A SUMMARY OF HOUSE BILLS 5813 AND 5814 AS INTRODUCED 5-24-90

The Vehicle Code requires a person who is driving a motor vehicle to have in his or her possession at all times a driver's license, or a similar form of driver's identification in certain situations, which must be displayed at the request of a police officer or a similar official. Public Act 69 of 1968, however, exempts fire fighters from this requirement when they are working in emergency situations. House Bill 5813 would amend Public Act 69 of 1968 (MCL 29.391) to extend this exemption to all persons licensed under the portion of the Public Health Code that regulates emergency personnel. House Bill 5814 would amend the Vehicle Code (MCL 257.311) to specify that such emergency personnel would be exempt from this requirement while working under emergency circumstances related to their jobs. The bills are tie-barred to each other.
