A SUMMARY OF HOUSE BILL 5709 AS INTRODUCED 5-3-90

The bill would amend the Michigan Penal Code to prohibit a person from requiring that a credit card number be written on a check or share draft. Under the bill, a person accepting a check or share draft could request that a credit card be displayed, in order to establish credit worthiness or credit identity. However, it would be a misdemeanor to require that a credit card number be written on a check or share draft as a condition of acceptance.
