Senate Bill 860

Sponsor: Senator Gilbert J. DiNello

Committee: Local Government and Veterans

Date Completed: 5-14-90

SUMMARY OF SENATE BILL 860 as introduced 3-8-90:

The bill would amend the Michigan Election Law to require that the ballot for a "millage election" clearly identify the renewal and the new millage portions of the millage request and provide for a separate vote on each portion of the millage request. The bill specifies that these requirements would be in addition to all other requirements imposed by law for a millage election.

"Millage election" would mean an election at which the electors voted on both renewal of a previously authorized millage rate due to expire if not renewed and authorization for a new millage rate in addition to that already authorized or being renewed.

Proposed MCL 168.643b
