**A SUMMARY OF HOUSE BILL 5728 AS INTRODUCED 5-8-90**

The bill would provide for the conveyance of Department of Natural Resources property in Macomb County to Shelby Township for \$1. Under the bill, the conveyance would require that the property be used for the purpose of a public park, and that upon termination of that use would revert to the state, which would assume no liability for any improvements. The state would reserve all minerals rights, excluding sand, gravel, clay, or other nonmetallic minerals.
