ENROLLED HOUSE BILL No. 4073

AN ACT to amend section 1169 of Act No. 451 of the Public Acts of 1976, entitled as amended "An act to provide a system of public instruction and elementary and secondary schools; to revise, consolidate, and classify the laws relating to elementary and secondary education; to provide for the classification, organization, regulation, and maintenance of schools, school districts, and intermediate school districts; to prescribe rights, powers, duties, and privileges of schools, school districts, and intermediate school districts; to provide for school elections and to prescribe powers and duties with respect thereto; to provide for the levy and collection of taxes; to provide for the borrowing of money and issuance of bonds and other evidences of indebtedness; to establish a fund and provide for expenditures from that fund; to provide for and prescribe the powers and duties of certain state departments, the state board of education, and certain other boards and officials; to provide for licensure of boarding schools; to prescribe penalties; and to repeal certain acts and parts of acts," as amended by Act No. 185 of the Public Acts of 1987, being section 380.1169 of the Michigan Compiled Laws.

The People of the State of Michigan enact:

Section 1. Section 1169 of Act No. 451 of the Public Acts of 1976, as amended by Act No. 185 of the Public Acts of 1987, being section 380.1169 of the Michigan Compiled Laws, is amended to read as follows:

Sec. 1169. (1) The principal modes by which dangerous communicable diseases, including, but not limited to, human immunodeficiency virus infection and acquired immunodeficiency syndrome, are spread and the best methods for the restriction and prevention of these diseases shall be taught in every public school in this state.

(2) Except for licensed health care professionals who have received training on human immunodeficiency virus infection and acquired immunodeficiency syndrome, each person who teaches K to 12 pupils about human immunodeficiency virus infection and acquired immunodeficiency syndrome pursuant to subsection (1) shall have training in human immunodeficiency virus infection and acquired immunodeficiency syndrome education for young people. The state board, in cooperation with the department of public health, shall train trainers to provide the teacher training required by this subsection and shall provide for the development and distribution to school districts of material on the teaching of human immunodeficiency virus infection and acquired immunodeficiency syndrome to young people.

(3) The choice of curricula to be used for human immunodeficiency virus infection and acquired immunodeficiency syndrome education required to be taught under subsection (1) shall be approved by the appropriate school board and implemented in the school setting not later than October 1, 1990.

This act is ordered to take immediate effect.
