Mich. State Law Library

SUMMARY OF SENATE BILL 1081 as introduced 9-13-90:

The bill would amend the Michigan Vehicle Code to allow towing or platform wrecker road service vehicles to use removable devices to meet the Code's identification requirements until April 30, 1991.

The Code requires that motor trucks or truck tractors of more than 5,000 pounds and all towing or platform wrecker road service vehicles have the name, city, and State or the registered logo or emblem of the vehicle owner and lessee painted or permanently attached on the vehicle. Currently, other vehicles may use removable devices of durable construction securely attached to the vehicle to meet the identification requirements.
