Sec. 205. (1) From funds appropriated under section 101, the department shall prepare a report that lists all of the following regarding grant or loan or grant and loan programs administered by the department for the fiscal year ending on September 30, 1990:

- (a) The name of each program.
- (b) The criteria, eligibility, process, and deadlines for each program.
- (c) The maximum and minimum grant and loan available and whether there is a match requirement for each program.
- (d) The amount of any required match, and whether in-kind contributions may be used as part or all of a required match.
- (e) Information pertaining to the application process, timeline for each program, and the contact people within the department.
- (f) The source of funds for each program, including the citation of pertinent authorizing acts.
- (g) Information regarding plans for the next fiscal year for the phaseout, expansion, or changes for each program.

(2) From funds appropriated under section 101, the department shall prepare a report covering the 5 fiscal years preceding the fiscal year ending on September 30, 1990 that includes all of the following regarding grant or loan or grant and loan programs administered by the department during that time period:

- (a) The total grants or loans issued under each program.
 - (b) The regional distribution of grants or loans under each program.
 - (c) An evaluation of the effectiveness of each program, measured against the program's stated goals and requirements.
 - (d) Information regarding the phaseout, expansion, or changes made to each program.
- (3) The reports required under this section shall be submitted to the senate and house of representatives appropriations subcommittees by January 1, 1990.

EXECUTIVE

Sec. 301. The appropriations in section 101 may be used for per diem payments to the members of commissions or committees for a full day of committee work at which a quorum is present, for attending a hearing as authorized by the respective commissions, or for performing official business as authorized by each respective commission. The per diem payments shall be at a rate as follows:

- (a) Commission of natural resources \$ 75.00 per day
- (b) Hazardous waste management planning committee..... \$ 50.00 per day
- (c) Toxic substance control commission \$ 100.00 per day

Sec. 302. Amounts appropriated in this act to the department shall not be used to purchase an airplane or helicopter, or a boat over 21 feet in length.

Sec. 303. When purchasing any equipment or supplies with funds appropriated in section 101, the department shall give preference to those items manufactured, assembled, or sold in this state.

Sec. 304. In carrying out the provisions of this act, if the director of the department is required to lay off any department employees, the director shall be exempt from using a strict application of continuous service credits in accordance with guidelines developed by the state personnel director and approved by the civil service commission in order to preserve affirmative action gains made in a program approved by the Michigan equal employment and business opportunity council. This is in accordance with civil service commission rule 2-19.3d.

ADMINISTRATIVE SERVICES

Sec. 401. The following are the estimated revenues available in the game and fish protection fund for the state fiscal year beginning October 1, 1989:

Projected balance from previous year	\$ 4,950,000
General purpose licenses	36,152,000
Interest and earnings	2,128,000
Federal indirect revenues	600,000
Miscellaneous revenues	600,000
Total game and fish protection fund	\$ 44,430,000

Sec. 402. The department shall submit to the house and senate fiscal agencies biannual reports on the status of all FTE positions for which funds are appropriated in section 101 of this act. The reports shall be on a form approved by the house and senate fiscal agencies. The reports shall be submitted on October 1, 1989 and on July 1, 1990.

Sec. 403. The department, in cooperation with the department of treasury, shall study the mineral lease management program for purposes of implementing a permanent audit unit for that program. Upon completion of the study the department shall recommend to the legislature the feasibility of establishing an audit unit. If the report determines that the creation of an audit unit is feasible the report shall contain at a minimum all of the following:

- (a) The amount of funding necessary to support an audit unit.
- (b) The number of FTE positions that would be required.
- (c) One or more sources of financing for the program, other than the general fund of the state.
- (d) Where the audit unit would be located within the department.

Sec. 404. By April 15, 1990, the department shall report on the implementation of the environmental protection bond authorization act, Act No. 326 of the Public Acts of 1988, being sections 299.651 to 299.660 of the Michigan Compiled Laws, and the recreation bond authorization act, Act No. 327 of the Public Acts of 1988, being sections 318.551 to 318.560 of the Michigan Compiled Laws, to the senate and house appropriations committees. The report shall include a detailed analysis of how bond dollars have been spent, including, but not limited to, a description of the allocation of project funds to contractors, the number and total cost of contracted jobs created by this allocation, and the number and total cost of all jobs for state employees created by the spending of bond funds by the department. The report required in this section shall be developed in consultation with representatives of the Michigan professional employees society and the department of management and budget.

DEPARTMENTAL OPERATIONAL SUPPORT

Sec. 501. The department shall report on February 1, 1990, to the senate and house of representatives appropriations committees and to the senate and house fiscal agencies. The report shall include both of the following:

- (a) The amount of contributions, gifts, bequests, grants, and donations received by the department for the fiscal year ending September 30, 1989.
- (b) A listing of the expenditures made from the amounts received as reported in subdivision (a).

WILDLIFE

Sec. 551. The department shall prepare a plan for the introduction of Chinese black neck pheasants in the Muskegon area. The plan shall address, at a minimum, areas of prospective habitat, the number of pheasants

that can be supported by the habitat, how the pheasant population would be managed as game, and potential costs. The plan shall be submitted to the house and senate appropriations subcommittees on natural resources by May 1, 1990.

RECREATION

Sec. 601. The department may charge the appropriations contained in section 101, including all special maintenance and capital projects appropriated for the fiscal year ending September 30, 1989, for engineering services provided, a standard percentage fee to be determined by the director of the department of management and budget, and may use the revenue derived to support the engineering services charges provided for in section 101.

STATE PARKS

Sec. 701. (1) There is created and established under the jurisdiction and control of the department a revolving account to be known as the MacMullan conference center account. The account shall receive all fees or other revenues generated from operation of the MacMullan conference center. Appropriations shall be made from the account for support of programs operations and all maintenance and operations of the facility, and shall not exceed the estimated revenues for the fiscal year in which they are made, together with any unexpended balances from prior years. An annual report of operations and expenditures shall be submitted to the appropriations committees of the senate and house of representatives and the house and senate fiscal agencies at the end of the fiscal year.

(2) The MacMullan conference center shall be uniformly available to any group or organization dedicated to utilization, protection, and economic development of the state's natural resources. An annual report of the amount of money expended and the nature of training sessions that were held at the conference center shall be submitted to the appropriations committees of the senate and house of representatives and the house and senate fiscal agencies at the end of the fiscal year.

Sec. 702. The commission of natural resources shall provide that each concession in a state park shall be awarded every 7 years based upon renegotiation or competitive bidding. The award of each concession in a state park shall be approved by the commission.

Sec. 703. Of the total funds appropriated in section 101 for state park operations, the department shall expend \$40,000.00 to contract with Saginaw valley state university and Delta community college to operate the Jenison trial side museum interpretive center at Bay City state park.

Sec. 704. Included in the appropriation in section 101 for the state parks program is \$100,000.00 for the department to conduct a feasibility study on the establishment of a park on Lake Superior in Marquette county and for site preparation.

Sec. 705. The funds appropriated in section 101 for day-in-the-park is intended to provide for a minority youth outreach program for the following areas in the state:

- (a) Bay City/Saginaw.
- (b) Benton Harbor/St. Joseph.
- (c) Detroit.
- (d) Flint.
- (e) Kalamazoo/Battle Creek.
- (f) Monroe.
- (g) Muskegon.
- (h) Pontiac.

Sec. 706. The department shall report by June 1, 1990 to the house and senate appropriations subcommittees on natural resources the status of the department's progress in implementing the recommendations made by the house special committee to study state parks in the committee's report issued January 19, 1988.

FOREST RESOURCE MANAGEMENT

Sec. 801. The department of state may carry over unexpended snowmobile and off-road vehicle fee collections as authorized by Act No. 74 of the Public Acts of 1968, being sections 257.1501 to 257.1518 of the

Michigan Compiled Laws, and Act No. 319 of the Public Acts of 1975, being sections 257.1601 to 257.1626 of the Michigan Compiled Laws, to fund following year programs in the department of state and the department as appropriated by the legislature.

Sec. 802. The department may carry forward the unexpended revenue collected for wildfire prevention and the Roscommon equipment center. Expenditure shall not exceed revenue collected for the fiscal year together with any unexpended balances of the prior fiscal year.

Sec. 803. Of the funds appropriated in section 101 for the forest resource management division, \$2,500.00 is appropriated for the department to restore the Roscommon county fairgrounds and the immediate area surrounding the fairgrounds from damage resulting from a fire training exercise.

Sec. 804. Of the funds appropriated in section 101 for forest resource management, \$50,000.00 is appropriated for forest management practices on 1,100 acres and road improvements for the Ironwood township Lost Lake park in Gogebic county.

REAL ESTATE

Sec. 901. The department may charge land acquisition projects appropriated for the fiscal year ending September 30, 1990, and for prior fiscal years, a standard percentage fee to be determined by the state budget director, and may use the revenue derived to support the land acquisition service charges provided for in section 101.

Sec. 902. The land and lease sale service charges fund is created. An amount equal to the cost of personal services, printing, postage, advertising, contractual services, and facility rental associated with the sale of oil, gas, and mineral leases and tax reverted lands shall be deducted from the sales and leases and credited to the land and lease sale service charges fund.

Sec. 903. The department shall not offer for public sale any mineral rights that it owns until the department has the permission of the owner of the surface rights to that land.

GEOLOGICAL SURVEY

Sec. 1001. From fees collected pursuant to section 22 of Act No. 61 of the Public Acts of 1939, being section 319.22 of the Michigan Compiled Laws, there is appropriated \$125,000.00 to be known as the brine loss investigation fund that shall be utilized by the supervisor of wells for response and investigation of existing or future alleged instances of groundwater contamination resulting from drilling or operation of oil or gas wells. If necessary, and after consultation with the oil and gas advisory board, the supervisor of wells may negotiate and authorize direct contractual services for surface of hydrogeologic investigations. The fund shall not be used for research or for soil or groundwater sampling where verified complaints do not exist.

Sec. 1002. Of the amount appropriated in section 101 for services to oil and gas programs, an amount not to exceed \$150,000.00 is appropriated for a grant to Michigan state university and the university of Michigan for bioremediation research.

LAND AND WATER MANAGEMENT

Sec. 1051. The \$2,500.00 appropriated in section 101 for swimmer's itch is to be disbursed to the Glen Arbor township for the swimmer's itch control program fund as directed by the Glen Lake association.

Sec. 1052. Of the funds appropriated in section 101 for inland lakes and streams, \$20,000.00 is appropriated for a fish cleaning station in Bay City.

AIR QUALITY

Sec. 1101. The funds appropriated in section 101 for ozone strategy multistate contract shall be expended for participation in the development of a multistate ozone control strategy for the southern Lake Michigan region,

consisting of this state and Wisconsin, Illinois, and Indiana. If a formal agreement to participate in and cooperatively fund this strategy is not reached between Michigan and these states by July 1, 1990, the funds shall not be expended and shall lapse to the general fund. This state shall not contribute more than 25% of the total funding of the multistate ozone control strategy.

ENVIRONMENTAL RESPONSE

Sec. 1201. When funds are expended from the appropriation in section 101 for water cleaning emergency funds for use by the department, the department shall do everything within its powers to ascertain who was at fault in causing a spill or leakage that necessitated the use of the emergency fund to remedy the situation. When possible, the department shall charge and collect from the party responsible for the spill or leakage, the costs incurred by the department in remedying the situation. Funds collected, after the costs of collection, shall be returned to the water cleaning emergency fund. Notwithstanding any other section of this act, these funds are hereby appropriated and allocated for expenditure when received. The department shall report to the appropriations committees of the house of representatives and senate and the house and senate fiscal agencies, the status, use, and results of the water cleaning emergency fund in January, April, July, and October of each year.

Sec. 1202. (1) From the appropriation in section 101 for the Act 307 cleanup program, the department shall continue to make authorizations for site evaluation, interim response activity, final response activity, and contingencies for all environmental contamination sites and for the administration of the program created by the environmental response act, Act No. 307 of the Public Acts of 1982, being sections 299.601 to 299.611 of the Michigan Compiled Laws.

(2) The department shall report all of the following information relative to allocations made from the line "Act 307 cleanup" in section 101 to the senate and house appropriations committees and the senate and house fiscal agencies:

- (a) The name and location of the site for which an allocation is made.
 - (b) The nature of the problem encountered at the site.
 - (c) The estimated time necessary to prepare plans or complete any necessary study if the allocation is for plans or a study.
 - (d) A brief description of how the problem will be resolved if the allocation is made for a response activity.
 - (e) The estimated time to complete the response activity if the allocation is for a response activity.
 - (f) The amount of the allocation.
- (3) The report shall be made available as follows:

<u>Reporting Period</u>	<u>Report Due</u>
October through March	May 15
April through September	November 15

(4) The unexpended portion of the appropriation in section 101 to the department, state cleanups (Act 307 PA 1982) remaining at the end of the fiscal year ending September 30, 1989, shall not lapse to the fund from which appropriated but shall continue to be available for the purposes for which it was appropriated. The funds carried forward into the next fiscal year pursuant to this section shall be used at the discretion of the director of the department for remedial actions only for those sites evaluated under the site assessment system created in the environmental response act, Act No. 307 of the Public Acts of 1982, being sections 299.601 to 299.611 of the Michigan Compiled Laws, and in rules promulgated under that act.

Sec. 1203. (1) The department shall report all of the following information relative to site specific cooperative agreements made from the line "superfund cleanup" to the senate and house appropriations committees and the senate and house fiscal agencies:

- (a) The name and location of the site for which the site specific cooperative agreement is made.
- (b) The nature of the problem encountered at the site.
- (c) The estimated time to prepare plans or complete any necessary study if the allocation is for plans or a study.
- (d) A brief description of how the problem will be resolved if the allocation is made for a remedy.
- (e) The estimated time to complete the remedy of the problem if the allocation is for a remedy.
- (f) The amount of the anticipated financing for the site.

(2) The report shall be made available as follows:

<u>Reporting Period</u>	<u>Report Due</u>
October through March	May 15
April through September	November 15

(3) The unexpended portion of the appropriation in section 101 to the department for superfund cleanup match, remaining at the end of the fiscal year ending September 30, 1990, shall not lapse to the fund from which appropriated but shall continue to be available for the purposes for which it was appropriated.

Sec. 1204. The department shall report to the house and senate appropriations subcommittees on natural resources within 30 days before April 30, 1990 and within 30 days before October 30, 1990 on the status of the department's efforts to reduce the existing backlog of groundwater discharge permits.

Sec. 1205. The department may contract with the department of public health or the department of agriculture, or both, for the purpose of laboratory tests, monitoring, or analyses in connection with the industrial surveillance program. The department performing the service shall bill the department receiving the service for the necessary costs of the service. A department shall pay each bill received for services rendered pursuant to this section from appropriated funds.

Sec. 1206. Of the funds appropriated in section 101 as state match for the superfund cleanup program, an amount not to exceed \$250,000.00 may be expended as state match for the hazardous substance research center appropriated in section 101.

Sec. 1207. (1) The appropriation in section 101 for the Act 307 cleanup program shall be used for the purpose of taking emergency response activities at sites listed under the environmental response act, Act No. 307 of the Public Acts of 1982, being sections 299.601 to 299.611 of the Michigan Compiled Laws, for the implementation of the Act 307 cleanup program, for remediation of contaminated sites on state-owned land, and for the court ordered settlements and related agreements. The department shall report to the house and senate appropriations subcommittees on natural resources any projected shortfall of appropriations made under this section by April 2, 1990.

(2) It is the intent of the legislature that none of the proceeds from the environmental protection bond authorization act, Act No. 326 of the Public Acts of 1988, being sections 299.651 to 299.660 of the Michigan Compiled Laws, or the recreation bond authorization act, Act No. 327 of the Public Acts of 1988, being sections 318.551 to 318.560 of the Michigan Compiled Laws, be used for nonpermanent alternate water supplies at sites listed on the Act 307 environmental response list.

Sec. 1208. (1) The department may receive and expend funds in addition to those authorized in section 101 from the Michigan underground storage tank financial assurance fund for the purpose of carrying out the duties and responsibilities as specified in the Michigan underground storage tank financial assurance act, Act No. 518 of the Public Acts of 1988, being sections 299.801 to 299.828 of the Michigan Compiled Laws. The funds appropriated pursuant to this section are considered work project appropriations and any unencumbered funds shall be carried forward into the succeeding fiscal year.

(2) The Michigan underground storage tank financial assurance policy board, once established, shall allocate the amount of the underground storage tank financial assurance fund to be distributed to the department. If the amount recommended by the board is less than that appropriated in section 101, expenditures shall be adjusted accordingly.

RESOURCE PRESERVATION LAW ENFORCEMENT

Sec. 1301. Of the state general fund/general purpose resources appropriated in section 101 to resource preservation law enforcement, \$2,015,300.00 is to provide reimbursement to the game and fish protection fund for senior citizen reimbursement.

Sec. 1302. Of the amount appropriated in section 101 for general law enforcement there is appropriated an amount not to exceed \$100,000.00 to reimburse local law enforcement agencies in Oceana county for actual expenses incurred for law enforcement activities at or incident to Silver Lake state park.

GRANTS

Sec. 1401. In administering the federal land and water conservation grant program, the department shall not adopt a policy that discriminates against providing funding to small communities in this state.

Sec. 1402. Before any of the \$248,100.00 appropriated in section 101 for groundwater compliance grants is committed, the department shall submit to the senate and house appropriations subcommittees on natural resources a list of the projects and the local governmental units proposed to be funded by the appropriation.

Sec. 1403. (1) If a certified health department does not exist in a city, county, or district or does not fulfill its responsibilities under the septage waste servicers act, Act No. 181 of the Public Acts of 1986, being sections 325.311 to 325.332 of the Michigan Compiled Laws, then the department may spend funds appropriated in section 101 under the septage waste compliance program in accordance with section 17(3) of the septage waste servicers act, Act No. 181 of the Public Acts of 1986, being section 325.327 of the Michigan Compiled Laws.

(2) The department may carry forward unexpended septage waste license fees collected for the septage waste compliance program. Expenditures shall not exceed revenue collected for the fiscal year together with any unexpended balances of the prior fiscal year.

Sec. 1404. Of the state general fund/general purpose funds appropriated in section 101 for purchased lands, \$1,544,100.00 is to reimburse the game and fish protection fund for the third year of a 5-year phase-in of general fund support of 50% of the total tax payments due to local units for lands acquired with hunting and fishing license fees from the game and fish protection fund. Funds described in this section shall only be utilized for those lands acquired with hunting and fishing license fees from the game and fish protection fund.

Sec. 1406. The department shall report to the senate and house appropriations subcommittees on natural resources those local units of government that received hazardous waste grants from the funds appropriated in section 101.

Sec. 1407. The \$14,300.00 appropriation in section 101 to MSU sea grant shall be used for the purpose of preparing a study that accumulates and integrates baseline information on minimal and optimal management options, funding sources and amounts, and facilities and services that are available or necessary for development of aquatic parks at Great Lakes bottomlands preserves.

This act is ordered to take immediate effect.

Secretary of the Senate.

Clerk of the House of Representatives.

Approved.....

Governor.
