5 or rehabilitation of individuals receiving services from the health  
6 facility.

7 (8) "Commission" means the certificate of need commission  
8 created under section 22211.

9 (9) "Covered capital expenditure" means a capital expenditure  
10 of \$2,500,000.00 or more, as adjusted annually by the department  
11 under section 22221(g), by a person for a health facility for a  
12 single project, excluding the cost of nonfixed medical equipment,  
13 that includes or involves the acquisition, improvement, expansion,  
14 addition, conversion, modernization, new construction, or  
15 replacement of a clinical service area.

16 (10) "Covered clinical service", except as modified by the  
17 commission under section 22215, means 1 or more of the following:
