*The People of the State of Michigan enact:*

Section 1. The title and section 19 of Act No. 240 of the Public Acts of 1943, section 19 as amended by Act No. 405 of the Public Acts of 1988, being section 38.19 of the Michigan Compiled Laws, are amended to read as follows:

## **TITLE**

An act to provide for a state employees' retirement system; to create a state employees' retirement board and prescribe its powers and duties; to establish certain funds in connection therewith and to require contributions thereto by state employees and by the state; to create certain accounts and provide for expenditures from those accounts; to prescribe the powers and duties of certain state officers and agencies; and to provide penalties for the violation of certain provisions of this act.

Sec. 19. (1) A member who is 60 years of age or older and has 10 or more years of credited service may retire upon written application to the retirement board, stating a date, not less than 30 or more than 90 days after the execution and filing of the application, on which he or she desires to retire. Beginning on the retirement allowance effective date, he or she shall receive a retirement allowance computed according to section 20(1).

(2) A member who is 55 years of age or older, but less than 60 years of age, and has 15 or more years of credited service, may retire upon written application to the retirement board stating a date, not less than 30 or more than 90 days after the execution and filing of the application, on which he or she desires to retire. Upon retirement he or she shall receive a retirement allowance computed according to section 20(1). The retirement allowance of a member who has less than 30 years' credited service shall be reduced by an amount which is 0.5% of the retirement allowance multiplied by the number of months the person's age at retirement is under 60 years. The reduction of 1/2 of 1% for each month and fraction of a month from the member's retirement allowance effective date to the date of the member's sixtieth birthday provided for in this subsection shall not apply to a member who retired before July 1, 1974 and before attainment of age 60, with 30 or more years of credited service. The retirement allowance of a retirant or beneficiary of a retirant who retired before that date

shall be recalculated disregarding the reduction and the person receiving the retirement allowance shall be eligible to receive an adjusted retirement allowance based on the recalculation beginning October 1, 1987, but shall not be eligible to receive the adjusted amount attributable to any month beginning before October 1, 1987. The recalculated retirement allowance provided by this subsection shall be paid by January 1, 1988.
