House Bill 5891

Committee: Taxation

A SUMMARY OF HOUSE BILL 5891 AS INTRODUCED 6-21-90

The General Property Tax Act requires that a township treasurer remain in his or her office at some convenient place in the township on each Friday in December from 9 a.m. to 5 p.m. to receive taxes (although the treasurer must "receive taxes on a weekday when they are offered"). The bill would say that if a township treasurer maintains regularly scheduled business hours at the office in excess of 24 hours for one or more weeks in December, the treasurer need not remain in the office on Friday during that week or those weeks. (A treasurer would still have to receive taxes when offered on a weekday.)
