

Act No. 55
Public Acts of 1990
Approved by the Governor
April 11, 1990
Filed with the Secretary of State
April 12, 1990

**STATE OF MICHIGAN
85TH LEGISLATURE
REGULAR SESSION OF 1990**

Introduced by Reps. Jacobetti and Harrison
Rep. Gire named co-sponsor

ENROLLED HOUSE BILL No. 4057

AN ACT to make appropriations for the department of natural resources, the department of management and budget, and the department of public health for certain state purposes for the fiscal year ending September 30, 1989 and for the fiscal year ending September 30, 1990; to prescribe the powers and duties of certain state agencies and officials; and to provide for the expenditure of the appropriations.

The People of the State of Michigan enact:

Sec. 101. There is appropriated for the department of natural resources to supplement former appropriations for the fiscal year ending September 30, 1989, from the following funds:

APPROPRIATIONS SUMMARY:

GROSS APPROPRIATION.....	\$	7,741,500
Special revenue funds:		
Recreation bond fund.....		7,741,500
State general fund/general purpose.....	\$	0

RECREATION

GENERAL SECTIONS

Sec. 201. In accordance with the provisions of section 30 of article IX of the state constitution of 1963, total state spending in this appropriation act is \$121,227,626.00 and state appropriations to be paid to local units of government in sections 101 and 102 are \$35,373,341.00 as follows:

LOCAL SPENDING

Local recreation — Fiscal year 1989.....	7,741,500
Water pollution — Fiscal year 1990.....	11,514,600
Waste Management — Fiscal year 1990.....	15,517,241
Recreation capital outlay — Fiscal year 1990.....	600,000
TOTAL.....	\$ 35,373,341

TOTAL STATE SPENDING

Fiscal year 1989.....	\$ 7,741,500
Fiscal year 1990.....	113,486,126
TOTAL.....	\$ 121,227,626

Sec. 202. The appropriations made and expenditures authorized under this act and the departments, agencies, commissions, boards, offices, and programs for which an appropriation is made under this act are subject to the management and budget act, Act No. 431 of the Public Acts of 1984, being sections 18.1101 to 18.1594 of the Michigan Compiled Laws.

Sec. 203. For all projects and grant programs funded under this act, the commission of natural resources or the department of natural resources shall notify each legislator whose district is to receive a grant 7 days before the grants are announced.

Sec. 204. It is the intent of the legislature that the state shall make bonds issued pursuant to the environmental protection bond implementation act, Act No. 328 of the Public Acts of 1988, being sections 299.671 to 299.685 of the Michigan Compiled Laws, available to the citizens of the state by making a portion of the bonds available in denominations of \$500.00 or less, and shall otherwise encourage the participation of the citizens of the state in the investment in environmental protection bonds.

ENVIRONMENTAL RESPONSE

Sec. 301. The expenditure of money under this act for environmental protection bond surface cleanup projects, alternative water supply projects, investigations, final cleanup design projects, and final cleanup projects does not preclude the use of private, federal, local, or other state funds on these projects.

Sec. 302. (1) The commission of natural resources shall annually report to the governor, the house and senate appropriations committees, the house and senate appropriations subcommittees on natural resources, the joint capital outlay subcommittee, the house and senate standing committees on natural resources, and the house and senate fiscal agencies on the progress of the environmental protection bond cleanups for which appropriations have been made under this act. This report shall include the criteria used for site selection; a list of sites funded, including the name, address, county, and telephone number of the recipient or participant; bond funded actions taken at each site; other sources of funds used at each site in addition to bond proceeds, including private actions or responsible party actions; the amount of funds committed for each site and actually expended at each site; further cleanup actions that may be anticipated at each site; and other information considered pertinent by the commission of natural resources.

(2) The annual report required under subsection (1) shall include a summary of all of the sites funded, organized by the type of remedial action undertaken at the site, the sources of funding for each site, the amount of funds committed for each site and actually expended at each site, the estimated amount of funds saved because of private actions and responsible parties, and staff costs associated with each site.

Sec. 303. The unexpended portion of the appropriation in section 102 for environmental protection bond surface cleanup projects, alternative water supply projects, investigations, final cleanup design projects, and final cleanup projects shall be considered work projects and shall not lapse to the environmental protection bond fund but continue to be available for the purpose for which it was appropriated.

Sec. 304. The appropriation in section 102 for environmental protection bond final cleanup projects shall not be encumbered or expended until final rules are promulgated under the environmental response act, Act No. 307 of the Public Acts of 1982, being sections 299.601 to 299.611 of the Michigan Compiled Laws, or 60 days after the effective date of this act, whichever occurs first.

WASTE MANAGEMENT

Sec. 401. An appropriation under this act for a landfill or dump closure shall only be used for a landfill or dump that meets the requirements of the environmental protection bond implementation act, Act No. 328 of the Public Acts of 1988, being sections 299.671 to 299.685 of the Michigan Compiled Laws, and rules promulgated under that act.

Sec. 402. The commission of natural resources shall annually report to the governor, the house and senate appropriations committees, the house and senate subcommittees on natural resources, the joint capital outlay subcommittee, the house and senate standing committees on natural resources, and the house and senate fiscal agencies the progress of landfill and dump closures and resource recovery projects for which appropriations have been made under this act. This report shall include a listing of applicants for grant money; the criteria used for project selection; a list of projects funded including the name, address, county, and telephone number of the recipient or participant; bond funded actions taken on each project; other sources of funds used on each project in addition to bond proceeds, including private actions; the amount of funds expended for each project; further actions anticipated on each project; and other information considered pertinent by the commission of natural resources.

Sec. 403. The unexpended portion of the appropriation in section 102 for waste management projects shall be considered a work project and shall not lapse to the environmental protection bond fund but shall continue to be available for the purpose for which it was appropriated.

Sec. 404. The appropriation for secondary landfill and dump closures in section 102 is contingent upon cost savings from primary landfill and dump closures and is to be provided in order of priority as listed.

CAPITAL OUTLAY

Sec. 501. The commission of natural resources shall annually report to the governor, the house and senate appropriations committees, the house and senate appropriations subcommittees on natural resources, the joint capital outlay subcommittee, the house and senate standing committees on natural resources, and the house and senate fiscal agencies the progress of state park recreation bond projects for which appropriations have been made under this act. This report shall include a list of bond funded actions taken on each project; other sources of funds used in addition to bond proceeds, including private actions; the amount of funds expended for each project; further actions anticipated on each project; and other information considered pertinent by the commission of natural resources.

Sec. 502. The unexpended portion of the appropriation in this act for state park recreation bond projects shall be considered a work project and shall not lapse to the recreation bond fund but shall continue to be available for the purpose for which it was appropriated.

Sec. 503. The title of the capital outlay project, (account number 110-75-2499-182), named "Proud lake shooting range" is changed to the "Island lake recreation area shooting range".

RECREATION GRANTS

Sec. 601. The commission of natural resources shall annually report to the governor, the house and senate appropriations committees, the house and senate appropriations subcommittees on natural resources, the joint capital outlay subcommittee, the house and senate standing committees on natural resources, and the house and senate fiscal agencies on the progress of the appropriations for recreation bond grants made under this act. This report shall include the criteria used for grant selection; a list of sites funded, including the name, address, county, and telephone number of the recipient or participant; bond funded actions taken at each site; and other information considered pertinent by the commission of natural resources.

DEPARTMENT OF MANAGEMENT AND BUDGET

Sec. 701. The department of management and budget may expend from the lump-sum special maintenance account amounts necessary to demolish the department of public health's small animal protection building #22, located at 3623 South Dewitt Road, Lansing, Michigan.

DEPARTMENT OF LABOR

Sec. 801. A subgrantee performing weatherization services for the department of labor shall install a smoke detector in any residence being weatherized where a detector is not already operational.

This act is ordered to take immediate effect.

.....
Clerk of the House of Representatives.

.....
Secretary of the Senate.

Approved.....

.....
Governor.
