Sec. 202. (1) The sums appropriated in this act shall be paid out of the state treasury and shall be distributed by the state treasurer to the respective institutions in 12 monthly installments, except for the Martin Luther King, Jr.-Cesar Chavez-Rosa Parks programs which shall receive distributions in quarterly installments. If the appropriations for the Martin Luther King, Jr.-Cesar Chavez-Rosa Parks programs are not committed or awarded by April 1, 1990 the funds shall become subject to legislative transfer. Any unexpended and unencumbered funds remaining on September 30, 1990 from the amount appropriated for the Martin Luther King, Jr.-Cesar Chavez-Rosa Parks programs shall lapse on September 30, 1990 and shall be returned to the state general fund. The amount distributed to an institution shall not exceed the net appropriations plus additional distributions specifically authorized by this act.

(2) Each institution shall receive payments providing the same percentage increase in its 1989-90 institutional fiscal year over its 1988-89 fiscal year as the percentage increase in state appropriations to each institution for the state fiscal year 1989-90 over 1988-89, based on the appropriations and scheduled allotments provided under Act Nos. 139 and 201 of the Public Acts of 1987 and Act No. 325 of the Public Acts of 1988.

(3) A detailed description of procedures utilized to arrive at the amounts appropriated in section 101 shall be submitted to each institution by the senate and house fiscal agencies. That description shall include, but is not limited to, a detailed expenditure history of the student equity plan that was initially implemented in the fiscal year ending September 30, 1988. The expenditure history shall be calculated for each recipient institution based on HEIDI expenditure data.

(4) From the amounts appropriated in section 101, institutions shall reimburse the Michigan public school employees' retirement system at the rate of 9.0% of retirement members' salaries.

Sec. 203. (1) All colleges and universities shall furnish all program and financial information that is required by and in a manner prescribed by the state budget director or the house and senate appropriations committees.

(2) Pursuant to section 4 of article VIII of the state constitution of 1963, all state institutions of higher education shall furnish an annual accounting of all income and expenditures to the legislature and the state budget director.

Sec. 204. Money received by the state from the federal government or private sources for the use of a college or university is appropriated for the purpose for which it was provided. The acceptance and use of federal or private funds shall not place an obligation upon the legislature to continue the purposes for which the funds are made available.

Sec. 205. The appropriations contained in this act shall not be used for the construction of buildings or operations of institutions of higher education not expressly authorized in section 101.

Sec. 206. The appropriations in this act are subject to section 391 of the management and budget act, Act No. 431 of the Public Acts of 1984, being section 18.1391 of the Michigan Compiled Laws.
