**A SUMMARY OF HOUSE BILL 5420 AS INTRODUCED 1-25-90**

The Michigan Vehicle Code prohibits a person from driving a vehicle with any of a number of different types of windshield or window coverings (such as treated windshield or window tints) which hinder the view of the driver, and provides for a civil infraction and fines for violating these provisions. The bill would specify that a person who applied a material to a motor vehicle which caused the driver of a vehicle to violate the act's provisions would be responsible for a civil infraction.
