Notwithstanding any other provision in this act, an insurer that has issued an automobile insurance policy on a motor vehicle that is not driven or moved on a highway may allow the insured owner or registrant of the motor vehicle to delete a portion of the coverages under the policy and maintain the comprehensive coverage portion of the policy in effect.

(3) Security required by subsection (1) may be provided under a policy issued by an authorized insurer that affords insurance for the payment of benefits described in subsection (1). A policy of insurance represented or sold as providing security is considered to provide insurance for the payment of the benefits.

(4) Security required by subsection (1) may be provided by any other method approved by the secretary of state as affording security equivalent to that afforded by a policy of insurance, if proof of the security is filed and continuously maintained with the secretary of state throughout the period the motor vehicle is driven or moved on a highway. The person filing the security has all the obligations and rights of an insurer under this chapter. When the context permits, "insurer" as used in this chapter, includes a person that files the security as provided in this section.

(5) An insurer that issues a policy that provides the security required under subsection (1) may exclude coverage under the policy as provided in section 3017.

500.3101a Providing certificate of insurance to secretary of state; vehicle identification number as proof of vehicle insurance; confidentiality of policy information; prohibited acts; misdemeanor; penalty; report; "automobile insurance" and "private passenger nonfleet automobile" defined.

Sec. 3101a.

(1) An insurer, in conjunction with the issuance of an automobile insurance policy, shall provide to the insured 1 certificate of insurance for each insured vehicle and for private passenger nonfleet automobiles listed on the policy shall supply to the secretary of state the automobile insurer's name, the name of the named

insured, the named insured's address, the vehicle identification number for each vehicle listed on the policy, and the policy number. The insurer shall transmit the information required under this subsection in a format as required by the secretary of state. The secretary of state shall not require the information to be transmitted more frequently than every 14 days.

(2) The secretary of state shall provide policy information received under subsection (1) to the department of health and human services as required for the department of health and human services to comply with 2006 PA 593, MCL 550.281 to 550.289.

(3) The secretary of state shall accept as proof of vehicle insurance a transmission of the insured vehicle's vehicle identification number. Policy information submitted by an insurer and received by the secretary of state under this section is confidential, is not subject to the freedom of information act, 1976 PA 442, MCL 15.231 to 15.246, and shall not be disclosed to any person except the department of health and human services for purposes of 2006 PA 593, MCL 550.281 to 550.289, or pursuant to an order by a court of competent jurisdiction in connection with a claim or fraud investigation or prosecution. The transmission to the secretary of state of a vehicle identification number is proof of insurance to the secretary of state for motor vehicle registration purposes only and is not evidence that a policy of insurance actually exists between an insurer and an individual.

(4) A person who supplies false information to the secretary of state under this section or who issues or uses an altered, fraudulent, or counterfeit certificate of insurance is guilty of a misdemeanor punishable by imprisonment for not more than 1 year or a fine of not more than \$1,000.00, or both.

(5) The department of health and human services shall report to the senate and house of representatives appropriations committees and standing committees concerning insurance issues on the number of claims and total dollar amount recovered from automobile insurers under 2006 PA 593, MCL 550.281 to 550.289. The reports required by this subsection must be given to the appropriations committees and standing committees concerning insurance issues by December 30 of each year and must cover the preceding 12-month period.

(6) As used in this section:

(a) "Automobile insurance" means that term as defined in section 3303.

(b) "Private passenger nonfleet automobile" means that term as defined in section 3303.

security; rebuttable presumption.

Sec. 3102. (1) A nonresident owner or registrant of a motor vehicle or motorcycle not registered in this state shall not operate or permit the motor vehicle or motorcycle to be operated in this state for an aggregate of more than 30 days in any calendar year unless he or she continuously maintains security for the payment of benefits pursuant to this chapter.

(2) An owner or registrant of a motor vehicle or motorcycle with respect to which security is required, who operates the motor vehicle or motorcycle or permits it to be operated upon a public highway in this state, without having in full force and effect security complying with this section or section 3101 or 3103 is guilty of a misdemeanor. A person who operates a motor vehicle or motorcycle upon a public highway in this state with the knowledge that the owner or registrant does not have security in full force and effect is guilty of a misdemeanor. A person convicted of a misdemeanor under this section shall be fined not less than \$200.00 nor more than \$500.00, imprisoned for not more than 1 year, or both.

(1) An owner or registrant of a motorcycle shall provide security against loss resulting from liability imposed by law for property damage, bodily injury, or death suffered by a person arising out of the ownership, maintenance, or use of that motorcycle. The security shall conform with the requirements of section 3009(1).

(2) Each insurer transacting insurance in this state which affords coverage for a motorcycle as described in subsection (1) also shall offer, to an owner or registrant of a motorcycle, security for the payment of first-party medical benefits only, in increments of \$5,000.00, payable in the event the owner or registrant is involved in a motorcycle accident. An insurer providing first-party medical benefits may offer, at appropriate premium rates, deductibles, provisions for the coordination of these benefits, and provisions for the subtraction of other benefits provided or required to be provided under the laws of any state or the federal government, subject to the prior approval of the commissioner. Act 218 of 1956

500.3104 Catastrophic claims association.

Sec. 3104. (1) An unincorporated, nonprofit association to be known as the catastrophic claims association, hereinafter referred to as the association, is created. Each insurer engaged in writing insurance coverages that provide the security required by section 3101(1) within this state, as a condition of its authority to transact insurance in this state, shall be a member of the association and shall be bound by the plan of operation of the association. Each insurer engaged in writing insurance coverages that provide the security required by section

3103(1) within this state, as a condition of its authority to transact insurance in this state, shall be considered a member of the association, but only for purposes of premiums under subsection (7)(d). Except as expressly provided in this section, the association is not subject to any laws of this state with respect to insurers, but in all other respects the association is subject to the laws of this state to the extent that the association would be if it were an insurer organized and subsisting under chapter 50.

(2) The association shall provide and each member shall accept indemnification for 100% of the amount of ultimate loss sustained under personal protection insurance coverages in excess of the following amounts in each loss occurrence:

(a) For a motor vehicle accident policy issued or renewed before July 1, 2002, \$250,000.00.

(b) For a motor vehicle accident policy issued or renewed during the period July 1, 2002 to June 30, 2003, \$300,000.00.

(c) For a motor vehicle accident policy issued or renewed during the period July 1, 2003 to June 30, 2004, \$325,000.00.

(e) For a motor vehicle accident policy issued or renewed during the period July 1, 2005 to June 30, 2006, \$375,000.00.

(f) For a motor vehicle accident policy issued or renewed during the period July 1, 2006 to June 30, 2007, \$400,000.00.

(g) For a motor vehicle accident policy issued or renewed during the period July 1, 2007 to June 30, 2008, \$420,000.00.

(h) For a motor vehicle accident policy issued or renewed during the period July 1, 2008 to June 30, 2009, \$440,000.00.

(i) For a motor vehicle accident policy issued or renewed during the period July 1, 2009 to June 30, 2010, \$460,000.00.

(j) For a motor vehicle accident policy issued or renewed during the period July 1, 2010 to June 30, 2011, \$480,000.00.

(k) For a motor vehicle accident policy issued or renewed during the period July 1, 2011 to June 30, 2013, \$500,000.00. Beginning July 1, 2013, this \$500,000.00 amount shall be increased biennially on July 1 of each odd-numbered year, for policies issued or renewed before July 1 of the following odd-numbered year, by the lesser of 6% or the consumer price index, and rounded to the nearest \$5,000.00. This biennial adjustment shall be calculated by the association by January 1 of the year of its July 1 effective date.

(3) An insurer may withdraw from the association only upon ceasing to write insurance that provides the security required by section 3101(1) in this state.

(4) An insurer whose membership in the association has been terminated by withdrawal shall continue to be bound by the plan of operation, and upon withdrawal, all unpaid premiums that have been charged to the withdrawing member are payable as of the effective date of the withdrawal.

(5) An unsatisfied net liability to the association of an insolvent member shall be assumed by and apportioned among the remaining members of the association as provided in the plan of operation. The association has all rights allowed by law on behalf of the remaining members against the estate or funds of the insolvent member for sums due the association.

(6) If a member has been merged or consolidated into another insurer or another insurer has reinsured a member's entire business that provides the security required by section 3101(1) in this state, the member and successors in interest of the member remain liable for the member's obligations.

(7) The association shall do all of the following on behalf of the members of the association:

(a) Assume 100% of all liability as provided in subsection (2).

(b) Establish procedures by which members shall promptly report to the association each claim that, on the basis of the injuries or damages sustained, may reasonably be anticipated to involve the association if the member is ultimately held legally liable for the injuries or damages. Solely for the purpose of reporting claims, the member shall in all instances consider itself legally liable for the injuries or damages. The member shall also advise the association of subsequent developments likely to materially affect the interest of the association in the claim.

(c) Maintain relevant loss and expense data relative to all liabilities of the association and require each member to furnish statistics, in connection with liabilities of the association, at the times and in the form and detail as may be required by the plan of operation.

(d) In a manner provided for in the plan of operation, calculate and charge to members of the association a total premium sufficient to cover the expected losses and expenses of the association that the association will likely incur during the period for which the premium is applicable. The premium shall include an amount to

cover incurred but not reported losses for the period and may be adjusted for any excess or deficient premiums from previous periods. Excesses or deficiencies from previous periods may be fully adjusted in a single period or may be adjusted over several periods in a manner provided for in the plan of operation. Each member shall be charged an amount equal to that member's total written car years of insurance providing the security required by section 3101(1) or 3103(1), or both, written in this state during the period to which the premium applies, multiplied by the average premium per car. The average premium per car shall be the total premium calculated divided by the total written car years of insurance providing the security required by section 3101(1) or 3103(1) written in this state of all members during the period to which the premium applies. A member shall be charged a premium for a historic vehicle that is insured with the member of 20% of the premium charged for a car insured with the member. As used in this subdivision:

(i) "Car" includes a motorcycle but does not include a historic vehicle.

(ii) "Historic vehicle" means a vehicle that is a registered historic vehicle under section 803a or 803p of the Michigan vehicle code, 1949 PA 300, MCL 257.803a and 257.803p.

(e) Require and accept the payment of premiums from members of the association as provided for in the plan of operation. The association shall do either of the following:

(i) Require payment of the premium in full within 45 days after the premium charge.

(ii) Require payment of the premiums to be made periodically to cover the actual cash obligations of the association.

(f) Receive and distribute all sums required by the operation of the association.

(g) Establish procedures for reviewing claims procedures and practices of members of the association. If the claims procedures or practices of a member are considered inadequate to properly service the liabilities of the association, the association may undertake or may contract with another person, including another member, to adjust or assist in the adjustment of claims for the member on claims that create a potential liability to the association and may charge the cost of the adjustment to the member.

(8) In addition to other powers granted to it by this section, the association may do all of the following:

(a) Sue and be sued in the name of the association. A judgment against the association shall not create any direct liability against the individual members of the association. The association may provide for the indemnification of its members, members of the board of directors of the association, and officers, employees, and other persons lawfully acting on behalf of the association.

(b) Reinsure all or any portion of its potential liability with reinsurers licensed to transact insurance in this state or approved by the commissioner.

(c) Provide for appropriate housing, equipment, and personnel as may be necessary to assure the efficient operation of the association.

(d) Pursuant to the plan of operation, adopt reasonable rules for the administration of the association, enforce those rules, and delegate authority, as the board considers necessary to assure the proper administration and operation of the association consistent with the plan of operation.

(e) Contract for goods and services, including independent claims management, actuarial, investment, and legal services, from others within or without this state to assure the efficient operation of the association.

(f) Hear and determine complaints of a company or other interested party concerning the operation of the association.

(g) Perform other acts not specifically enumerated in this section that are necessary or proper to accomplish the purposes of the association and that are not inconsistent with this section or the plan of operation.

(9) A board of directors is created, hereinafter referred to as the board, which shall be responsible for the operation of the association consistent with the plan of operation and this section.

(10) The plan of operation shall provide for all of the following:

(a) The establishment of necessary facilities.

(b) The management and operation of the association.

(c) Procedures to be utilized in charging premiums, including adjustments from excess or deficient premiums from prior periods.

(d) Procedures governing the actual payment of premiums to the association.

(e) Reimbursement of each member of the board by the association for actual and necessary expenses incurred on association business.

(f) The investment policy of the association.

(g) Any other matters required by or necessary to effectively implement this section.

(11) Each board shall include members that would contribute a total of not less than 40% of the total premium calculated pursuant to subsection (7)(d). Each director shall be entitled to 1 vote. The initial term of office of a director shall be 2 years.

(12) As part of the plan of operation, the board shall adopt rules providing for the composition and term of successor boards to the initial board, consistent with the membership composition requirements in subsections (11) and (13). Terms of the directors shall be staggered so that the terms of all the directors do not expire at the same time and so that a director does not serve a term of more than 4 years.

(13) The board shall consist of 5 directors, and the commissioner shall be an ex officio member of the board without vote.

(14) Each director shall be appointed by the commissioner and shall serve until that member's successor is selected and qualified. The chairperson of the board shall be elected by the board. A vacancy on the board shall be filled by the commissioner consistent with the plan of operation.

(15) After the board is appointed, the board shall meet as often as the chairperson, the commissioner, or the plan of operation shall require, or at the request of any 3 members of the board. The chairperson shall retain the right to vote on all issues. Four members of the board constitute a quorum.

(16) An annual report of the operations of the association in a form and detail as may be determined by the board shall be furnished to each member.

(17) Not more than 60 days after the initial organizational meeting of the board, the board shall submit to the commissioner for approval a proposed plan of operation consistent with the objectives and provisions of this section, which shall provide for the economical, fair, and nondiscriminatory administration of the association and for the prompt and efficient provision of indemnity. If a plan is not submitted within this 60-day period, then the commissioner, after consultation with the board, shall formulate and place into effect a plan consistent with this section.

(18) The plan of operation, unless approved sooner in writing, shall be considered to meet the requirements of this section if it is not disapproved by written order of the commissioner within 30 days after the date of its submission. Before disapproval of all or any part of the proposed plan of operation, the commissioner shall notify the board in what respect the plan of operation fails to meet the requirements and objectives of this section. If the board fails to submit a revised plan of operation that meets the requirements and objectives of this section within the 30-day period, the commissioner shall enter an order accordingly and shall immediately formulate and place into effect a plan consistent with the requirements and objectives of this section.

(19) The proposed plan of operation or amendments to the plan of operation are subject to majority approval by the board, ratified by a majority of the membership having a vote, with voting rights being apportioned according to the premiums charged in subsection (7)(d) and are subject to approval by the commissioner.

(20) Upon approval by the commissioner and ratification by the members of the plan submitted, or upon the promulgation of a plan by the commissioner, each insurer authorized to write insurance providing the security required by section 3101(1) in this state, as provided in this section, is bound by and shall formally subscribe to and participate in the plan approved as a condition of maintaining its authority to transact insurance in this state.

(21) The association is subject to all the reporting, loss reserve, and investment requirements of the commissioner to the same extent as would a member of the association.

(22) Premiums charged members by the association shall be recognized in the rate-making procedures for insurance rates in the same manner that expenses and premium taxes are recognized.

(23) The commissioner or an authorized representative of the commissioner may visit the association at any time and examine any and all the association's affairs.

(a) The vehicle was parked in such a way as to cause unreasonable risk of the bodily injury which occurred.

(b) Except as provided in subsection (2), the injury was a direct result of physical contact with equipment permanently mounted on the vehicle, while the equipment was being operated or used, or property being lifted onto or lowered from the vehicle in the loading or unloading process.

500.3107 Expenses and work loss for which personal protection benefits payable.

Sec. 3107. (1) Except as provided in subsection (2), personal protection insurance benefits are payable for the following:

(a) Allowable expenses consisting of all reasonable charges incurred for reasonably necessary products, services and accommodations for an injured person's care, recovery, or rehabilitation. Allowable expenses within personal protection insurance coverage shall not include either of the following:

(i) Charges for a hospital room in excess of a reasonable and customary charge for semiprivate accommodations except if the injured person requires special or intensive care.

(ii) Funeral and burial expenses in excess of the amount set forth in the policy which shall not be less than \$1,750.00 or more than \$5,000.00.

(b) Work loss consisting of loss of income from work an injured person would have performed during the first 3 years after the date of the accident if he or she had not been injured. Work loss does not include any loss after the date on which the injured person dies. Because the benefits received from personal protection insurance for loss of income are not taxable income, the benefits payable for such loss of income shall be reduced 15% unless the claimant presents to the insurer in support of his or her claim reasonable proof of a lower value of the income tax advantage in his or her case, in which case the lower value shall apply. For the period beginning October 1, 2012 through September 30, 2013, the benefits payable for work loss sustained in a single 30-day period and the income earned by an injured person for work during the same period together shall not exceed \$5,189.00, which maximum shall apply pro rata to any lesser period of work loss. Beginning October 1, 2013, the maximum shall be adjusted annually to reflect changes in the cost of living under rules prescribed by the commissioner but any change in the maximum shall apply only to benefits arising out of accidents occurring subsequent to the date of change in the maximum.

(c) Expenses not exceeding \$20.00 per day, reasonably incurred in obtaining ordinary and necessary services in lieu of those that, if he or she had not been injured, an injured person would have performed during the first 3 years after the date of the accident, not for income but for the benefit of himself or herself or of his or her dependent.

(2) Both of the following apply to personal protection insurance benefits payable under subsection (1):

(a) A person who is 60 years of age or older and in the event of an accidental bodily injury would not be eligible to receive work loss benefits under subsection (1)(b) may waive coverage for work loss benefits by signing a waiver on a form provided by the insurer. An insurer shall offer a reduced premium rate to a person who waives coverage under this subsection for work loss benefits. Waiver of coverage for work loss benefits applies only to work loss benefits payable to the person or persons who have signed the waiver form.

(b) An insurer shall not be required to provide coverage for the medical use of marihuana or for expenses related to the medical use of marihuana.

500.3116 Value of claim in tort; subtraction from or reimbursement for benefits.

Sec. 3116. (1) A subtraction from personal protection insurance benefits shall not be made because of the value of a claim in tort based on the same accidental bodily injury.

(2) A subtraction from or reimbursement for personal protection insurance benefits paid or payable under this chapter shall be made only if recovery is realized upon a tort claim arising from an accident occurring outside this state, a tort claim brought within this state against the owner or operator of a motor vehicle with respect to which the security required by section 3101 (3) and (4) was not in effect, or a tort claim brought within this state based on intentionally caused harm to persons or property, and shall be made only to the extent that the recovery realized by the claimant is for damages for which the claimant has received or would otherwise be entitled to receive personal protection insurance benefits. A subtraction shall be made only to the extent of the recovery, exclusive of reasonable attorneys' fees and other reasonable expenses incurred in effecting the recovery. If personal protection insurance benefits have already been received, the claimant shall repay to the insurers out of the recovery a sum equal to the benefits received, but not more than the recovery exclusive of reasonable attorneys' fees and other reasonable expenses incurred in effecting the recovery. The insurer shall have a lien on the recovery to this extent. A recovery by an injured person or his or her estate for loss suffered by the person shall not be subtracted in calculating benefits due a dependent after the death and a recovery by a dependent for loss suffered by the dependent after the death shall not be subtracted in calculating benefits due the injured person.

(3) A personal protection insurer with a right of reimbursement under subsection (1), if suffering loss from inability to collect reimbursement out of a payment received by a claimant upon a tort claim is entitled to

indemnity from a person who, with notice of the insurer's interest, made the payment to the claimant without making the claimant and the insurer joint payees as their interests may appear or without obtaining the insurer's consent to a different method of payment.

(4) A subtraction or reimbursement shall not be due the claimant's insurer from that portion of any recovery to the extent that recovery is realized for noneconomic loss as provided in section 3135(1) and (2)(b) or for allowable expenses, work loss, and survivor's loss as defined in sections 3107 to 3110 in excess of the amount recovered by the claimant from his or her insurer.

500.3121 Liability for accidental damage to tangible property.

Sec. 3121. (1) Under property protection insurance an insurer is liable to pay benefits for accidental damage to tangible property arising out of the ownership, operation, maintenance, or use of a motor vehicle as a motor vehicle subject to the provisions of this section and sections 3123, 3125, and 3127. However, accidental damage to tangible property does not include accidental damage to tangible property, other than the insured motor vehicle, that occurs within the course of a business of repairing, servicing, or otherwise maintaining motor vehicles.

(2) Property protection insurance benefits are due under the conditions stated in this chapter without regard to fault.

(3) Damage to tangible property consists of physical injury to or destruction of the property and loss of use of the property so injured or destroyed.

(4) Damage to tangible property is accidental, as to a person claiming property protection insurance benefits, unless it is suffered or caused intentionally by the claimant. Even though a person knows that damage to tangible property is substantially certain to be caused by his or her act or omission, he or she does not cause or suffer such damage intentionally if he or she acts or refrains from acting for the purpose of averting injury to any person, including himself or herself, or for the purpose of averting damage to tangible property.

(5) Property protection insurance benefits consist of the lesser of reasonable repair costs or replacement costs less depreciation and, if applicable, the value of loss of use. However, property protection insurance benefits paid under 1 policy for damage to all tangible property arising from 1 accident shall not exceed \$1,000,000.00.

500.3135 Tort liability for noneconomic loss; "serious impairment of body function" defined.

Sec. 3135. (1) A person remains subject to tort liability for noneconomic loss caused by his or her ownership, maintenance, or use of a motor vehicle only if the injured person has suffered death, serious impairment of body function, or permanent serious disfigurement.

(2) For a cause of action for damages pursuant to subsection (1) filed on or after July 26, 1996, all of the following apply:

(a) The issues of whether the injured person has suffered serious impairment of body function or permanent serious disfigurement are questions of law for the court if the court finds either of the following:

(i) There is no factual dispute concerning the nature and extent of the person's injuries.

(ii) There is a factual dispute concerning the nature and extent of the person's injuries, but the dispute is not material to the determination whether the person has suffered a serious impairment of body function or permanent serious disfigurement. However, for a closed-head injury, a question of fact for the jury is created if a licensed allopathic or osteopathic physician who regularly diagnoses or treats closed-head injuries testifies under oath that there may be a serious neurological injury.

(b) Damages shall be assessed on the basis of comparative fault, except that damages shall not be assessed in favor of a party who is more than 50% at fault.

(c) Damages shall not be assessed in favor of a party who was operating his or her own vehicle at the time the injury occurred and did not have in effect for that motor vehicle the security required by section 3101 at the time the injury occurred.

(3) Notwithstanding any other provision of law, tort liability arising from the ownership, maintenance, or use within this state of a motor vehicle with respect to which the security required by section 3101 was in effect is abolished except as to:

(a) Intentionally caused harm to persons or property. Even though a person knows that harm to persons or property is substantially certain to be caused by his or her act or omission, the person does not cause or suffer that harm intentionally if he or she acts or refrains from acting for the purpose of averting injury to any person, including himself or herself, or for the purpose of averting damage to tangible property.

(b) Damages for noneconomic loss as provided and limited in subsections (1) and (2).

(c) Damages for allowable expenses, work loss, and survivor's loss as defined in sections 3107 to 3110 in excess of the daily, monthly, and 3-year limitations contained in those sections. The party liable for damages is entitled to an exemption reducing his or her liability by the amount of taxes that would have been payable on account of income the injured person would have received if he or she had not been injured.

(d) Damages for economic loss by a nonresident in excess of the personal protection insurance benefits provided under section 3163(4). Damages under this subdivision are not recoverable to the extent that benefits covering the same loss are available from other sources, regardless of the nature or number of benefit sources available and regardless of the nature or form of the benefits.

(e) Damages up to \$1,000.00 to a motor vehicle, to the extent that the damages are not covered by insurance. An action for damages under this subdivision shall be conducted as provided in subsection (4).

(4) All of the following apply to an action for damages under subsection (3)(e):

(a) Damages shall be assessed on the basis of comparative fault, except that damages shall not be assessed in favor of a party who is more than 50% at fault.

(b) Liability is not a component of residual liability, as prescribed in section 3131, for which maintenance of security is required by this act.

(c) The action shall be commenced, whenever legally possible, in the small claims division of the district court or the municipal court. If the defendant or plaintiff removes the action to a higher court and does not prevail, the judge may assess costs.

(d) A decision of the court is not res judicata in any proceeding to determine any other liability arising from the same circumstances that gave rise to the action.

(e) Damages shall not be assessed if the damaged motor vehicle was being operated at the time of the damage without the security required by section 3101.

(5) As used in this section, "serious impairment of body function" means an objectively manifested impairment of an important body function that affects the person's general ability to lead his or her normal life.

Act 218 of 1956

500.3172 Conditions to obtaining personal protection insurance benefits through assigned claims plan; collection of unpaid benefits; reimbursement from defaulting insurers; reduction of benefits; applicability of subsection (2); definitions; effect of dispute between insurers.

Sec. 3172. (1) A person entitled to claim because of accidental bodily injury arising out of the ownership, operation, maintenance, or use of a motor vehicle as a motor vehicle in this state may obtain personal protection insurance benefits through the assigned claims plan if no personal protection insurance is applicable to the injury, no personal protection insurance applicable to the injury can be identified, the personal protection insurance applicable to the injury cannot be ascertained because of a dispute between 2 or more automobile insurers concerning their obligation to provide coverage or the equitable distribution of the loss, or the only identifiable personal protection insurance applicable to the injury is, because of financial inability of 1 or more insurers to fulfill their obligations, inadequate to provide benefits up to the maximum prescribed. In that case, unpaid benefits due or coming due may be collected under the assigned claims plan and the insurer to which the claim is assigned is entitled to reimbursement from the defaulting insurers to the extent of their financial responsibility.

(2) Except as otherwise provided in this subsection, personal protection insurance benefits, including benefits arising from accidents occurring before March 29, 1985, payable through the assigned claims plan shall be reduced to the extent that benefits covering the same loss are available from other sources, regardless of the nature or number of benefit sources available and regardless of the nature or form of the benefits, to a person claiming personal protection insurance benefits through the assigned claims plan. This subsection only applies if the personal protection insurance benefits are payable through the assigned claims plan because no personal protection insurance is applicable to the injury, no personal protection insurance applicable to the injury can be identified, or the only identifiable personal protection insurance applicable to the injury is, because of financial inability of 1 or more insurers to fulfill their obligations, inadequate to provide benefits up to the maximum prescribed. As used in this subsection, "sources" and "benefit sources" do not include the program for medical assistance for the medically indigent under the social welfare act, 1939 PA 280, MCL 400.1 to 400.119b, or insurance under the health insurance for the aged act, title XVIII of the social security act, 42 USC 1395 to 1395kkk-1.

(3) If the obligation to provide personal protection insurance benefits cannot be ascertained because of a dispute between 2 or more automobile insurers concerning their obligation to provide coverage or the equitable distribution of the loss, and if a method of voluntary payment of benefits cannot be agreed upon among or between the disputing insurers, all of the following apply:

(a) The insurers who are parties to the dispute shall, or the claimant may, immediately notify the Michigan automobile insurance placement facility of their inability to determine their statutory obligations.

(b) The claim shall be assigned by the Michigan automobile insurance placement facility to an insurer and the insurer shall immediately provide personal protection insurance benefits to the claimant or claimants entitled to benefits.

(c) An action shall be immediately commenced on behalf of the Michigan automobile insurance placement facility by the insurer to whom the claim is assigned in circuit court to declare the rights and duties of any interested party.

(d) The insurer to whom the claim is assigned shall join as parties defendant to the action commenced under subdivision (c) each insurer disputing either the obligation to provide personal protection insurance benefits or the equitable distribution of the loss among the insurers.

(e) The circuit court shall declare the rights and duties of any interested party whether or not other relief is sought or could be granted.

(f) After hearing the action, the circuit court shall determine the insurer or insurers, if any, obligated to

provide the applicable personal protection insurance benefits and the equitable distribution, if any, among the insurers obligated, and shall order reimbursement to the Michigan automobile insurance placement facility from the insurer or insurers to the extent of the responsibility as determined by the court. The reimbursement ordered under this subdivision shall include all benefits and costs paid or incurred by the Michigan automobile insurance placement facility and all benefits and costs paid or incurred by insurers determined not to be obligated to provide applicable personal protection insurance benefits, including reasonable, actually incurred attorney fees and interest at the rate prescribed in section 3175 as of December 31 of the year preceding the determination of the circuit court.

500.3175 Rules for assignment of claims; duties of insurer to whom claims assigned; compromises and settlements; procedures; limitation on action to enforce rights; interest on delinquent payments; installment payments; default.

Sec. 3175. (1) The assignment of claims under the assigned claims plan shall be made according to procedures established in the assigned claims plan that assure fair allocation of the burden of assigned claims among insurers doing business in this state on a basis reasonably related to the volume of automobile liability and personal protection insurance they write on motor vehicles or the number of self-insured motor vehicles. An insurer to whom claims have been assigned shall make prompt payment of loss in accordance with this act. An insurer is entitled to reimbursement by the Michigan automobile insurance placement facility for the payments, the established loss adjustment cost, and an amount determined by use of the average annual 90-day United States treasury bill yield rate, as reported by the council of economic advisers as of December 31 of the year for which reimbursement is sought, as follows:

(a) For the calendar year in which claims are paid by the insurer, the amount shall be determined by applying the specified annual yield rate specified in this subsection to 1/2 of the total claims payments and loss adjustment costs.

(b) For the period from the end of the calendar year in which claims are paid by the insurer to the date payments for the operation of the assigned claims plan are due, the amount shall be determined by applying the annual yield rate specified in this subsection to the total claims payments and loss adjustment costs multiplied by a fraction, the denominator of which is 365 and the numerator of which is equal to the number of days that have elapsed between the end of the calendar year and the date payments for the operation of the assigned claims plan are due.

(2) The insurer to whom claims have been assigned shall preserve and enforce rights to indemnity or reimbursement against third parties and account to the Michigan automobile insurance placement facility for the rights and shall assign the rights to the Michigan automobile insurance placement facility on reimbursement by the Michigan automobile insurance placement facility. This section does not preclude an insurer from entering into reasonable compromises and settlements with third parties against whom rights to indemnity or reimbursement exist. The insurer shall account to the Michigan automobile insurance placement facility for any compromises and settlements. The procedures established under the assigned claims plan shall establish reasonable standards for enforcing rights to indemnity or reimbursement against third parties, including a standard establishing an amount below which actions to preserve and enforce the rights need not be pursued.

(3) An action to enforce rights to indemnity or reimbursement against a third party shall not be commenced after the later of 2 years after the assignment of the claim to the insurer or 1 year after the date of the last payment to the claimant.

(4) Payments for the operation of the assigned claims plan not paid by the due date shall bear interest at the rate of 20% per annum.

(5) The Michigan automobile insurance placement facility may enter into a written agreement with the debtor permitting the payment of the judgment or acknowledgment of debt in installments payable to the Michigan automobile insurance placement facility. A default in payment of installments under a judgment as

agreed subjects the debtor to suspension or revocation of his or her motor vehicle license or registration in the same manner as for the failure by an uninsured motorist to pay a judgment by installments under section 3177.

500.3177 Recovery by insurer of benefits and costs from owner or registrant of uninsured motor vehicle; written agreement to pay judgment in installments; notice.

Sec. 3177. (1) An insurer obligated to pay personal protection insurance benefits for accidental bodily injury to a person arising out of the ownership, maintenance, or use of an uninsured motor vehicle as a motor vehicle may recover such benefits paid and appropriate loss adjustment costs incurred from the owner or registrant of the uninsured motor vehicle or from his or her estate. Failure of such a person to make payment within 30 days after judgment is a ground for suspension or revocation of his or her motor vehicle registration and license as defined in section 25 of the Michigan vehicle code, Act No. 300 of the Public Acts of 1949, being section 257.25 of the Michigan Compiled Laws. An uninsured motor vehicle for the purpose of this section is a motor vehicle with respect to which security as required by sections 3101 and 3102 is not in effect at the time of the accident.

(2) The motor vehicle registration and license shall not be suspended or revoked and the motor vehicle registration and license shall be restored if the debtor enters into a written agreement with the secretary of state permitting the payment of the judgment in installments, if the payment of any installments is not in default.

(3) The secretary of state upon receipt of a certified abstract of court record of a judgment or notice from the insurer of an acknowledgment of debt shall notify the owner or registrant of an uninsured vehicle of the provisions of subsection (1) at that person's last recorded address with the secretary of state and inform that person of the right to enter into a written agreement with the secretary of state for the payment of the judgment or debt in installments.
