A SUMMARY OF HOUSE BILL 5843 AS INTRODUCED 5-29-90

The bill would amend the Insurance Code to specify that personal protection benefits under a no-fault auto insurance policy would not be payable to the extent that the insured person had other health and accident coverage in addition to the no-fault benefits. A person who chose not to coordinate personal protection benefits with other coverage would have to be notified of that fact by his or her auto insurer within seven days after electing not to coordinate.
