- 26 Sec. 205. By March 1, 1990, the department shall report to the members of

1 the senate and house appropriations subcommittees on public health, the senate
2 and house fiscal agencies, and to the department of management and budget on
3 the department's affirmative action program including recruitment, training,
4 and career ladder development. The report shall specify the number of new
5 hires, promotions, and reallocations by civil service classification and grade
6 and by race, sex, and handicapping condition.

7 Sec. 206. To promote more effective management of the department, the
8 director of public health may utilize not more than 20 positions from any
9 appropriation account for functions in other department units which the
10 director of public health considers to be more critical to the management of
11 departmental programs. The department shall report quarterly to the department
12 of management and budget, the senate and house appropriations committees, and
13 the senate and house fiscal agencies on the transfer of positions and costs
14 pursuant to this part.

15 Sec. 207. If the federal and restricted funds used as a source of funding
16 for programs in section 101 are not received in the amount appropriated, the
17 department shall submit a report to the members of the house and senate
18 appropriations subcommittees on public health, house and senate fiscal
19 agencies, and the department of management and budget on the amount received by
20 type of federal and restricted funding and the planned allocations among
21 individual programs in comparison to appropriated amounts and originally
22 planned allocations. The report shall be submitted prior to the implementation
23 of any revised allocations.

24 Sec. 208. The department shall provide a report on contractual services
25 to the senate and house appropriations subcommittees on public health and the
26 senate and house fiscal agencies each quarter. The report shall be based on

1 the monthly civil service statewide contracted services report required by
2 section 281 of the management and budget act, Act No. 431 of the Public Acts of
3 1984, being section 18.1281 of the Michigan Compiled Laws. The report shall
4 provide the name of the contractor, the dollar value of the contract,
5 description and location of the service to be provided, and justification for
6 the contract.

7 Sec. 209. The funds appropriated in section 101 for all grants to local
8 agencies shall not lapse at the end of the fiscal year, but shall continue to
9 be available for expenditure provided that an agreement has been executed
10 between the department and a responsible local agency or contractor prior to
11 September 15, 1990. The expenditure of such funds shall be in accordance with
12 the terms of the agreement.

13 Sec. 210. The amounts appropriated in section 101 for utilities and that
14 portion of contractual services, supplies, and materials used to pay for
15 utility service to state facilities may be expended in a manner consistent with
16 section 253 of the management and budget act, Act No. 431 of the Public Acts of
17 1984, being section 18.1253 of the Michigan Compiled Laws.

18 Sec. 211. The department may contract with the Michigan public health
19 institute for the design and implementation of projects and for other public
20 health related activities. The department shall report on potential projects
21 to be contracted with the institute, expected project duration, and project
22 cost to the house and senate appropriations subcommittees on public health,
23 senate and house fiscal agencies, and the department of management and budget
24 30 days before the signing of the contract. For purposes of this section, the
25 Michigan public health institute shall be considered a public health agency.

26 EXECUTIVE SERVICES

1 Sec. 301. Expenditures of federal or other restricted allotments from the
2 amounts appropriated in section 101 for federal and other restricted assistance
3 for health services shall not be made until after receipt of the
4 recommendations of the department of management and budget and the approval of
5 the public health subcommittees of the senate and house appropriations
6 committees. If any request for approval is not acted upon within 60 days after
7 the date of submission to the public health subcommittees of the senate and
8 house appropriations committees, the request shall be considered approved.

9 Sec. 302. Of the amount appropriated in section 101 from revenues from
10 fees and collections, not more than \$250,000.00 received from the sale of vital
11 records death data shall be used for improvements in the vital records and
12 health statistics program. The amount described in this section shall not
13 revert to the general fund at the end of the fiscal year ending September 30,
14 1990. Not later than December 1, 1990, the amount of any unexpended balances
15 and the proposed uses for those balances shall be reported to the department of
16 management and budget, the members of the senate and house subcommittees on
17 public health, and the senate and house fiscal agencies.

18 Sec. 303. The amount appropriated to the department in section 101 for
19 the post-polio education and referral project shall be used to provide for the
20 dissemination of information and educational materials to health care
21 professionals and polio survivors concerning the symptoms of the late effects
22 of polio and the resources available for evaluation, treatment, and
23 rehabilitation, the presentation of workshops and public information programs
24 to educate health professionals and the general public about the late effects
25 of polio, and other activities with health professionals and polio survivor
26 support groups to increase access to needed services for polio survivors.

1 Sec. 304. The funds appropriated in section 101 for the Vietnam veterans
2 agent orange program shall be considered a work project account that shall not
3 lapse at the end of the fiscal year.

4 COMMUNICABLE DISEASE CONTROL

5 Sec. 401. The department shall not pay for billings received for the care
6 and treatment of tuberculosis patients which are submitted more than 12 months
7 after the services are rendered.

8 Sec. 402. State funds appropriated in any other account in section 101
9 may be used to supplant not more than \$250,000.00 in federal funds projected
10 for immunization, if the federal funds are unavailable. The department shall
11 inform the senate and house appropriations subcommittees on public health,
12 senate and house fiscal agencies, and the department of management and budget
13 of the specific line items reduced pursuant to this section.

14 BIOLOGIC PRODUCTS

15 Sec. 501. The appropriations in section 101 for contracts for projects
16 and biologic products processing do not prohibit the department from charging
17 related activities to other appropriate operational accounts in the laboratory
18 services and biologic products appropriation units.

19 Sec. 502. Not later than December 1, 1990, the department shall report to
20 the department of management and budget, the members of the senate and house
21 appropriations subcommittees on public health, and the senate and house fiscal
22 agencies on the revenues received by and expended from the pharmaceutical
23 products fund created in section 9112 of the public health code, Act No. 368 of
24 the Public Acts of 1978, being section 333.9112 of the Michigan Compiled Laws.

25 Sec. 503. Biologic product sales by the Michigan department of public
26 health laboratories, pursuant to Act No. 279 of the Public Acts of 1982, shall

1 not be restricted to the production and sale of human pharmaceuticals, but
2 shall be compatible with existing public health functions. Except in emergency
3 situations as described by section 9111 of the public health code, Act No. 368
4 of the Public Acts of 1978, being section 333.9111 of the Michigan Compiled
5 Laws, the department may determine the price of such products, which shall not
6 be less than the actual cost of production. Revenues appropriated in section 1
7 from the biologic product sales program shall not lapse to the general fund at
8 the end of the fiscal year ending September 30, 1990. The amount of any
9 unexpended balances and proposed uses shall be reported to the department of
10 management and budget and to the senate and house subcommittees on public
11 health not later than December 1, 1990.

12 COMMUNITY ENVIRONMENTAL HEALTH

13 Sec. 601. (1) The department shall not reimburse a claim by an operator
14 of an agricultural labor camp pursuant to sections 12431 and 12432 of the
15 public health code, Act No. 368 of the Public Acts of 1978, being sections
16 333.12431 and 333.12432 of the Michigan Compiled Laws, from the amount
17 appropriated in section 101 for the migratory labor housing fund, until that
18 portion of the labor camp utilized for migrant housing is in compliance with
19 all state statutes and rules pertaining to the licensure of migrant labor camps
20 as determined by on-site inspections both before and after occupancy.

21 (2) The \$397,000.00 appropriated in section 101 for the migratory labor
22 housing fund shall only be expended on projects started after January 1, 1985.
23 The department of public health shall report before February 1, 1990, to the
24 department of management and budget, the senate and house appropriations
25 subcommittees on public health, and the senate and house fiscal agencies on the
26 implementation of the utilization and program expenditures. The report shall

1 include the name of each agricultural labor camp that received a grant, the
2 amount of the grant for each agricultural labor camp, and any amount that was
3 received by the agricultural labor camp from any other governmental unit.

4 HEALTH CARE RESOURCES DEVELOPMENT AND REGULATION

5 Sec. 701. The amount appropriated in section 101 for the EMS program
6 shall include funding for regional contracts which shall include, at a minimum,
7 EMS ambulance inspection, EMS personnel licensure examinations, review of
8 training programs, and consultation.

9 Sec. 702. Spending authorization is contingent upon actual fees being
10 received for the amount appropriated to the department in section 101 to fund
11 the increase of \$535,400 and 12.5 FTE positions in the certificate of need
12 (C.O.N.) program.

13 D. J. JACOBETTI VETERANS' FACILITY

14 Sec. 801. Notwithstanding Act No. 152 of the Public Acts of 1885, being
15 sections 36.1 to 36.12 of the Michigan Compiled Laws, the commandant of the D.
16 J. Jacobetti veterans' facility may give special consideration for admission to
17 handicapped veterans who have served in the armed forces of the United States
18 for less than 90 days and who have been honorably discharged.

19 CENTER FOR HEALTH PROMOTION

20 Sec. 901. The appropriations in section 101 for the Michigan model for
21 comprehensive school health education shall be used for contracts and services
22 for implementation efforts, including a school health materials center. The
23 contracts and services for implementation efforts relating to the school health
24 materials center and special projects shall be with central Michigan
25 university. The contracts and services shall be reviewed by the state
26 interagency steering committee and reported in their annual implementation plan.

1 Sec. 902. In developing and implementing AIDS provider education
2 activities, the department may provide funding to the Michigan state medical
3 society to serve as lead agency to convene a consortium of health care
4 providers, to design needed educational efforts, to fund other statewide
5 provider groups, and to assure implementation of these efforts, in accordance
6 with a plan approved by the department.

7 Sec. 903. On January 1, April 1, and July 1, 1990, the department shall
8 report to the members of the senate and house appropriations subcommittees on
9 public health, the senate and house fiscal agencies, and the department of
10 management and budget the number of laboratory tests pertaining to AIDS
11 actually performed by the department and any changes in the allocation of funds.

12 Sec. 904. The amount appropriated to the department in section 101 from
13 the Michigan health initiative fund represents an appropriation of \$9 million
14 and carry-forward authorization of \$2.25 million.

15 Sec. 905. The regional technical centers, established by the department
16 in section 101 under worksite risk reduction and health promotion grants, shall
17 provide upon request technical assistance for the establishment of employee
18 assistance programs.

19 Sec. 906. By January 1, 1990, the department shall submit an annual
20 report to the senate and house appropriations subcommittees on public health,
21 senate and house fiscal agencies, and the department of management and budget
22 regarding grants and services provided from the Michigan health initiative fund.

23 COMMUNITY SERVICES GRANTS TO LOCAL AGENCIES

24 Sec. 1001. Of the amount appropriated in section 101 for low-income
25 prenatal care, not more than 10% may be expended for state and local
26 administration, data processing, and evaluation.

1 Sec. 1002. The department shall review the basis for the distribution of
2 funds to local health departments and other public and private agencies for the
3 women, infants, and children food supplement program; family planning; early
4 and periodic screening, diagnosis, and treatment program; and low-income
5 prenatal care program and indicate the basis upon which any projected
6 underexpenditures by local public and private agencies shall be reallocated to
7 other local agencies that demonstrate need.

8 Sec. 1003. A clinic, institution, or other health facility receiving
9 state funding for family planning purposes shall provide to a client seeking
10 family planning services, at initial contact, a pamphlet containing educational
11 information to assist the patient in making responsible parenting decisions.
12 The pamphlet shall include, but not be limited to, information regarding the
13 physical, financial, and time commitment involved in parenting. The pamphlets
14 required by this section shall be provided by the department. The pamphlets
15 shall be written in English and in clear, nontechnical terms. Copies of the
16 pamphlets shall also be printed in Spanish and distributed upon request to the
17 clinics, institutions, and other health facilities described in this section.

18 Sec. 1004. The amount appropriated in section 101 for state/local cost
19 sharing may be used for special grants to local health departments to satisfy
20 minimum funding levels prescribed by section 2477 of the public health code,
21 Act No. 368 of the Public Acts of 1978, being section 333.2477 of the Michigan
22 Compiled Laws, and any other authorized supplement. The special grants shall
23 not exceed a total of \$250,000.00.

24 Sec. 1005. For all programs appropriated in section 101 for community
25 services grants to local agencies unit, the department shall contract with
26 those local public and private nonprofit agencies best able to serve clients.

1 Factors to be used in the evaluation shall include ability to serve high-risk
2 population groups; ability to serve low-income clients, where applicable;
3 availability of, and access to, service sites; management efficiency; and
4 ability to meet federal standards, where applicable.

5 Sec. 1006. Expenditures for the early and periodic screening, diagnosis,
6 and treatment program, including state administration, and for the medical
7 review and nursing evaluation program, shall not exceed the actual amount of
8 funds available from the department of social services and any associated
9 federal matching funds.

10 CRIPPLED CHILDREN SERVICES

11 Sec. 1101. Money appropriated in section 101 for medical care and
12 treatment of crippled children shall be paid according to reimbursement
13 policies determined by the Michigan medical assistance program. Exceptions to
14 these policies may be taken with the prior approval of the department of
15 management and budget.

16 Sec. 1102. The department may do 1 or more of the following:

17 (a) Provide special formula for eligible clients with specified metabolic
18 and allergic disorders.

19 (b) Provide medical care and treatment to eligible patients with cystic
20 fibrosis who are 21 years of age or older.

21 (c) Provide genetic diagnostic and counseling services for eligible
22 families.

23 (d) Provide medical care and treatment to eligible patients with
24 hereditary coagulation defects (hemophilia) who are 21 years of age or older.

25 Sec. 1103. A provider of service who does not submit a bill for care
26 related to part 58 of the public health code, Act No. 368 of the Public Acts of

1 1978, being sections 333.5801 to 333.5879 of the Michigan Compiled Laws, within
2 12 months after the date of service forfeits the right to payment and shall not
3 seek reimbursement from the recipient of the care nor from the recipient's
4 family or guardian.

5 SUBSTANCE ABUSE GRANTS AND CONTRACTS

6 Sec. 1201. This act does not prohibit the provision of programmatic or
7 financial support for the same or similar services by state departments other
8 than the office of substance abuse services.

9 Sec. 1202. The funds appropriated in section 101 for the SAPE program
10 shall be used to support regional drug education programs through contracts
11 with selected intermediate school districts. These state funds shall not be
12 expended unless the intermediate school district appropriates an amount equal
13 to 10% of the total program.

14 Sec. 1203. Not more than \$47,400.00 may be expended from the amount
15 appropriated in section 101 for community substance abuse prevention,
16 education, and treatment grants to reimburse the department of state police for
17 fire inspection of substance abuse facilities.

18 Sec. 1204. Of the funds appropriated in section 101 for substance abuse,
19 not more than 10% of state administered funds may be expended for
20 administration of coordinating agencies.

21 Sec. 1205. Of the funds appropriated in section 101 for substance abuse
22 prevention, education, and treatment grants, not more than \$100,000.00 may be
23 utilized by the OSAS to implement fire and safety standards for local
24 residential services programs.

25 Sec. 1206. The amount appropriated in section 101 for substance abuse
26 prevention, education, and treatment grants shall be expended for contracting

1 with coordinating agencies or designated service providers.

2 Sec. 1207. The department shall not pay for services rendered under part
3 65 of the public health code, Act No. 368 of the Public Acts of 1978, being
4 sections 333.6501 to 333.6523 of the Michigan Compiled Laws, if the billings or
5 invoices for those services are submitted more than 12 months after the
6 services are rendered.

7 Sec. 1208. Of the amount appropriated in section 101 for community
8 substance abuse prevention, education, and treatment grants, \$992,500.00 shall
9 be for alcoholism and drug abuse services provided in residential and
10 outpatient settings to statewide medicaid and Wayne county general
11 assistance/resident county hospitalization substance abuse clients.

12 Sec. 1209. (1) On or before September 1, 1989, the office of substance
13 abuse services shall submit a program spending plan for the \$9,355,700 increase
14 in Governor's anti-drug abuse initiatives appropriated in section 101 to the
15 department of management and budget, and the senate and house appropriations
16 subcommittees on public health. Except as otherwise provided in subsection
17 (2), the plan shall not be implemented until the plan has been approved by the
18 department of management and budget, and the senate and house appropriations
19 subcommittees on public health.

20 (2) If the plan is not acted upon within 30 days by the senate and house
21 appropriation subcommittees on public health, the plan shall be considered
22 approved.
