Reverends Dr. William and Barbara Beachy of Trinity United Methodist Church of Delta Township offered the following invocation:

Almighty God, we thank You today for the gift of our nation and the physical freedom we are privileged to enjoy. You gave us this possibility of freedom along with the intellect and creativity to shape our society in a positive fashion, as we seek to treat all persons with dignity and respect. You alone rule the world with justice, yet You place in our hands the solemn duty of guiding the actions, behaviors, and attitudes of the citizens of our country.

It is with this solemn duty in mind that we pray today for the women and men serving in the Senate of our great state of Michigan. We ask, O God, that You instill within each of these persons an even greater sense of reverence and respect for You and the life You created on this earth, as they enter into their work for this day.

May You assist them to choose righteously, defend the rights of the afflicted and the needy, the oppressed and underresourced, the innocent and the helpless. Guide them to enact the laws of our state with a mixture of grace, understanding, and knowledge.

As each Senator enters into deliberation in this great hall, help them, O God, to turn to You, so that their mind, heart, and judgment will ring true with wisdom and clarity. Amen.

The President, Lieutenant Governor Calley, led the members of the Senate in recital of the *Pledge of Allegiance*.

The concurrent resolution, as substituted, was adopted.

Senator Hansen offered the following resolution:

Senate Resolution No. 69.

A resolution to memorialize Congress and the United States Department of Agriculture to expedite the rulemaking process with regard to certain elements of the Supplemental Nutrition Assistance Program.

Whereas, While it is always important to identify and eliminate all abuses in the expenditure of public money, this is especially true during this period of prolonged financial distress and continuing strain on the limited resources available to help those in need. It is essential to ensure that every dollar devoted to social service initiatives is spent wisely and for the intended purpose; and

Whereas, Amendments made to the New Eligibility Disqualifications language (Section 4131) of the Food Stamp Provision of Title IV of the 2008 Farm Bill disqualify individuals from food stamps for intentionally obtaining cash by using food stamps to buy a product with a returnable container, discarding the contents, and then returning the container for the deposit amount. Although the practice of intentionally discarding the contents of a container to get the deposit money is prohibited, three years later, the federal rulemaking process is not complete. Without penalties in place, the policy prohibiting this type of fraud is yet to be fully implemented. In the meantime, retailers must continue to pay out deposit money in situations where they can see abuses of the program; and

Whereas, Every effort to cheat the system weakens public support for programs designed to help the needy in times of difficulty. Clearly, without faith in the integrity of these public efforts, such efforts lose support and are placed in jeopardy; now, therefore, be it

Resolved by the Senate, That we memorialize Congress and the United States Department of Agriculture to expedite the rulemaking process with regard to the provisions of the Supplemental Nutrition Assistance Program (SNAP) that disqualify from SNAP benefits any person found to have intentionally obtained cash by purchasing, with food stamps, products with containers requiring return deposits and, after discarding the contents, returning the container for the deposit; and be it further

Resolved, That copies of this resolution be transmitted to the President of the United States Senate, the Speaker of the United States House of Representatives, and the members of the Michigan congressional delegation.

Pending the order that, under rule 3.204, the resolution be referred to the Committee on Government Operations,

Protest

Senator Whitmer, under her constitutional right of protest (Art. 4, Sec. 18), protested against the passage of House Bill No. 4780 and moved that the statement she made during the discussion of the bill be printed as her reasons for voting “no.”

The motion prevailed.

Senator Whitmer’s statement is as follows:

I rise in support and to speak in favor of my substitute. This substitute corrects the ridiculous gerrymander created to protect Congressman McCotter, who apparently wants to be President instead of serving in Congress. He won’t be able to hide behind a gerrymander if that is the track that he takes.

Moreover, this substitute proves that we don’t have to make a mockery of the Voting Rights Act by creating districts that are so strange that future generations of school kids might learn about them as examples of gerrymanders. I know what the majority will say. They will point to state law and say their hands are tied. That is ridiculous. There is no need to stuff the minority voters in Pontiac with the Grosse Pointes. This substitute proves it.

Moreover, we know that the majority doesn’t seriously believe that a Southfield-to-Pontiac district is required because they rejected my substitute for the Senate bill that would have created exactly such a district for the State Senate. They said it wasn’t warranted in that circumstance but, apparently, now believe it is in this circumstance.

However, the Voting Rights Act applies with equal force and logic to both state and federal maps. If they believe that a majority-minority district needs to be created running to Pontiac for the Congress, then the same district needs to be created for the State Senate. We proved that there are certainly enough minority voters for a sixth Senate seat, so why didn’t it happen? If, on the other hand, they believe that a map with the fewest breaks—however awkwardly that word is defined in the statute—wins, then they must adopt the five-break plan that I offered for the State Senate map.

If someone looks at the legislative history of this redistricting and compares the maps offered for all three legislative bodies, they will see that this wasn't about county breaks. This wasn't about the Voting Rights Act. This was only about protecting incumbents at the expense of the integrity of this institution, and thus, I ask for your support of this substitute.

Senators Hune and Richardville asked and were granted unanimous consent to make statements and moved that the statements be printed in the Journal.

The motion prevailed.

Senator Hune's statement is as follows:

What we have before us are congressional redistricting plans. It is the epitome of transparency. These maps have been released to the public for quite some time, passed through the State House on a bipartisan vote, passed through the Senate in a redistricting committee, and is before us without amendment.

The public has seen these maps that are before us. What we have in front of us is a fair, a legal, and a constitutional plan for our new congressional districts. I urge all of my colleagues to support it, and it deserves bipartisan support.

Senator Richardville's statement is as follows:

Michigan has lost one congressional district as a result of the 2010 census. Nonetheless, this congressional redistricting plan preserves the cores of 14 existing districts and preserves two African-American majority districts. Of equal or greater importance, we have also continued to have two predominately Detroit-based districts, giving our state's largest city two likely Representatives in the Congress, notwithstanding the significant population loss of the city of Detroit. We have done this with the fewest number of county and municipal breaks of any plan we have seen, thus complying with Michigan's longstanding and traditional redistricting policies.

By unanimous consent the Senate returned to the order of

In The Chair: President

Senator Meekhof moved to reconsider the vote by which the bill was defeated.

The question being on the motion to reconsider,

Senator Meekhof moved that further consideration of the bill be postponed for today.

The motion prevailed.

Senator Kahn asked and was granted unanimous consent to make a statement and moved that the statement be printed in the Journal.

The motion prevailed.

Senator Kahn's statement is as follows:

Senate Bill No. 347 is the repealer bill to the existing use tax which is a function of passing Senate Bill No. 348. Senate Bill No. 348 is a part of our budget agreement and prevents up to \$1.2 billion in new cuts needed to be put into the Department of Community Health budget.

The federal government and I have talked to CMS and seen their letter "imminently" going to disallow our current funding mechanism because it is not broad-based. Action by us in passing Senate Bill Nos. 347 and 348 will be looked at favorably by CMS in transition planning. The \$400 million raised by the use tax and by the health insurance claims assessment when enacted will allow us to receive \$800 million of match from the feds and thus fund Medicaid.

Questions have arisen about Senate Bill Nos. 347 and 348. First of all, is this illegal or will a risk of preemption prevent this? Well, Maine is doing a claims tax just like this and so did Oklahoma. We have a letter from Washington attorneys and letters from the highest authorities in the state of Michigan strongly supporting the legality of this assessment.

What are the costs attendant to this? Well, the current structure that we have in place, the use tax and the QAAP before, will range about 12.4 percent per year, and it was uncapped, meaning that each year it was higher by 12.4 percent on average from the year before. The health insurance claim assessment is capped at \$400 million, plus the medical inflation rate, and that is a yearly cap. It includes a tax rollback if it rises more than that amount, and there is a sunset in place. All these things serve to limit the total exposure of our citizens to increased taxation in the first place, and second of all, to encourage us to prudently plan for Medicaid and how we were going to be spending our money.

Failure to enact this assessment will lead to an increase in private health insurance costs. It is estimated by 1 percent or 2 percent, which is more than the health insurance claims assessment. How can this be? It is because we will lose the \$800 million of matching funds from the federal government, leading hospitals to cost shifts because of their uncompensated and undercompensated care to the commercial insurance industry, and thus, make up the \$800 million.

The Department of Community Health estimates the failure to pass the health insurance claims assessment will result in a massive reduction in provider rates—the hospitals, physicians, nursing homes, and other providers. These cut levels are estimated to be as much as 24.93 percent. In dollars, that is a total reduction of \$1,181.4 million; that is \$1 billion and \$181 million. This is a reduction of \$504 million; \$241 million to physicians, \$286 million to nursing homes of long-term care providers, and others \$149 million more. These disastrous losses of revenue will undoubtedly lead to catastrophic levels of job loss.

There are other effects that should be noted. These funds provide related jobs not just in hospitals and nursing homes and mental health, but for people who provide for medical equipment like wheelchairs. They fund our HMOs; they fund our physicians and other providers, and of course, the converse is true. Without this, we will see increased costs to the

care, delays, and patients' health damaged at every level from obstetrics to nursing homes. The health care industry is supporting this—every hospital, HMO, PIHP, nursing home, physician, and nurse.

Some of the folks you would think would have trouble with this notion have been gratifyingly quiet, supportive, or silent. Blue Cross, HAP (Health Alliance Plan), and Medicare, not a Medicaid HMO who would be a loser when we pass this have been very helpful in the construction of this bill. The Michigan Chamber has been silent. We do have folks who had been against this. The Michigan Manufacturers Association has been in opposition. We gave them every amendment they asked for from their list when they came to our office originally. Those amendments included caps, limits, sunsets, and transparency, and they are all in the bill.

Timing is important. If we wait to do this until there is an actual disallowance between the time that is disallowed and the time that we are able to pass this bill and get it in place, there will be at best but a month that goes by, but that is not the real reason for the cost of delay. It will take the OFIR and Treasury over three months minimum, and they are suggesting more to put this in place to be able to collect it. A four-month delay or a quarter of year delay is \$400 million lost.

So, dear friends and Senators, I want you to understand that at the end of the day, Medicaid consists of two large groups—women, infants, children, and the disabled and those in need of long-term care. Women as a group are very supportive of infants and child health care in this state. They disapprove of damage to the quality of it or to the access to it. Seniors consume long-term care, and they, too, are very supportive. For example, AARP is supportive of this bill and see the need for it.

Mr. President, I think that this is pretty clear, and I ask our chamber to support this bill and to pass it today without amendment.

By unanimous consent the Senate proceeded to the order of

Statements

Senator Johnson asked and was granted unanimous consent to make a statement and moved that the statement be printed in the Journal.

The motion prevailed.

Senator Johnson's statement is as follows:

I rise today to clarify my earlier vote on House Bill No. 4522, which revises arbitration reward factors and arbitration procedures. The bill up until today, in fact, just up until the actual vote was supported by the state's hardest-working firefighters. I just want to point out to this body and the public as a whole that voting "yes" on House Bill No. 4522 was a simple mistake. I pressed the wrong button. It does not represent my actual view on this issue. Having said that, I understand that there is a small technical fix that will be made to this bill that will assuage the concerns of our firefighters. I urge swift passage of that technical fix, and as always, my first priority is protecting the firefighters who indeed protect our communities each and every day.
