Heavenly Father, we thank You for this day and for this session. We ask, my God, that even now as You have indicated, Lord, that if we will trust in You, You will guide and direct our paths. We pray, Father, for these men and women as they gather here to be about the people's business. We pray that You would grant them wisdom, that You would grant them guidance, that You would grant them understanding, Father, and that the people of this state, Lord, would be able to make their way through the difficult and trying times that we are living in.

We pray Your blessing upon this state and upon this house and upon this Legislature, my God. We pray, Father, that in every item, in every aspect that You would come and grant the light of Your presence, the peace of Your presence, and the goodness of Your wisdom.

Holy Spirit, settle upon this state, settle upon this nation, and bring us into better days each and every day of our lives. We thank You, and we praise you for this. In Jesus' name. Amen.

Resolutions

Senate Resolution No. 34

House Concurrent Resolution No. 9

The motion prevailed.

Senators Green, Brandenburg, Marleau, Casperson, Nofs, Meekhof, Walker, Jansen and Moolenaar offered the following resolution:

Senate Resolution No. 63.

A resolution to memorialize the Congress of the United States to make significant reforms to the National Flood Insurance Program.

Whereas, Under the National Flood Insurance Program, most property owners must purchase flood insurance if their property is located within a mapped flood plain; and

Whereas, The Federal Emergency Management Agency (FEMA) has recently revised existing flood plain maps in Michigan that, in many cases, have increased the amount of land within the flood plain without adequate explanation of perceived additional flood risk. Flood insurance for buildings within redrawn areas is a significant added expense. These revisions amount to a penalty that will be felt far into the future, especially as the market value of impacted properties suffers needlessly; and

Whereas, The revised maps exacerbate disparities between the premiums paid by Michigan residents relative to claims received. Michigan residents have paid nearly five times as much in flood insurance premiums than they have received back in claims over the last 30 years. The remaining funds from these premiums go to subsidize flood insurance claims in higher-risk areas of the country; and

Whereas, The National Flood Insurance Program is operated without transparency to the public in rate-setting methods. Rebuilding within a flood plain has continued in higher-risk areas of the country where multiple recent flood events have occurred, contributing to the \$20 billion debt of the National Flood Insurance Program. Rebuilding in very high-risk areas would be avoided if flood insurance was set at actuarially sound rates; and

Whereas, The National Flood Insurance Program is fundamentally flawed and unfair. Year after year, the program takes money from property owners in most states and uses that money to rebuild in only a few states. Congresswoman Candice Miller has introduced legislation (H.R. 435) to eliminate the National Flood Insurance Program in 2013 and to authorize states to work together to provide flood insurance as they deem appropriate; and

Whereas, Congresswoman Judy Biggert has introduced legislation (H.R. 1309), the Flood Insurance Reform Act of 2011, to begin the process of modernizing and reforming the National Flood Insurance Program; now, therefore, be it

Resolved by the Senate, That we memorialize the Congress of the United States to make significant reforms to the National Flood Insurance Program; and be it further

Resolved, That copies of this resolution be transmitted to the President of the United States Senate, the Speaker of the United States House of Representatives, and the members of the Michigan congressional delegation.

Pending the order that, under rule 3.204, the resolution be referred to the Committee on Government Operations, Senator Meekhof moved that the rule be suspended.

The motion prevailed, a majority of the members serving voting therefor.

The question being on the adoption of the resolution,

Senator Meekhof moved that the resolution be referred to the Committee on Insurance.

The motion prevailed.

Senators Booher, Caswell, Hansen, Jones, Pappageorge, Proos and Rocca were named co-sponsors of the resolution.

Senator Meekhof moved that rule 2.106 be suspended to allow committees to meet during Senate session.

The motion prevailed, a majority of the members serving voting therefor.
