Rep. Frank Foster, from the 107th District, offered the following invocation:

“Heavenly Father, we thank You for the privilege of living in a country where we have a representative form of government. We thank You for those who have given their lives and their energies to be involved in that process.

AS we address the difficult and important issues of our state, we ask that You continue to remind us of Your instruction to be quick to listen and slow to speak.

Give us wisdom today, Lord, to make the best possible decisions that are in the public interest. Help us to build a better world in which there is hope for the future, peace, liberty, justice and freedom for all. These things we ask in Your holy name. Amen.”

Rep. MacMaster, having reserved the right to explain his protest against the passage of the bill, made the following statement:

“Mr. Speaker and members of the House:

I will have 5 counties in my district in 2013 and the formulas used in these bills would put 4 of my counties below the 2.3% level, which would really hurt my area in terms of revenue...they wouldn't receive revenue replacement. For Michigan, this may be a good set of bills, but for my district, it really hurts them and it is for this reason I am voting 'No' on the PPT set of bills except for HB 6025, which is for metropolitan areas. I have to protect my district.”

#### Explanation of "No" Votes

Reps. Dillon, Byrum, Irwin, Tlaib, Segal, Bauer, Brown, Meadows, Lindberg, Lipton, Darany, Stallworth, Switalski, Stapleton, Slavens, Lane, Geiss, Talabi, Howze and Barnett, having reserved the right to explain their protest against the passage of **Senate Bill No. 865**, made the following statement:

"Mr. Speaker and members of the House:

I voted no on SB 865 because I object to this legislature re-enacting an Emergency Manager law that is substantially similar to Public Act 4 of 2011, a law which was rejected and repealed by the voters of Michigan just over one month ago. While it is true this version provides some choice for local officials, none of the choices are tenable. Should an Emergency Manager take over, this proposal would still allow them to divest the community of assets, dissolve contracts, and otherwise wield virtually unchecked authority. Further, I strenuously object to the new act containing an appropriation which bars any referendum on the new proposal. There is no requirement anywhere that this funding be in this statute. It should rightfully be placed in a funding bill such as one of the supplemental funding bills that regularly make their way through the legislature."
