OCT 08 1990

House Bill 5498
Sponsor: Rep. Kirk A. Profit Mich. State Law Library
Committee: Corrections

Complete to 8-21-90

A SUMMARY OF HOUSE BILL 5498 AS INTRODUCED 2-14-90

Under the Special Alternative Incarceration Act, the Department of Corrections is required to establish special alternative incarceration units to house and train probationers. A probationer who is placed in a unit is transported there by the county sheriff, and is not processed through the department's reception center for prisoners. Under the bill, the probationer would instead be transported to a central dispatch point established by the department. The department would transport the probationer from there to the appropriate unit.
