22 (2) When it appears to the principal executive officer of each department  
 23 that state spending to local units of government will be less than the amount  
 24 that was projected to be expended for any quarter, the principal executive  
 25 officer shall immediately give notice of the approximate shortfall to the  
 26 department of management and budget, the senate and house appropriations

1 committees, and the senate and house fiscal agencies.

2       Sec. 202. The appropriations made and the expenditures authorized under  
3 this act and the departments, agencies, commissions, boards, offices, and  
4 programs for which an appropriation is made under this act are subject to the  
5 management and budget act, Act No. 431 of the Public Acts of 1984, as amended,  
6 being sections 18.1101 to 18.1594 of the Michigan Compiled Laws.

7       Sec. 203. As used in this act:

8       (a) "ADP" means automatic data processing.

9       (b) "CRP" means the community residential program.

10       (c) "CSS&M" means the contractual services, supplies, and materials  
11 account.

12       (d) "DED" or "ED" means the United States department of education.

6 Sec. 204. The amounts appropriated for utilities and that portion of  
7 contractual services, supplies, and materials used to pay for utility service  
8 to state facilities in section 101 may be expended in a manner consistent with  
9 the provisions of section 253 of the management and budget act, Act No. 431 of  
10 the Public Acts of 1984, as amended, being section 18.1253 of the Michigan  
11 Compiled Laws.

12 Sec. 301. (1) The \$12,326,400.00 appropriated in section 101 for the  
13 inmate housing fund shall be used for the custody, treatment, clinical, and  
14 administrative costs associated with the housing of 837 bureau of correctional  
15 facilities average prisoners. Expenditures from the inmate housing fund shall  
16 be made by administrative transfer to existing accounts or to separate  
17 accounts created to separately identify costs for specific purposes and shall  
18 not be made unless approved by the department of management and budget. Money  
19 shall not be expended from the inmate housing fund for the housing of inmates  
20 unless that housing is provided in an existing or new prison, a community  
21 residential center which has been approved in accordance with existing laws,  
22 or a county jail facility.

23 (2) Quarterly expenditure reports on all allocations and expenditures  
24 from the inmate housing fund shall be submitted by the department to the  
25 department of management and budget, the senate and house appropriations  
26 subcommittees on corrections, and the senate and house fiscal agencies.

1       (3) The department shall submit to the senate and house appropriations  
2 subcommittees on corrections and the senate and house fiscal agencies the  
3 department's planned allocation of the money from the inmate housing fund for  
4 FY 1989-90 no later than November 1, 1989. If allocations are to be made to  
5 new facilities, the request shall identify the name and location of the  
6 facility; the opening date and, if a temporary facility, the projected closing  
7 date; the number of beds; total authorized full-time equated positions; the  
8 average cost per prisoner; the allocation for this fiscal year; and the  
9 estimated full year funding to operate the facility for the fiscal year  
10 beginning October 1, 1990.

11       (4) Except for an emergency, the department shall report to the senate  
12 and house appropriations subcommittees on corrections, the senate and house  
13 fiscal agencies, and to the department of management and budget the proposed  
14 allocations for the inmate housing fund for each facility authorized to  
15 receive funding at least 15 days before approved allocations are made.

16       Sec. 302. (1) The department shall administer a county jail reimbursement  
17 program from the funds appropriated in section 301(1) for the inmate housing  
18 fund.

19       (2) The county jail reimbursement program shall reimburse counties for  
20 housing convicted felons who would otherwise have been sentenced to a state  
21 prison term with a minimum-minimum state felony sentencing guidelines score of  
22 12 months or more.

23       (3) The county jail reimbursement program shall reimburse counties for  
24 housing parole violators and offenders being returned by the department from  
25 community placement to institutional status.

26       (4) State reimbursement under the provisions of this section shall be for

1 prisoner housing and custody expenses in the amount of \$35.00 per diem per  
2 offender.

3 (5) The department shall report monthly to the senate and house  
4 appropriations subcommittees on corrections and the senate and house fiscal  
5 agencies on the number of felons diverted by county, the total number of  
6 reimbursable days, the actual average monthly operating cost, and the county  
7 and total state reimbursement. The report shall include year-to-date  
8 statistics.

9 (6) Reimbursements pursuant to subsection (2) shall terminate on the day  
10 before the effective date of the sentencing guidelines reimbursement program.

11 Sec. 401. (1) Included in the appropriation in section 101 is  
12 \$5,684,300.00 for the SAI program which shall be used for a short-term  
13 intensive incarceration program in conjunction with probation for convicted  
14 felons who would normally have been sentenced to a state prison term. The  
15 program shall consist of a term of incarceration of up to 90 days. The  
16 regimen shall be patterned after a military camp with few privileges and  
17 extensive work, study, and physical activity functions. Restitution and  
18 community service work may be a component of this program.

19 (2) The department shall report monthly to the senate and house  
20 appropriations subcommittees on corrections and the senate and house fiscal  
21 agencies on the SAI program. The report shall contain program population data  
22 on new participants, current enrollment, termination analysis, program  
23 participation by county, felony offense committed by probationer, and race and  
24 age distribution. The report shall provide current monthly data, year-to-date  
25 statistics, and a comparison with last year's statistics.

26 Sec. 402. (1) Included in the appropriation under section 101 is

1 \$300,000.00 to provide funding for a minimum security jail work camp program  
2 for felony offenders. Classification of felony offenders shall be consistent  
3 with the department's jail classification instrument. The minimum security  
4 jail work camp program is intended to encourage local jurisdictions to expand  
5 supervised community work programs and to develop more cost efficient housing  
6 for minimum security felony offenders at the local level. The department  
7 shall provide interested jurisdictions with technical assistance and seed  
8 money for project implementation. The minimum security jail work camp program  
9 may provide for alternative punishment programs including community service  
10 work and provisions for victim restitution.

11 (2) The department shall disseminate guidelines for use by local  
12 jurisdictions for requesting technical assistance and project funding by  
13 November 1, 1989.

14 (3) Interested jurisdictions shall submit to the department by February  
15 1, 1990 a project proposal as approved by the local governing authority  
16 requesting technical assistance.

17 (4) Funding for a specific project under subsection (1) shall not exceed  
18 \$100,000.00 for a single or multi-jurisdiction project. Funding provided  
19 pursuant to subsection (1) shall not be available for the purchase of fixed  
20 assets or to make renovations to existing structures.

21 (5) The department shall evaluate single or multi-jurisdiction project  
22 proposals for both programmatic design and cost effectiveness consistent with  
23 subsection (1).

24 (6) The department shall report to the senate and house appropriations  
25 subcommittees on corrections and the senate and house fiscal agencies the  
26 number of program funding requests received, the programs approved for funding

1 and detailed information for each program funded including organization,  
2 program statement, proposed operating and capital outlay budgets, and  
3 performance objectives by April 1, 1990 and quarterly thereafter.

4       Sec. 403. (1) The department shall provide for the continued operation of  
5 a jail data center management committee. The committee shall consist of 13  
6 members as follows:

- 7       (a) One sheriff from a county with a population less than 25,000.
- 8       (b) One sheriff from a county with a population of 25,000 to 225,000.
- 9       (c) One sheriff from a county with a population greater than 225,000.
- 10       (d) One representative from the Michigan sheriffs' association.
- 11       (e) One representative from the Michigan association of counties.
- 12       (f) Two representatives from the department, 1 from the program research  
13 bureau and 1 from the community corrections advisory committee.
- 14       (g) One representative from the Detroit police department.
- 15       (h) One representative from the Michigan association of chiefs of police.
- 16       (i) One representative from the attorney general's office.
- 17       (j) One representative from the department of management and budget,  
18 OCJP.
- 19       (k) One representative from the department of state police LEIN policy  
20 council.
- 21       (1) One representative from the general public.
- 22       (2) The department shall ensure that all persons appointed to the  
23 management committee are both qualified and motivated to contribute  
24 responsibility to the needs of the committee. The department shall ensure  
25 that the management committee has minority and female representation.
- 26       (3) Committee members shall serve 3-year terms, except that of the

1 members first serving, 4 shall serve a term of 1 year, 4 shall serve a term of  
2 2 years, and 5 shall serve a term of 3 years.

3 (4) The management committee shall establish the policies for  
4 coordinating the collection of data, generating standard and special reports,  
5 and for the release of jail and community alternative program data for special  
6 information requests and for policy analysis.

7 (5) The management committee shall report on its activities, findings,  
8 and recommendations to the department on a fiscal year quarterly basis. The  
9 department shall submit to the senate and house appropriations subcommittees  
10 on corrections and the senate and house fiscal agencies a copy of the  
11 committee's report by not later than 30 days after receiving the report.

12 Sec. 404. (1) Included in the appropriation under section 101 for the  
13 executive CSS&M is \$87,500.00 for coordination and implementation of phase II  
14 of the statewide jail data base program. The jail data base is designed to  
15 link county jails with the jail data collection project. The jail data to be  
16 summarized includes, but is not limited to, capacity, intake, release,  
17 sentencing, and prisoner profiles. The jail data shall be made available upon  
18 request to the department and the senate and house appropriations  
19 subcommittees on corrections for analysis of jail issues and legislative  
20 initiatives. A quarterly report shall be submitted to the department and the  
21 senate and house fiscal agencies summarizing project activities. The  
22 appropriations for the jail data base pilot program may be expended for all  
23 aspects of implementing the program. However, the appropriation for the jail  
24 data base pilot program shall not be used to purchase computer hardware for  
25 use in the jail data base program.

26 (2) Included in the appropriation under section 101 for the executive

1 CSS&M is \$30,000.00 for an independent local community justice system analysis  
2 from the data available under subsection (1). The analysis shall include, but  
3 not be limited to, local jail admission trends and population dynamics, local  
4 sentencing practices, types of offenses classification systems, local  
5 diversion practices in lieu of jail sentence, types of community based program  
6 referrals and their sources of funding, and state and local policy  
7 implications to the criminal justice system.

8 Sec. 405. (1) Included in section 101 is \$40,000.00 for the northwest  
9 Michigan council of government, community justice alternative program, for  
10 continuation of the jail classification instrument-implementation provided  
11 that an equal amount of matching funds or services is received from the  
12 northwest Michigan council of government, community justice alternative  
13 program.

14 (2) Included in the appropriation under section 101 for the executive  
15 CSS&M is \$40,000.00 for the development of a predictor jail classification  
16 instrument to assist in placing offenders in community programs.

17 (3) A quarterly report summarizing the activities, progress, and  
18 expenditures of the funding provided for in this section shall be submitted to  
19 the department, the department of management and budget, and the senate and  
20 house fiscal agencies.

21 Sec. 406. Included in the appropriation in section 101 for  
22 programs—CSS&M is \$5,000.00 for the department to sponsor an annual criminal  
23 justice population and policy conference. The meeting shall be scheduled  
24 during the fourth quarter of the fiscal year. Representatives shall include,  
25 but not be limited to, the department's bureau of programs, bureau of  
26 correctional facilities, the jail and community alternative program data

1 center, the Michigan sheriffs' association, the Michigan judges association,  
2 the prosecuting attorneys coordinating council, the department of management  
3 and budget, the senate and house fiscal agencies, and other interested  
4 individuals involved with Michigan's criminal justice system shall be invited  
5 to meet to review, evaluate, and discuss jail and prison population issues,  
6 facility issues, and criminal justice policy alternatives. The department may  
7 reimburse state employees for attendance at the conference only for  
8 registration and attendance fees, lodging, meals, travel, and other related  
9 costs.

10 Sec. 407. (1) Included in the \$5,010,300.00 appropriated in section 101  
11 for the maximum supervision program is funding for the continuous monitoring  
12 tether program.

13 (2) It is the intent of the legislature that all CRP, probationers, and  
14 parolees involved with the continuous monitoring tether program shall  
15 reimburse the department for all equipment related costs associated with their  
16 participation in the program. The department shall develop a community  
17 service work reimbursement schedule which may be substituted at the  
18 department's discretion as a means of payment for those individuals unable to  
19 pay for the cost of the equipment.

20 (3) Included in the appropriation in subsection (1) is \$1,934,400.00 for  
21 lease/purchase payments for the continuous monitoring tether program.

22 (4) Program participant contribution revenues for the maximum  
23 supervision/electronic tether program appropriated in section 101 are related  
24 to program expenditures and may be used to offset expenditures for this  
25 purpose.

26 Sec. 501. (1) The \$20,776,600.00 and the \$7,295,600.00 appropriated in

1 section 101 for the federal court consent decree and the Hadix court consent  
2 decree, respectively, shall constitute separate work project accounts.  
3 Expenditures from these accounts shall be made by administrative transfer to  
4 separate accounts created for the purpose of separately identifying costs  
5 associated with each consent decree and shall not be made unless approved by  
6 the department of management and budget. These separate accounts shall  
7 constitute work project accounts.

8 (2) All state plans and subsequent revisions which are prepared by the  
9 department pursuant to the federal court consent decree or the Hadix court  
10 consent decree and which require expenditures from consent decree  
11 appropriations for the cost of additional staffing or for capital outlay  
12 including planning, special maintenance, remodeling and additions, and  
13 construction shall be submitted to the legislative committees designated  
14 herein and to the department of management and budget 30 days before their  
15 adoption by the corrections commission. Plans requiring additional staffing  
16 shall be submitted to the appropriations committees of the senate and the  
17 house of representatives and those requiring capital outlay expenditures shall  
18 be submitted to the joint capital outlay subcommittee of the appropriations  
19 committees.

20 Sec. 502. (1) The department shall continue to fill the 289.0 full-time  
21 equated positions authorized in section 101 for the DOJ consent  
22 decree-psychiatric plan as quickly as qualified personnel can be recruited.

23 (2) The department shall only hire the recommended support staff for the  
24 DOJ consent decree-psychiatric plan as qualified psychiatrists and  
25 psychologists are recruited and the demand for support services is realized.

26 Sec. 601. Included in appropriations to the bureau of correctional

1 facilities, CSS&M in section 101 is \$50,000.00 for a contract between the  
2 department and the department of state police for a program to provide drug  
3 detection screening at state correctional facilities. The screening shall be  
4 conducted on a random rotational basis in the correctional facilities by a  
5 canine drug detection dog and qualified state trooper handler.

6 Sec. 602. The \$749,500.00 appropriated under section 101 for the  
7 community residential program--substance abuse unit shall be used to conduct  
8 drug testing of prisoners at community corrections centers at random intervals.

9 Sec. 603. (1) From the \$70,300.00 appropriated in section 101 to the  
10 bureau of correctional facilities administration for CSS&M, \$50,000.00 is  
11 provided for a combination of services including stress management training  
12 for correctional employees and therapeutic services for department employees  
13 participating in the voluntary controlled substance detection and treatment  
14 program. The stress management program is specifically designed for the  
15 treatment of problems directly related to the stress of working in  
16 correctional facilities or with prisoners.

17 (2) Pursuant to the provisions of civil service rules and regulations and  
18 applicable collective bargaining agreements, individuals seeking employment  
19 with the department shall submit to a controlled substance test. Any  
20 applicant whose test results are positive shall not be considered for  
21 employment for at least 12 months.

22 Sec. 604. In the appropriation under section 101 is an amount sufficient  
23 for the department to continue the testing of prisoners as a precondition to  
24 participation in prison industries operations and placement in CRP centers and  
25 resident homes programs. All such prisoners shall be required to take a test  
26 to detect the presence of alcohol or controlled substances as defined in R

1 791.5501(2)(t)(i) of the department's administrative rules. If the results of  
2 a drug test show that a prisoner has present in his or her body any of the  
3 prohibited substances, the prisoner shall be denied access to the programs.  
4 In addition to the prescreening drug testing, the department shall develop  
5 procedures for the random retesting of prisoners during their involvement in  
6 the programs.

7 Sec. 701. The department shall apply for proper licensure and  
8 accreditation of each of its health care programs, including mental health  
9 inpatient and outpatient programs. The department shall implement the most  
10 cost effective operational plan while meeting licensure and accreditation  
11 requirements.

12 Sec. 702. (1) The \$122,300.00 appropriated in section 101 for the  
13 cooperative medical school programs is intended to afford the department the  
14 flexibility as is required to find and employ competent physician support for  
15 its institutions.

16 (2) If physician services are to be acquired through a medical school,  
17 clinical services shall not be distinguished from educational components.

18 (3) A quarterly report shall be submitted to the senate and house  
19 appropriations subcommittees on corrections and the senate and house fiscal  
20 agencies summarizing medical school programs contracted, type of services  
21 contracted, the correctional facilities that required the outside physician  
22 support, and a statement explaining whether the need for contracting is  
23 temporary, that is, whether the department plans to hire staff with the  
24 contracted expertise or whether contracting the service is the most cost  
25 effective method.

26 Sec. 703. All inpatient and outpatient services provided for prisoners

1 by outside hospitals shall be paid for on a prospective cost-based  
2 reimbursement system and inpatient or outpatient services shall not be paid  
3 for on a charge-based reimbursement system. The department shall pursue  
4 health care cost containment measures and report to the department of  
5 management and budget, senate and house appropriations subcommittees on  
6 corrections, and the senate and house fiscal agencies by April 1, 1989.

7       Sec. 801. (1) The appropriations for food contained in this act are  
8 established on the basis that food items produced or processed on prison farms  
9 not operated by prison industries are priced based on production costs.  
10 Production costs include only the supplies, materials, and contractual  
11 services and prisoner wage costs incurred in producing the food items.

12       (2) The proceeds of any product, livestock, or products grown, raised, or  
13 produced by the prisoners of any institution within this act and which are  
14 sold to any other state institution or on the open market as surplus shall be  
15 credited to the producing institution's CSS&M account.

16       (3) If the prison farms are operated by prison industries, the  
17 appropriations for food contained in this act are established on the basis  
18 that food items produced or processed on the prison farms by prison industries  
19 are priced in an amount that shall not exceed current institutional wholesale  
20 prices.

21       Sec. 802. Funds collected by institutions for meals served at the  
22 institution to institution employees not required to eat meals at the  
23 institution shall be placed in the respective institution food account.

24       Sec. 803. Money collected by the corrections academy for meals served at  
25 the academy to academy employees not required to eat meals at the academy  
26 shall be placed in the corrections academy account.

1       Sec. 804. The \$117,800.00 appropriated in section 101 for the inmate  
2 legal services program shall be used to contract with an outside, independent  
3 agency or nonprofit corporation to ensure the provision of independent legal  
4 aid services for inmates.

5       Sec. 805. (1) The department shall provide for continuation of the  
6 Michigan state industries advisory committee. The committee shall be composed  
7 of not less than 7 members nor more than 10 members, to include  
8 representatives from the following: the department of management and budget  
9 purchasing division, the Michigan association of counties, the department of  
10 commerce, Michigan labor unions, Michigan industry, and a director from a  
11 state agency other than the department. The department shall ensure that all  
12 individuals appointed to the Michigan state industries advisory committee are  
13 both qualified and motivated to contribute responsibly to the needs of the  
14 committee. Committee members shall serve 3-year terms. The members first  
15 serving shall serve staggered terms consisting of 1, 2, and 3-year terms. The  
16 department shall ensure that individuals appointed to the advisory committee  
17 are knowledgeable in 1 or more of the following areas: financial management;  
18 labor/management relations; market research; product marketing; labor unions;  
19 the small business community; and state government. The advisory committee  
20 would assist department management with strategic planning, new product  
21 introduction, market development, production and organization issues, and  
22 prisoner compensation schedules.

23       (2) The department shall complete a comprehensive program analysis  
24 regarding the cost effectiveness of transferring food preparation operations  
25 to MSI. The department shall report the findings of the study to the senate  
26 and house appropriations subcommittees on corrections for review before MSI

1 takes over management of the quick chill food operations.

2       Sec. 807. The department shall aggressively expand work opportunities  
3 for prisoners within the prison system to reduce the cost to the state for the  
4 prisoners' incarceration.

5       Sec. 808. The department may collect funds for compassionate visit cost  
6 reimbursement, cost of drug research at the state prison of southern Michigan,  
7 and reimbursement of costs for housing federal prisoners, and may accept funds  
8 as bequests and donations. Notwithstanding any other section of this act,  
9 these funds are hereby appropriated and allotted for expenditure when received.

10       Sec. 809. (1) Resident contribution revenues appropriated to the  
11 department in section 101 are related to community residential centers-CSS&M,  
12 rent, and travel expenditures, and may be used to offset expenditures for  
13 these purposes in year-end account closing.

14       (2) It is the intent of the legislature that all CRP prisoners who have  
15 the financial resources shall reimburse the department. The department shall  
16 develop a community service work reimbursement schedule which may be  
17 substituted at the department's discretion as a means of payment for those  
18 individuals unable to pay.
