Environment

Complete to 8-23-90

A SUMMARY OF HOUSE BILL 5792 AS INTRODUCED 5-21-90

Current law requires public utilities with more than 500,000 customers in Michigan to enter into power purchase agreements for the purchase of capacity and energy from resource recovery facilities that process qualified solid waste. The bill would require utilities to enter into agreements for the purchase of capacity and energy from resources recovery facilities that process scrap tires.
