MIGRANT DENTAL HYGIENE PROGRAMS

House Bill 6029

Sponsor: Rep. Michael J. Bennane

Committee: Public Health

Complete to 11-30-90

A SUMMARY OF HOUSE BILL 6029 AS INTRODUCED 9-13-90

The Public Health Code currently allows the Board of Dentistry to promulgate rules to restrict the practice of dental hygienists to protect the public health, safety, or welfare. The bill would amend the code to say that if the board did restrict dental hygienists only to procedures performed on patients of record, it could grant an exception to dental hygienists who worked in state or federal grant health agency programs for "dentally underserved" populations.
