Resolutions

Senator Kowall moved that consideration of the following resolutions be postponed for today:

Senate Concurrent Resolution No. 10

Senate Resolution No. 30

Senate Resolution No. 105

The motion prevailed.

Senators Knezek, Ananich, Hood, Bieda, Hopgood, Gregory, Hertel, Johnson, Conyers and Warren offered the following resolution:

Senate Resolution No. 108.

A resolution to urge the Congress of the United States to reauthorize and fully fund the Children's Health Insurance Program.

Whereas, The Children's Health Insurance Program (CHIP) provides health care coverage for children in low- and moderate-income families. For two decades, this state-federal partnership has contributed to improving children's health, school performance, and potential for success in life; and

Whereas, First enacted into law in 1997, CHIP was created with the goal to provide a comprehensive health insurance option designed specifically for children. With bipartisan support, this program has been continually reauthorized and funded by Congress; and

Whereas, On September 30, 2017, funding for CHIP expired, placing in jeopardy the health care of almost 9 million children. While CHIP is currently authorized through 2019, funding for the program must be renewed; and

Whereas, Congressional action to restore CHIP funding is vital to continue to provide the health care coverage needed by millions of children. In Michigan, the program covers at least 120,000 children and has assisted in providing vital health care for families in Flint, Michigan. If Congress does not act, the future health and lives of children will face uncertainty as states exhaust remaining funding and are forced to weigh the difficult decision of whether to discontinue the program or shift state funds from other important areas; now, therefore, be it

Resolved by the Senate, That we urge the Congress of the United States to reauthorize and fully fund the Children's Health Insurance Program; and be it further

Resolved, That copies of this resolution be transmitted to the President of the United States Senate, the Speaker of the United States House of Representatives, and the members of the Michigan congressional delegation.

Pending the order that, under rule 3.204, the resolution be referred to the Committee on Government Operations, Senator Kowall moved that the rule be suspended.

The motion prevailed, a majority of the members serving voting therefor.

The question being on the adoption of the resolution,

Senator Kowall moved that the resolution be referred to the Committee on Insurance.

The motion prevailed.

Senator Schuitmaker was named co-sponsor of the resolution.

Senators Warren, Hopgood, Conyers, Bieda, Gregory, Ananich, Knezek, Hood, Hansen, Proos, Nofs and Meekhof offered the following concurrent resolution:

Senate Concurrent Resolution No. 27.

A concurrent resolution to encourage the Michigan Department of Natural Resources to establish a Water Trails Grant Program to support Michigan's water trails.

Whereas, Paddling Michigan's waterways for recreation and other purposes has been a part of Michigan's long history. Paddlesports are one of the fastest-growing outdoor activities in the nation, contributing more than \$140 million to Michigan's economy; and

Whereas, Michigan has over 4,700 miles of water trails, traversing some of Michigan's most remote and natural environments as well as some of the state's most industrial and urban environments. These water trails exist along Michigan's Great Lakes coastline, connecting to water trails in other states and provinces throughout the Great Lakes basin. Water trails help support and promote environmental awareness and stewardship of Michigan's waterways and water quality; and

Whereas, A formal state water trail and designation program would complement existing water trails and help solidify best practices and standards for future water trail development. A competitive criteria-based grant program under the auspices of a formal state water trail program would provide much needed support and resources for planning efforts, capital improvement projects, marketing materials, and water safety programs for water trails. Such a program could provide, with available funding, a competitive and score-based grant fund to support capital improvements, including signage, kayak racks, restrooms, accessible launches, picnic areas, pavilions, boat washing stations, portages, trash containers, promotional materials, and water safety and marine patrol programs along water trails regardless of their state or federal designation. In addition, the program could support the michiganwatertrails.org website; now, therefore, be it

Resolved by the Senate (the House of Representatives concurring), That we encourage the Michigan Department of Natural Resources to establish a Water Trails Grant Program to support Michigan's water trails; and be it further

Resolved, That copies of this resolution be transmitted to the Director of the Michigan Department of Natural Resources and the members of the Natural Resources Commission.

Pending the order that, under rule 3.204, the concurrent resolution be referred to the Committee on Government Operations, Senator Kowall moved that the rule be suspended.

The motion prevailed, a majority of the members serving voting therefor.

The question being on the adoption of the concurrent resolution,

Senator Kowall moved that the concurrent resolution be referred to the Committee on Outdoor Recreation and Tourism.

The motion prevailed.
