A SUMMARY OF HOUSE BILL 5416 AS INTRODUCED 1-25-90

Public Act 357 of 1984 created an older persons' shared housing program, administered by the Office of Services to the Aging. The act was scheduled to expire three years after it took effect, or March 29, 1988. The bill would eliminate the expiration date and repeal a section requiring the office to report on the program to the legislature within two years after the act's effective date.
