask for a blessing to rest upon us; a blessing out of the overflow of You.
We ask for wisdom, for You vow to give wisdom to all who seek it.
 May wisdom meet us where we are, and guide our thoughts, our conversations, and our actions.
 True greatness is not found in our ability to be right, but in our ability to live rightly.
 So help us to be wise.
We ask for mercy, which is more dear to Your heart than any law.
 May mercy cover our mistakes as we all fall short, and may we bravely extend mercy to those who wrong us.
 True greatness is not found in our ability to judge, but in our ability to forgive and grant compassion.
 So help us to be merciful.
We ask for vision, for we know ours has limits.
 May we see through Your eyes, and notice the invisible among us.
 May we see the future as bright, and see all people, problems, and possibilities through the lens of love instead of fear.
 True greatness is not found in our ability to share our views, but in our ability to understand the views of another.
 So help us to see with Eyes that are not our own.
We ask for humility, as You’ve shown us the power of a servant leader.
 May we serve those around us and those in our care, to the best of our abilities.
 May we put others first, treating them the way we would wish to be treated.
 True greatness is not found in our ability to exert power over, but in our ability to lead through power under.
 So help us to lead humbly.
Finally, we ask for unity, for it is one of Your greatest desires.
 May we see our mosaic of upbringings, cultures, wirings, leanings, and drives as being our strength, and not our weakness.
 May we seek to find truth, peace, justice, and liberty – together.
 True greatness is not found in our sameness, but in our differences.
 So help us to work together as one, for the greater good.
We ask this blessing of You, the Greatest Good.
May we shine brightly and give hope to the world around us.
Amen.”

The Speaker Pro Tempore assumed the Chair.

Rep. Greig moved that Reps. Jones and Kivela be excused from today’s session.
The motion prevailed.

Motions and Resolutions

Reps. Hornberger, Brinks, Chirkun, Elder, Ellison, Faris, Geiss, Greig, Hoadley, Howrylak, Hughes, Kelly, Kesto, Lasinski, Leutheuser, Liberati, Marino, Maturen, Rendon, Sneller, Wittenberg, Yanez and Yaroch offered the following resolution:

House Resolution No. 80.

A resolution to declare May 2017 as Lyme Disease Awareness Month in the state of Michigan.

Whereas, The summer months call people to Michigan’s outdoors to camp, hike, and otherwise enjoy the beauty of our lush green forests. It is appropriate to remind residents to take proper precautions and follow safety rules when visiting our woodlands. In recent years, Lyme disease has been a health concern among outdoor enthusiasts. We urge Michigan residents to be aware of the prevention, early signs and symptoms, and treatment of Lyme disease; and

Whereas, Lyme disease is an illness caused by the painless bite of a tiny deer tick. Lyme disease can cause serious health problems involving the heart, joints, and nervous system in humans and animals. Prompt medical attention will minimize complications of this illness. Early symptoms are headaches, stiff muscles, painful joints, fever, nausea and fatigue. Usually within a few days to several weeks of being bitten by an infected tick, about 60% may develop a circular rash. However, if no rash is detected, early detection of the disease can be difficult because symptoms can mimic other illnesses, then disappear, only to reoccur as serious health problems which places the patient at high risk for misdiagnosis; and

Whereas, First recognized in children in 1975 in Lyme, Connecticut, this disease has been reported with increasing frequency throughout the United States. The Centers for Disease Control and Prevention (CDC) estimates 300,000 cases of Lyme disease occur nationally each year. It is imperative for the citizens of Michigan to be fully informed about Lyme disease and the serious health complications it can cause. We salute the Michigan Lyme Disease Association and the Michigan Department of Health and Human Services for their efforts in promoting the state's awareness, knowledge, prevention, and treatment of Lyme disease; now, therefore, be it

Resolved by the House of Representatives, That the members of this legislative body declare May 2017 as Lyme Disease Awareness Month in the state of Michigan.

The question being on the adoption of the resolution,

The resolution was adopted.

Reps. Miller, Kelly, Kosowski, Noble, Sheppard, Inman, Reilly, Howell, Cole, Cox, Chatfield, Victory, Lucido, Hauck, Hughes, Kahle, Brinks, Calley, Chirkun, Elder, Faris, Greig, Howrylak, Kesto, Leutheuser, Marino, Maturen, Rendon, Sneller, Theis and Yaroch offered the following resolution:

House Resolution No. 81.

A resolution to declare May 4, 2017, as Prayer Day in the state of Michigan .

Whereas, Times of prayer have been part of our country's heritage since they were first declared by the Continental Congress; and

Whereas, The 66th observance of the National Day of Prayer will be held May 4, 2017, as recognized by both houses of Congress and by President Donald J. Trump; and

Whereas, Leaders of our nation have relied upon prayer throughout American history; and

Whereas, The Constitution of the State of Michigan of 1963 states that the constitution was written in gratefulness to "Almighty God for the blessings of freedom"; and

Whereas, Each chamber in the Michigan Legislature begins each session with prayer; now, therefore, be it

Resolved by the House of Representatives, That the members of this legislative body declare May 4, 2017, as Prayer Day in the state of Michigan. We encourage the citizens of our nation to pray in his and her own manner, seeking God's blessings on our families and government officials for personal renewal, moral awakening, and a new spirit of harmony across our land; and be it further

Resolved, That we urge all Americans to join in observing this day with appropriate programs, ceremonies, and activities.

The question being on the adoption of the resolution,

The resolution was adopted.

House Resolution No. 82.

A resolution to declare May 2017 as Stroke Awareness Month in the state of Michigan.

Whereas, Stroke is one of the leading causes of death and serious long-term disability in the state of Michigan; and

Whereas, The federal government estimates show that more than \$34 billion is spent annually on strokes, including the cost of health care services, medications, and lost productivity; and

Whereas, Nearly 58 percent of Americans do not know if they are at risk for a stroke, and one in three Americans cannot name any of the signs or symptoms of a stroke; and

Whereas, The F.A.S.T. warning signs and symptoms of a stroke include face drooping, arm weakness, speech difficulty, and time to call 9-1-1. Additional stroke warning signs and symptoms include sudden numbness or weakness of the face, arm, or leg, especially on one side of the body, confusion, trouble speaking or difficulty understanding speech, trouble seeing in one or both eyes, trouble walking, dizziness, loss of balance or coordination, and severe headache with no known cause; and

Whereas, The American Heart Association urges people to lower their risk of heart disease and stroke by focusing on "Life's Simple 7" key health factors and behaviors: managing blood pressure, controlling cholesterol, reducing blood sugar, getting active, eating better, losing weight, and stopping smoking; and

Whereas, New and effective treatments have been developed to treat and minimize the severity and damaging effect of strokes, but much more research is needed; now, therefore, be it

Resolved by the House of Representatives, That the members of this legislative body declare May 2017 as Stroke Awareness Month in the state of Michigan. We urge increased public awareness of the risk factors, warning signs, and symptoms of stroke; and be it further

Resolved, That copies of this resolution be transmitted to the members of the Michigan congressional delegation, the Governor of Michigan, and the Secretary of the Michigan Senate.

Reps. Hernandez, Hornberger, Lauwers, Chatfield, Brinks, Chirkun, Ellison, Geiss, Greig, Hoadley, Howrylak, Hughes, Kelly, Kesto, Lasinski, Liberati, Marino, Maturen, Sheppard, Sneller, Yanez and Yaroch offered the following resolution:

House Resolution No. 83.

A resolution to encourage the state of Michigan and the province of Ontario to improve communications between their respective government entities in the event of environmental emergencies and perceived environmental threats.

Whereas, On February 23, 2017, large flames were observed at a facility located in the city of Sarnia, Ontario—located just across the St. Clair River from the city of Port Huron, Michigan—causing much concern from citizens in the St. Clair County area; and

Whereas, Lambton County, Ontario, and St. Clair County, Michigan, are located in very close proximity to each other and share a border on the St. Clair River, a critically important waterway for the economic viability of the area as well as the environmental quality of life for citizens on both sides of the international border; and

Whereas, The citizens of Michigan and Ontario rightfully expect their governments to communicate quickly in the event of an emergency or potential emergency situation; and

Whereas, The current notification procedures were agreed upon between Michigan and Ontario in 1988. Since then, technological advancements have made the speed of communication exponentially faster; and

Whereas, Timely notification to citizens and media outlets is vital to ensure panic is not caused when residents witness situations which appear dangerous; and

Whereas, In the past, governments on both sides of the border have been lacking in the timeliness and effectiveness of their communications with counterparts from the other side of the border; and

Whereas, This body recognizes the work done by the government of Sarnia to set up their Community Awareness Emergency Resource Hotline at 1-855-SARNIA, allowing residents in the 810 area code to sign up for free alerts as well as the My Community Notification Network; and

Whereas, This body recognizes the work done by the government of St. Clair County to set up their Warning Information Notification System; and

Whereas, In order to best serve citizens of both countries, Lambton and St. Clair counties—as well as the state of Michigan as a whole and the province of Ontario as a whole—must maintain a proper line of communication to ensure the quick dissemination of notice regarding potential environmental hazards; now, therefore, be it

Resolved by the House of Representatives, That we encourage local, state, and provincial emergency officials in the state of Michigan and the province of Ontario to work together to increase the efficiency of communications between our governments; and be it further

Resolved, That we are committed to working with local officials, as necessary, to improve and update the 1988 Ontario-Michigan Joint Notification Plan of Unanticipated or Accidental Discharges of Pollutants into Shared Waters of the Great Lakes and Interconnecting Channels; and be it further

Resolved, That copies of this resolution be transmitted to the Governor of Michigan, the Premier of Ontario, the Ontario Minister of the Environment and Climate Change, the Clerk of the Ontario Legislative Assembly, and the Sarnia-Lambton Member of the Provincial Parliament.

The question being on the adoption of the resolution,

The resolution was adopted.

Reps. Kahle, Brinks, Chang, Chirkun, Clemente, Elder, Ellison, Faris, Geiss, Greig, Hoadley, Hughes, Kesto, Lasinski, Liberati, Maturen, Moss, Rendon, Schor, Sneller, Wittenberg, Yanez and Yaroch offered the following resolution:

House Resolution No. 84.

A resolution to declare May 4, 2017, as Anti-Bullying Day in the state of Michigan.

Whereas, In 2012, the United Nations, in an effort to raise public awareness and confront the act of bullying in all forms and stand in support of anti-bullying campaigns worldwide, established and declared May 4 as Anti-Bullying Day; and

Whereas, Bullying in schools and beyond school walls has pervaded students' lives and negatively impacted the climate in which they are guaranteed the right to learn freely and without fear, impacting both students who bully and those who are bullied adversely; and

Whereas, All Michigan citizens are in some way affected by this widespread issue and should collaborate to address the problem early and authoritatively; and

Whereas, Bullying, according to the Matt Epling Safe School Law, means any written, verbal, or physical act, or any electronic communication, including, but not limited to, cyberbullying, that is intended or that a reasonable person would know is likely to harm 1 or more pupils either directly or indirectly. It does one or more of the following: (i) Substantially interfering with educational opportunities, benefits, or programs of 1 or more pupils. (ii) Adversely affecting the ability of a pupil to participate in or benefit from the school district's or public school's educational programs or activities by placing the pupil in reasonable fear of physical harm or by causing substantial emotional distress. (iii) Having an actual and substantial detrimental effect on a pupil's physical or mental health. (iv) Causing substantial disruption in, or substantial interference with, the orderly operation of the school; and

Whereas, Whether such bullying behavior is direct or indirect, the physical and psychological intimidation that occurs repeatedly often creates an ongoing pattern of harassment and abuse for the victim; and

Whereas, The far-reaching effects of bullying upon students cause severe, and in some cases, lifelong problems, inciting fear and hopelessness into students' lives and increasing considerations of self-harm and suicide; and

Whereas, Victims of bullying are more likely to avoid attending school, struggle in their schoolwork, and drop out before graduation, often leaving psychological impact that carries into adulthood in the forms of anxiety and depression; and

Whereas, Cyber-bullying has increased rapidly, only enhancing pain and trauma for students, while spreading the reach of bullying into a multitude of social spheres and online mediums; and

Whereas, Victimized children are commonly expected to confront their abusers on their own and often feel that they have no way to defend themselves; and

Whereas, Confrontation and advocacy from authority figures such as parents, teachers, and administrators provides a resource for victims and a safe haven for vulnerability and progress both in squelching the bullying and strengthening the bullied; and

Whereas, Those who engage in bullying behavior are at increased risk for academic problems, substance use, and violent behavior later in adolescence and adulthood; and

Whereas, Every Michigan school district must adopt a local policy prohibiting bullying and harassment at school, according to Public Act 241 of 2011, also known as Matt Epling Safe School Law; and

Whereas, A stand against bullying, informing the general public about the risks and cost of bullying for both the bully and the target, as well as those who witness bullying, should aid in bringing awareness and taking preventative action to affect societal attitudes toward bullying and bullying's prevalence in society; now, therefore, be it

Resolved by the House of Representatives, That the members of this legislative body declare May 4, 2017, as Anti-Bullying Day in the state of Michigan.

The question being on the adoption of the resolution,

The resolution was adopted.

Reps. Ellison, Hoadley, Sneller, Love, Lucido, Clemente, Sowerby, Faris, Moss, Frederick, Sabo, Byrd, Scott, Yanez, Brinks, Singh, Greig, Tedder, Noble, Rendon, Wittenberg, Cochran, Chang, Chirkun, Elder, Geiss, Howrylak, Hughes, Kelly, Kesto, Lasinski, Liberati, Marino, Maturen, Pagan, Schor and Yaroch offered the following resolution:

House Resolution No. 85.

A resolution to declare May 2017 as Cystic Fibrosis Awareness Month in the state of Michigan.

Whereas, Cystic fibrosis (CF) is a genetic disease affecting approximately 30,000 children and adults in the United States; and

Whereas, A defective gene causes the body to produce an abnormally thick, sticky mucus that clogs the lungs. These secretions produce life-threatening lung infections and obstruct the pancreas, preventing digestive enzymes from reaching the intestines to help break down and absorb food; and

Whereas, More than 10 million American are symptomless carriers of the defective cystic fibrosis gene. The disease occurs in approximately one out of every 3,500 live births in the United States; and

Whereas, There are close to 1,200 children living in Michigan with the disease; and

Whereas, The median age of survival for a person with cystic fibrosis is 41.1 years; and

Whereas, Infant blood screening to detect genetic defects is the most reliable and least costly method to identify persons likely to have CF; and

Whereas, Early diagnosis of cystic fibrosis permits early treatment and enhances quality of life and longevity. The treatment of CF depends on the stage of the disease and the organs involved; and

Whereas, A critical component of treating patients with cystic fibrosis includes access to innovative treatments, which can play a critical role in the lives of patients; and

Whereas, Michigan has a Cystic Fibrosis chapter in the Detroit area dedicated to raising awareness about cystic fibrosis and providing support to those with the disease; and

Whereas, Michigan based non-profit advocacy groups such as the Rock CF Foundation, Bonnell Foundation, Hunt for a Cure, and the Cystic Fibrosis Foundation help raise awareness of cystic fibrosis and provide support to those with the disease; and

Whereas, Michigan also has eight cystic fibrosis care centers: Children’s Hospital of Michigan, Wayne State University Harper University Hospital, Helen DeVos Women and Children’s Center, Spectrum Health Adult Cystic Fibrosis Care Center, Michigan State University Pediatric, University of Michigan Pediatric and Adult, Hurley Children’s Clinic at Mott Children’s Health Center, and Western Michigan University School of Medicine Clinics. Toledo, Ohio is also home to the Toledo Children’s Hospital and Northwest Ohio Cystic Fibrosis Center which serve Michigan patients as well; and

Whereas, During the month of May, Cystic Fibrosis chapters and volunteers will come together throughout the state of Michigan to raise awareness about the disease to achieve their mission of curing and providing support and treatment to those with cystic fibrosis; now, therefore, be it

Resolved by the House of Representatives, That the members of this legislative body declare May 2017 as Cystic Fibrosis Awareness Month in the state of Michigan.
