***AN ADDENDUM TO THE SENATE FISCAL AGENCY ANALYSIS OF SENATE BILLS  
698, 715, AND 749 AS REPORTED WITHOUT AMENDMENT***

Senate Bill 698 passed the Senate without amendments; the House Judiciary committee reported the bill out on December 4, 1990, also without amendments. The SFA analysis includes analyses of two other bills, both which are receiving separate action. Senate Bill 715, now Public Act 241 of 1990, was amended to include provisions on post-majority child support and was enacted as part of that package. The substance of Senate Bill 749 was included in the package of legislation to provide for immediate income withholding for payment of support (that legislation has cleared both chambers and been enrolled).
