The People of the State of Michigan enact:

Section 1. Section 44 of Act No. 206 of the Public Acts of 1893, as amended by Act No. 388 of the Public Acts of 1988, being section 211.44 of the Michigan Compiled Laws, is amended to read as follows:

Sec. 44. (1) Upon receipt of the tax roll, the township treasurer or other collector shall proceed to collect the taxes. The township treasurer or other collector shall mail to each taxpayer at the taxpayer's last known address on the tax roll or to the taxpayer's designated agent a statement showing the description of the property against which the tax is levied, the assessed valuation of the property, and the amount of the tax on the property. The tax statement shall set forth the state equalized valuation. If a tax statement is mailed to the taxpayer, a tax statement sent to a taxpayer's designated agent may be in a summary form or may be in an electronic data processing format. If the tax statement information is provided to both a taxpayer and the taxpayer's designated agent, the tax statement mailed to the taxpayer may be identified as an informational copy. A township treasurer or other collector electing to send a tax statement to a taxpayer's designated agent or electing not to include an itemization in the manner described in subsection (9)(c) in a tax statement mailed to the taxpayer shall, upon request, mail a detailed copy of the tax statement, including an itemization of the amount of tax in the manner described by subsection (9)(c), to the taxpayer without charge, as previously required by this section.

(2) The expense of preparing and mailing the statement shall be paid from the county, township, city, or village funds. Failure to send or receive the notice shall not prejudice the right to collect or enforce the payment of the tax. The township treasurer shall remain in the office of the township treasurer at some convenient place in the township on each Friday in the month of December, from 9 a.m. to 5 p.m. to receive taxes, but shall receive taxes upon a weekday when they are offered. However, if a Friday in the month of December is Christmas eve, Christmas day, New Year's eve, or a day designated by the township as a holiday for township

employees, the township treasurer shall not be required to remain in the office of the township treasurer on that Friday, but shall remain in the office of the township treasurer at some convenient place in the township from 9 a.m. to 5 p.m. on the day most immediately preceding that Friday, which day is not Christmas eve, Christmas day, New Year's eve, or a day designated by the township as a holiday for township employees, to receive taxes.

(3) Except as provided by subsection (7), on a sum voluntarily paid before February 15 of the succeeding year, the local property tax collecting unit shall add 1% for a property tax administration fee. However, unless otherwise provided for by an agreement between the assessing unit and the collecting unit, if a local property tax collecting unit other than a village does not also serve as the local assessing unit, the excess of the amount of property tax administration fees over the expense to the local property tax collecting unit in collecting the taxes, but not less than 80% of the fee imposed, shall be returned to the local assessing unit. A property tax administration fee is defined as a fee to offset costs incurred by a collecting unit in assessing property values, collecting the property tax levies, and in the review and appeal processes. The costs of any appeals, in excess of funds available from the property tax administration fee, may be shared by any taxing unit only if approved by the governing body of the taxing unit. Except as provided by subsection (7), on all taxes paid after February 14 and before March 1 the governing body of a city or township may authorize the treasurer to add to the tax a property tax administration fee to the extent imposed on taxes paid before February 15 and a late penalty charge equal to 3% of the tax. Interest from February 15 to the last day of February on a summer property tax that has been deferred pursuant to section 51 or any late penalty charge may be waived by the governing body of a city or township for the homestead property of a senior citizen, paraplegic, quadriplegic, eligible serviceperson, eligible veteran, eligible widow or widower, totally and permanently disabled person, or blind person, as those persons are defined in chapter 9 of the income tax act of 1967, Act No. 281 of the Public Acts of 1967, as amended, being sections 206.501 to 206.532 of the Michigan Compiled Laws, if the person makes a claim before February 15 for a credit for that property provided by chapter 9 of Act No. 281 of the Public Acts of 1967, as amended, if the person presents a copy of the form filed for that credit to the local treasurer, and if the person has not received the credit before February 15. Interest from February 15 to the last day of February on a summer property tax that has been deferred under section 51 or any late penalty charge may be waived by the governing body of a city or township for the property of a person, which property is subject to a farmland development rights agreement recorded with the register of deeds of the county in which the property is situated as provided in section 5 of the farmland and open space preservation act, Act No. 116 of the Public Acts of 1974, being section 554.705 of the Michigan Compiled Laws, if the person presents a copy of the development rights agreement or verification that the property is subject to a development rights agreement before February 15. A 4% county property tax administration fee, a property tax administration fee to the extent imposed on and if authorized pursuant to subsection (7) for taxes paid before March 1, and interest on the tax at the rate of 1% per month shall be added to taxes collected by the township or city treasurer after the last day of February and before settlement with the county treasurer, which payment shall be treated as though collected by the county treasurer. If the statements required to be mailed by this section are not mailed before December 31, the treasurer shall not impose a late penalty charge with respect to taxes collected after February 14.

(4) The governing body of a local property tax collecting unit may waive all or part of the property tax administration fee or the late penalty charge, or both. A property tax administration fee collected by the township treasurer shall be used only for the purposes for which it may be collected as specified by subsection (3) and this subsection. When the bond of the treasurer, as provided in section 43, is furnished by a surety company, the cost of the bond may be paid by the township from the property tax administration fee.

(5) If apprehensive of the loss of personal tax assessed upon the roll, the township treasurer may enforce collection of the tax at any time, and if compelled to seize property or bring an action in December may add, if authorized pursuant to subsection (7), 1% for a property tax administration fee and 3% for a late penalty charge.

(6) Along with taxes returned delinquent to a county treasurer pursuant to section 55, the amount of the 1% property tax administration fee prescribed by subsection (3) that is imposed and not paid shall be included in the return of delinquent taxes and, when delinquent taxes are distributed by the county treasurer pursuant to this act, the delinquent 1% property tax administration fee shall be distributed to the treasurer of the local unit who transmitted the statement of taxes returned as delinquent. Interest imposed upon delinquent property taxes pursuant to this act shall also be imposed upon the 1% property tax administration fee and, for purposes of this act other than to which local unit the county treasurer shall distribute a delinquent 1% property tax administration fee, any reference to delinquent taxes shall be considered to include the 1% property tax administration fee returned as delinquent for the same property. This subsection shall apply to property tax administration fees imposed upon property taxes that become a lien in 1983 or any year thereafter.

(7) For levies that become a lien in 1983 or any year thereafter, the local property tax collecting treasurer shall not impose a property tax administration fee, collection fee, or any type of late penalty charge authorized by law or charter unless the governing body of the local property tax collecting unit approves, by resolution or ordinance adopted after December 31, 1982, an authorization for the imposition of a property tax

administration fee, collection fee, or any type of late penalty charge provided for by this section or by charter, which authorization shall be valid for all levies that become a lien after the resolution or ordinance is adopted. However, unless otherwise provided for by an agreement between the assessing unit and the collecting unit, a local property tax collecting unit that does not also serve as the assessing unit shall impose a property tax administration fee on each parcel at a rate equal to the rate of the fee imposed for city or township taxes on that parcel.

(8) The annual statement required by Act No. 125 of the Public Acts of 1966, being sections 565.161 to 565.163 of the Michigan Compiled Laws, or a monthly billing form or mortgagor passbook provided in lieu of that annual statement shall include a statement to the effect that a taxpayer who has not been mailed the tax statement or a copy of the tax statement by the township treasurer or other collector shall receive, upon request and without charge, a copy of the tax statement from the township treasurer or other collector or, if the tax statement has been mailed to the taxpayer's designated agent, from either the taxpayer's designated agent or the township treasurer or other collector. A designated agent who is subject to Act No. 125 of the Public Acts of 1966 and who has been mailed the tax statement for taxes that became a lien in the calendar year immediately preceding the year in which the annual statement may be required to be furnished shall mail, upon the request of and without charge to a taxpayer who has not been mailed that tax statement or a copy of that tax statement, a copy of that tax statement to that taxpayer.

(9) As used in this section:

(a) "Designated agent" means an individual, partnership, association, corporation, receiver, estate, trust, or other legal entity that has entered into an escrow account agreement or other agreement with the taxpayer which agreement obligates that individual or legal entity to pay the property taxes for the taxpayer or, if an agreement has not been entered into, that has been designated by the taxpayer on a form made available to the taxpayer by the township treasurer and filed with that treasurer. The designation by the taxpayer shall remain in effect until revoked by the taxpayer in a writing filed with the township treasurer. The form made available by the township treasurer shall include a statement that submission of the form allows the treasurer to mail the tax statement to the designated agent instead of to the taxpayer and a statement notifying the taxpayer of his or her right to revoke the designation by a writing filed with the township treasurer.

(b) "Taxpayer" means the owner of the property upon which the tax is imposed.

(c) When describing in subsection (1) that the amount of tax on the property must be shown in the tax statement, "amount of tax" means an itemization by dollar amount of each of the several ad valorem property taxes and special assessments that a person may pay pursuant to section 53 and an itemization by millage rate, on either the tax statement or a separate form accompanying the tax statement, of each of the several ad valorem property taxes that a person may pay pursuant to section 53. The township treasurer or other collector may replace the itemization described in this subdivision with a statement informing the taxpayer that the itemization of the dollar amount and millage rate of the taxes is available without charge from the local property tax collecting unit. This subdivision shall not apply for tax statements for taxes that become a lien in 1983.

This act is ordered to take immediate effect.
