(kk) "SSDI" means social security disability income.

Sec. 203. The appropriations made and the expenditures authorized under this act and the departments, agencies, commissions, boards, offices, and programs for which an appropriation is made under this act are subject to the management and budget act, Act No. 431 of the Public Acts of 1984, being sections 18.1101 to 18.1594 of the Michigan Compiled Laws.

1       Sec. 204. (1) The director of the department of management and budget is  
2 authorized to make administrative transfers in such amounts as may be  
3 necessary from amounts appropriated in section 101 to cover current deficits  
4 created by prorated monthly sick leave payments resulting from employees  
5 retiring under section 19a of the state employees' retirement act, Act No. 240  
6 of the Public Acts of 1943, being section 38.19a of the Michigan Compiled Laws.

7       (2) The department of management and budget shall report to the house and  
8 senate appropriations committees the listing of all administrative transfers  
9 made under the authority of subsection (1).

10      Sec. 205. The departments of commerce, labor, and licensing and  
11 regulation shall establish and maintain affirmative action programs, based on  
12 the guidelines developed by the Michigan equal employment and business  
13 opportunity council which was created by Executive Order 1983-4, in order to  
14 receive general fund/general purpose dollars.

15      Sec. 206. The departments of commerce and labor shall submit a report to  
16 the chairpersons of the regulatory subcommittees of the house and senate  
17 appropriations committees on the details of allocations within program  
18 budgeting line items by December 1, 1989 and June 1, 1990. The reports shall  
19 include, but not be limited to, a listing, by account and dollar amount, of  
20 salaries and wages; longevity and insurance; retirement; contractual services,  
21 supplies, and materials; equipment; travel; and consulting services within  
22 each program line item appropriated to the departments of commerce and labor  
23 for the fiscal year ending September 30, 1990.

24      Sec. 207. The amounts appropriated for utilities and that portion of  
25 contractual services, supplies, and materials used to pay for utility service  
26 to state facilities in section 101 may be expended in a manner consistent with

1 the provisions of section 253 of the management and budget act, Act No. 431 of  
2 the Public Acts of 1984, as amended, being section 18.1253 of the Michigan  
3 Compiled Laws.

4 DEPARTMENT OF COMMERCE

5 Sec. 301. (1) The department of commerce shall develop performance  
6 measures and monitoring techniques for the following programs and offices:  
7 the ombudsman's office; the office of women owned businesses; the office of  
8 minority business; the office of small business services; the international  
9 offices; the manufacturing development group; Michigan modernization services;  
10 local development services, including the community growth alliance network;  
11 the Michigan strategic fund programs; the promotion programs, including the  
12 cooperative advertising initiatives; the research office, the communications  
13 group; and the travel bureau.

14 (2) The performance measures and monitoring techniques required by  
15 subsection (1) shall be defined according to program strategy and results,  
16 customer satisfaction and product quality.

17 (3) The department of commerce shall report the results of all research  
18 and surveys on the economic development and tourism efforts carried out by the  
19 department, or for the department by other public or private agencies,  
20 organizations or consulting firms.

21 (4) The department of commerce shall report on its proposed performance  
22 measures, monitoring techniques, research studies and surveys to the  
23 regulatory subcommittees of the house and senate appropriation committees with  
24 copies to the house and senate fiscal agencies by January 31, 1990. The  
25 report shall evaluate the performance of each program and office by the  
26 established criteria and determine the effectiveness of the monitoring

1 techniques, evaluate the research studies conducted and provide an overall  
2 analysis of the department's economic and promotional efforts for the prior  
3 fiscal year.

4 Sec. 302. Any funds appropriated to the department of commerce for fiscal  
5 year 1989-90 which are committed or encumbered in a contractual agreement may  
6 be carried forward until the project specified in the contractual agreement is  
7 completed.

8 Sec. 303. Revenue from corporate fees and securities fees as provided in  
9 section 101 for the department of commerce shall be considered as a single  
10 combined revenue source and may be used to satisfy deductions for both  
11 corporate fees and securities fees.

12 Sec. 304. (1) (a) The local development services bureau, property  
13 development division may collect the following service fees to pay for the  
14 operation of that division.

15 (i) State boundary commission fees -- The division may collect a petition  
16 filing fee on all petitions including: annexation petitions, initiated by  
17 property owners, who may be one individual or a group of individuals,  
18 corporations, partnerships, associations both public and private, governmental  
19 units including the U.S. government, the state of Michigan, cities, villages,  
20 townships, authorities, colleges, universities, community colleges, school  
21 boards, or any other governmental body that owns real property; annexation  
22 petitions initiated and filed by residents and property owners; annexation  
23 petitions initiated by registered voters; annexation petitions initiated and  
24 filed by city council resolutions; city and village incorporation petitions  
25 initiated and filed by residents and property owners; and consolidation  
26 petitions initiated and filed by registered voters. This fee shall not exceed

1 .25% of the state equalized value of the property addressed in the petition.

2 (ii) Subdivision control act administration fees -- The division may  
3 collect a plat review fee of \$1,500 per plat, and \$50 for each lot in the plat.

4 (iii) County rural zoning act administration fee -- The division may  
5 collect a fee which shall not exceed .25% of the state equalized value of the  
6 property addressed in the rezoning request.

7 (iv) Michigan environmental review board fee -- The division may collect a  
8 fee from state agencies, local governments, public or private organizations  
9 and individual citizens not to exceed \$1,000 per certificate issued or review  
10 of an environmental issue.

11 (b) Fees collected by the local development services bureau, property  
12 development division, shall be appropriated for all expenses necessary for the  
13 operation of that division. Funds are allotted for expenditure when they are  
14 received by the department of treasury and shall not lapse to the general fund  
15 at the end of the fiscal year. In the event that fees collected are less than  
16 appropriated, the department may transfer from other general fund budget lines  
17 in accordance with the management and budget act, Act No. 431 of the Public  
18 Acts of 1984, as amended, being sections 18.1101 to 18.1594 of the Michigan  
19 Compiled Laws to cover the shortfall.

20 (2) The department shall sell copies of the subdivision control manual,  
21 state boundary commission operations manual, and other local government  
22 assistance manuals at a price not to exceed the cost of printing. The money  
23 received from the sale of these manuals shall revert to the department. The  
24 funds are allotted for expenditure when they are credited and may be used only  
25 for costs directly related to the continued updating and distribution of the  
26 manuals.

1       (3) The communications group funded in the appropriation in section 101 to  
2 the department of commerce, information and communication services may charge  
3 for services and actual cost of production. These funds are allotted for  
4 expenditure when they are received and shall not lapse to the general fund at  
5 the end of the fiscal year.

6       (4) The travel bureau may establish and collect a fee to cover the cost of  
7 materials and processing of photographic prints, slides, and video tapes which  
8 are requested by the media and other segments of the public and private  
9 sectors. The fees collected shall be appropriated for all expenses necessary  
10 to purchase and distribute these photographic prints, slides, and video  
11 tapes. The funds are allotted for expenditure when they are received by the  
12 department of treasury.

13       (5) The funds collected by the department of commerce, corporation and  
14 securities division, for furnishing copies of documents, reports, and papers  
15 required or permitted by law pursuant to section 1060(5) of the business  
16 corporation act, Act No. 284 of the Public Acts of 1972, being section  
17 450.2060 of the Michigan Compiled Laws, are appropriated for all expenses  
18 necessary to provide the required services. Funds are allotted for  
19 expenditure when they are received by the department of treasury.

20       (6) The corporation and securities bureau shall sell copies of the mobile  
21 home commission act, Act No. 96 of the Public Acts of 1987, being sections  
22 125.2301 to 125.2350 of the Michigan Compiled Laws, the business corporation  
23 act, Act No. 284 of the Public Acts of 1972, being sections 450.1101 to  
24 450.2099 of the Michigan Compiled Laws, the nonprofit corporation act, Act No.  
25 162 of the Public Acts of 1982, being sections 450.2101 to 450.3192 of the  
26 Michigan Compiled Laws, and the uniform securities act, Act No. 265 of the

1 Public Acts of 1964, being sections 451.501 to 451.818 of the Michigan  
2 Compiled Laws, at a price not to exceed the cost of printing. Money received  
3 from the sale of these manuals shall revert to the department of commerce.  
4 The funds are allotted for expenditure when they are received by the  
5 department of treasury and may only be used for costs directly related to the  
6 continued updating and distribution of the acts pursuant to this subsection.

7 (7) Funds received from federal agencies for reimbursement of examination  
8 and supervision services provided by the financial institutions bureau shall  
9 revert to the financial institutions bureau. Reimbursed funds shall be  
10 submitted to the department of treasury and shall be used only for costs  
11 relating to examination and supervision of state chartered financial  
12 institutions.

13 (8) The liquor control commission shall sell copies of the Michigan liquor  
14 control act, Act No. 8 of the Public Acts of the Extra Session of 1933, being  
15 sections 436.1 to 436.58 of the Michigan Compiled Laws, with amendments at a  
16 price not to exceed the cost of printing. The money received from the sale of  
17 the Michigan liquor control act with amendments shall revert to the liquor  
18 control commission. The funds are allotted for expenditure when they are  
19 credited and may be used only for costs directly related to the continued  
20 updating and distribution of the Michigan liquor control act.

21 (9) The department of commerce may provide data processing services to  
22 other state departments, commissions, boards, agencies, and offices. User  
23 service charges may be used to recover direct and overhead costs as  
24 appropriated in section 101.

25 (10) Fees or service charges received for data processing services and  
26 communication support services in excess of the gross appropriation in section

1 101 are appropriated and may be used to pay for the additional expenses  
2 incurred to provide the services. Any excess revenue shall promptly be  
3 forwarded to the state treasurer and credited to the state general fund.

4 Sec. 305. The appropriation in section 101 to the department of commerce,  
5 advocacy office, for minority/women/handicapper and small business development  
6 includes: \$266,700 for women owned business; \$639,000 for minority business;  
7 and \$680,500 for small business service.

8 Sec. 306. The appropriation in section 101 for the minority advertising  
9 and promotion initiative is to improve the economic climate for minority  
10 businesses in the state. The goals and objectives of the initiative shall be  
11 coordinated with those of the Michigan strategic fund and small business  
12 services. A plan for implementation of the initiative shall be developed and  
13 the plan shall be reviewed by the chairpersons of the regulatory subcommittees  
14 of the house and senate appropriations committees.

15 Sec. 307. The funds appropriated in section 101 to manufacturing  
16 services, Chrysler Jefferson/Oak Park project shall be used for site  
17 acquisition and preparation, job retention, and job creation. These funds may  
18 be used to reimburse Detroit or Auburn Hills for costs incurred in the current  
19 or any preceding fiscal year.

20 Sec. 308. The appropriation in section 101 to the department of commerce  
21 for Michigan modernization service (MMS) programs shall be expended for small  
22 business development and retention through facilitating the acquisition and  
23 deployment of appropriate new manufacturing technologies and for building a  
24 public and private infrastructure to support a culture of continuous  
25 modernization in the Michigan manufacturing base. Significant elements of the  
26 MMS programs shall be linked to higher educational and research institutions

1 in the state to facilitate the use of these institutions' resources as a means  
2 of assisting firms in the modernization process. The appropriation shall  
3 support a statewide program of technical assistance, and substantial and  
4 measurable resources shall be used to bring MMS program services to firms in  
5 the urban, small cities, and rural areas of the state. MMS-sponsored services  
6 shall be able to address a broad range of modernization needs within smaller,  
7 manufacturing firms, including a basic assessment of manufacturing operations,  
8 technology selection and implementation, training, strategic planning, and  
9 market analysis. The department of commerce shall provide a report to the  
10 regulatory subcommittees of the house and senate appropriations committees on  
11 the implementation of MMS programs by September 30, 1990.

12 Sec. 309. Funding provided to the development finance agency grant and  
13 loan program established in Act No. 236 of the Public Acts of 1984 shall be  
14 utilized to establish a revolving loan fund and shall carry forward until the  
15 purposes for which the sums were appropriated are completed. The department  
16 of commerce is authorized to loan, contract, or grant, or any combination  
17 thereof, the funds and earnings of this revolving loan fund for the express  
18 public purpose of helping to promote the formation of minority owned business  
19 development investment companies, with incentives to encourage the financing  
20 of minority owned businesses.

21 Sec. 310. Of the amount appropriated in section 101 to the department of  
22 commerce, Michigan strategic fund, for university/business research  
23 development, \$375,000 shall be set aside for the technology transfer network.  
24 Network grantees: Michigan state university, Michigan technological  
25 university, university of Michigan, Wayne state university, and western  
26 Michigan university. Payment shall be made to each university based upon

1 satisfactory performance of network services pursuant to the terms of the  
2 grant agreement with the department of commerce. The appropriation for the  
3 technology transfer network shall be considered a work project for budgetary  
4 purposes and any funds carried forward shall be used to pay for expenditures  
5 directly related to the technology transfer network.

6 Sec. 311. From the funds appropriated in section 101 for technology  
7 workforce development/Michigan training incentive fund, up to \$1,000,000 will  
8 be made available to the department of labor to meet interest payments for the  
9 Michigan training incentive fund loans. The department of labor shall provide  
10 documentation to the department of commerce in order to receive funding in an  
11 amount equal to the total interest subsidy associated with loans expended  
12 under this program during fiscal year 1989-90, regardless of the number of  
13 years covered by the loan. Any funds not needed by the department of labor  
14 for the total interest subsidy shall be made available to the technology  
15 workforce development projects.

16 Sec. 312. Neither funds appropriated to the department of commerce,  
17 national/international development and marketing and public affairs, Michigan  
18 promotion program, nor in-kind services provided through the Michigan  
19 promotion program shall be expended or provided by the department of commerce  
20 for the benefit of any other department of state government without prior  
21 notification to the chairpersons of the regulatory subcommittees of the house  
22 and senate appropriations committees.

23 Sec. 313. Local funds as used in the general rules of the Michigan travel  
24 commission for program grants, being R 2.111 to R 2.120 of the Michigan  
25 administrative code, shall mean local funds as defined in R 2.102(4) of the  
26 Michigan administrative code, plus 35% of any funds a convention bureau

1 derives from accommodation taxes or assessments.

2       Sec. 314. The appropriation in section 101 to the department of commerce,  
3 Michigan public service commission, includes \$198,200.00 for the Washington,  
4 D.C. counsel/federal regulatory intervention. The counsel shall be selected  
5 jointly by the attorney general and the chairperson of the Michigan public  
6 service commission.

7       Sec. 315. The amount appropriated in section 101 to the department of  
8 commerce, public service commission, for research and analysis may be used by  
9 the public service commission to contract for single purpose special studies  
10 and analysis of regulated industry-wide problems, the impacts of regulatory  
11 policy changes, and proposals for the improvement of regulatory processes and  
12 procedures. Research and analysis conducted through the use of these funds  
13 shall relate solely to issues affecting the regulation of public utilities and  
14 motor carriers under the jurisdiction of the public service commission and may  
15 not be used to carry out the normal staff functions of the commission.

16       Sec. 316. (1) The appropriation in section 101 of Act No. 218 of the  
17 Public Acts of 1986 to the department of commerce, grants to cities, for the  
18 Michigan equity program includes \$3,008,300.00 for a work project account that  
19 shall be used for resource recovery development projects. Matching grants or  
20 interest rate subsidies shall be made to cities, villages, and townships with  
21 a population of less than 200,000, to businesses, or to counties for resource  
22 recovery projects located in eligible cities, villages, and townships. At  
23 least one-half of available grants or interest rate subsidies shall be  
24 allocated to cities, villages, and townships with a population of less than  
25 50,000, to businesses, or counties for resource recovery projects located in  
26 such cities, villages, and townships. Program guidelines shall be given to

1 the regulatory and natural resources subcommittees of the house and senate  
2 appropriations committees for review. The department of commerce and the  
3 department of natural resources shall recommend jointly which projects shall  
4 be funded. Prior to the disbursement of the grants or interest rate  
5 subsidies, the regulatory subcommittees of the house and senate appropriations  
6 committees shall review the project applications. The departments of commerce  
7 and natural resources shall provide a report by January 30 of each year to the  
8 regulatory and natural resources subcommittees of the house and senate  
9 appropriations committees detailing the status of the program. The report  
10 shall include a list of all the applicants for grants, loans, or subsidies  
11 under the resource recovery revolving loan fund and the resource recovery  
12 development fund; descriptions of each project for which an application was  
13 submitted; and a list of all the projects which were approved and disapproved  
14 and the reason for disapproval.

15 (2) The department of commerce is authorized to carry forward any  
16 unexpended balances from both the resource recovery revolving loan fund for  
17 the purposes of the resource recovery program as established in Act No. 112 of  
18 the Public Acts of 1985 and the resource recovery development fund into the  
19 following fiscal years.

20 Sec. 317. The appropriation in section 101 to the department of  
21 management and budget, office of radioactive waste management, and to the  
22 department of public health, nuclear emergency planning and response, shall be  
23 funded by assessments against only those electric utility companies which own  
24 or operate electric generating facilities capable of generating electricity  
25 utilizing uranium fuel. Those facilities shall be considered nuclear electric  
26 generating facilities. The assessment against the public utilities generating

1 electricity by use of uranium fuel shall be apportioned among them as  
2 follows: the gross electric generating capacity for all nuclear electric  
3 generating facilities for the preceding calendar year shall be totaled and  
4 each public utility shall pay a portion of the assessment in the same  
5 proportion that its gross electrical generating capability derived from  
6 nuclear electric generating facilities for the preceding calendar year bears  
7 to such total.

8 Sec. 318. Of the amount appropriated in section 101 to the department of  
9 commerce, liquor licensing and enforcement, at least 2.0 full-time equated  
10 positions shall be assigned to border patrol enforcement to prevent the  
11 illegal importation of beer and wine into this state. The work schedules  
12 established for enforcement personnel required to be assigned pursuant to this  
13 section shall be coordinated with local enforcement agencies and shall  
14 coincide with the times of the highest levels of illegal importation of beer  
15 and wine into this state. The department of commerce shall report quarterly  
16 to the regulatory subcommittees of the house and senate appropriations  
17 committees with respect to the success of enforcement activities conducted  
18 pursuant to this section. The quarterly reports shall include verification of  
19 the coordination with local enforcement agencies.

20 Sec. 319. The department of commerce shall not make grants to community  
21 based organizations under the neighborhood builders alliance without a  
22 statement of support from the chief elected official of the local unit of  
23 government in which the organization is located. The department of commerce  
24 shall not renew or extend grants to community based organizations under the  
25 neighborhood builders alliance without a new statement of support from the  
26 chief elected official of the local unit of government in which the

1 organization is located. The department of commerce at the option of the  
2 local unit of government may participate with the local unit of government in  
3 which the organization is located in insuring performance of the condition of  
4 grants under the neighborhood builders alliance. The grants shall be awarded,  
5 on a competitive basis, to neighborhood or community-based organizations  
6 statewide to support successful self-help projects. The projects shall  
7 include, but shall not be limited to, crime prevention, abandoned home  
8 acquisition, rehabilitation/demolishment, and general neighborhood service  
9 projects that address the problems of Michigan neighborhoods. Any  
10 administrative costs for the neighborhood builders alliance programs may be  
11 charged to the neighborhood initiatives.

12 Sec. 320. The appropriation in section 101 for cooperative advertising  
13 shall be used to allow for a more region specific or industry specific  
14 advertising under the state's umbrella campaign. The funds appropriated are  
15 to be matched by the region or industry.

16 Sec. 321. (1) A convention bureau which does not qualify for a convention  
17 bureau grant under the rules promulgated by the Michigan travel commission for  
18 program grants, being R 2.111 to R 2.120 of the Michigan administrative code,  
19 shall be eligible to receive a grant from funds appropriated for convention  
20 bureau grants in section 101 if both of the following occur:

21 (a) The convention bureau has received at least 2 special project grants  
22 from funds appropriated for special project grants before the state fiscal  
23 year beginning October 1, 1979.

24 (b) The convention bureau receives funding support from a county through  
25 an accommodations tax levied by authority of Act No. 263 of the Public Acts of  
26 1974, being sections 141.861 to 141.867 of the Michigan Compiled Laws.

1       (2) The amount of the grant under subsection (1) shall be \$15,000.00 and  
2 shall be awarded in the same manner as grants to other convention bureaus  
3 qualifying for less than the maximum grant under the rules.

4       Sec. 322. (1) The appropriation in section 101 to the department of  
5 commerce for the partnership for quality communities includes \$40,364,200 for  
6 the Michigan equity program. Of this amount, the following allocations shall  
7 be made:

8       (a) Detroit institute of arts -- \$16,048,000; Detroit historical museum --  
9 \$3,500,000; Detroit zoo -- \$2,500,000; Detroit police department, special  
10 events division -- \$4,000,000.

11       (b) Competitive grants for communities (cities, villages and townships)  
12 with a population greater than 1,000,000 - \$8,116,200; competitive grants for  
13 communities (cities, villages and townships) with populations greater than  
14 40,000 and less than 1,000,001 - \$4,100,000; competitive grants for  
15 communities (cities, villages and townships) with populations less than 40,001  
16 - \$2,100,000.

17       (i) The competitive grants shall be made in the following categories:  
18 cultural, historical, zoo, convention facility, tourism, libraries, prevention  
19 of drug abuse, eliminating illegal drug distribution, public safety, crime  
20 prevention and economic development planning.

21       (ii) If a grant is made to a city, village or township with a population  
22 greater than 40,000 but less than 1,000,001, the grant amount shall not exceed  
23 \$500,000. If a grant is made to a city, village or township with a population  
24 less than 40,001, the grant shall not exceed \$100,000. The 1980 census shall  
25 be used for determining the population of cities, villages and townships  
26 under this section.

1       (iii) The department of commerce shall mail grant applications to all  
2 cities, villages and townships within 30 days of the governor's signing  
3 legislation enacting this section. Cities, villages and townships making  
4 grant applications shall be charged a nonrefundable application fee of \$100 or  
5 1% of the grant, whichever is less. The application fee may be used by the  
6 department of commerce to recover direct and indirect costs as appropriated in  
7 section 101. Grant applications shall be received from communities by the  
8 department of commerce no later than November 1, 1989. All grants shall be  
9 awarded by February 1, 1990. The department of commerce shall notify the  
10 legislature by delivering to the speaker of the house and the majority leader  
11 of the senate written notice of grant decisions at least two business days  
12 prior to the public announcement of a grant. No contract shall be executed,  
13 nor dollars disbursed, until the regulatory subcommittees of the house and  
14 senate appropriations committees have reviewed the list of grant decisions and  
15 proposed contracts which shall include project category, project description,  
16 other public and private funds in the project, and special contractual  
17 requirements. Cities, villages and townships which have received a grant  
18 shall submit to the department of commerce a copy of their annual audit, which  
19 shall include an audit of grant funds. A representative sampling of grant  
20 agreements shall be audited by the state auditor general. The audit shall be  
21 submitted to the regulatory subcommittees of the house and senate  
22 appropriations committees.

23       (iv) Priority shall be given to projects that qualify as capital  
24 improvements, that have the greatest regional impact, that leverage the  
25 largest amounts of public or private investment, that have the greatest  
26 economic impact, and that address a problem most innovatively.

1 (v) The department of commerce shall convene an application review  
2 committee to make final determinations on grants. This committee shall  
3 include ten experts on the eligible categories of projects as well as three  
4 general members.

5 (2) The appropriation in section 101 to the department of commerce for the  
6 partnership for quality communities includes: \$355,600 for the center for  
7 local economic competitiveness; \$983,400 for the center for rural development;  
8 and \$408,100 for the wine industry council.

9 (3) The appropriation in section 101 to the department of commerce for the  
10 partnership for quality communities includes \$7,900,000 for the rural business  
11 partnership. Of this amount, the following allocations shall be made:

12 (a) Main street development grants to non-entitlement CDBG communities -  
13 \$2,000,000; and community in transition grants to non-entitlement CDBG  
14 communities - \$2,000,000.

15 (b) Rural business partnership grants - \$3,900,000.

16 (4) The appropriation in section 101 to the department of commerce for the  
17 partnership for quality communities includes \$6,000,000 for liquor control  
18 commission law enforcement grants.

19 (5) The appropriation in section 101 to the department of commerce for the  
20 partnership for quality communities includes \$3,975,000 for fire protection  
21 grants as provided by Act No. 289 of the Public Acts of 1977, being sections  
22 141.951 to 141.956 of the Michigan Compiled Laws.

23 (6) The appropriation in section 101 to the department of commerce for the  
24 partnership for quality communities includes \$1,400,000 for arson control  
25 grants.

26 (a) These grants shall be made to communities (cities, villages and

1 townships) for the purpose of arson control and arson prevention.

2 (b) These funds are to be distributed on a competitive basis according to  
3 need as determined by, but not limited to, the following factors: Michigan  
4 state police incendiary statistics, dollar amount of property loss due to  
5 arson, percentage of abandoned homes, percent of abandoned industrial and  
6 commercial buildings, and number of arsons in the last year.

7 (c) Projects shall include, but not be limited to: arson investigation,  
8 arson investigation training, and arson prevention programs.

9 (d) Prior to distribution, the plan for distribution of the funds shall be  
10 reviewed by the chairpersons of the regulatory subcommittees of the house and  
11 senate appropriations committees.

12 Sec. 323. The appropriation in section 101 for sudden and severe economic  
13 impact shall be used for grants to communities to assist with losses of major  
14 industries or other sudden and severe economic situations, including plant  
15 closings, plant relocations, and new plant locations.

16 Sec. 324. The appropriation in section 101 to the department of commerce,  
17 community programs and grants, for equity operating grants to public  
18 broadcasting stations shall be used to encourage and support the development,  
19 growth, and coordination of noncommercial public broadcasting throughout the  
20 state of Michigan. The funds for public broadcasting shall be allocated as  
21 follows:

22 (a) \$46,700.00 each for the following Michigan public television stations  
23 which are qualified with the national corporation for public broadcasting:  
24 WTVS-Channel 56; WUCM-TV-Channel 19.

25 (b) \$39,800.00 each for the following Michigan public television stations  
26 which are qualified with the national corporation for public broadcasting:

1 WGVC-TV-Channel 35; WNMU-TV-Channel 13; WCMU-TV-Channel 14; WFUM-TV-Channel  
2 28; WKAR-TV-Channel 23.

3 (c) \$11,400.00 each for the following Michigan public radio stations which  
4 are qualified with the national corporation for public broadcasting: WAUS-FM;  
5 WFBE-FM; WBLV-FM; WIAA-FM; WDET-FM.

6 (d) \$9,950.00 each for the following Michigan public radio stations which  
7 are qualified with the national corporation for public broadcasting: WNMU-FM;  
8 WCMU-FM; WEMU-FM; WKAR-AM; WKAR-FM; WMUK-FM; WUOM-FM; WGVU-FM.

9 Sec. 325. The appropriation in section 101 to the department of commerce,  
10 community programs and grants, infrastructure grant program, shall be used to  
11 award grants to cities to assist with expenses related to recruiting and  
12 retaining businesses. Related expenses may include the costs of environmental  
13 impact studies, waste water treatment studies, intergovernmental agreements,  
14 and site preparation.

15 Sec. 326. (1) The appropriation in section 101 for grants to regional  
16 multicounty planning and development organizations shall be made to the  
17 department of commerce to be distributed to regional multicounty planning and  
18 development organizations in accordance with guidelines established by the  
19 director of commerce. In establishing these guidelines, the director of  
20 commerce shall consider such matters as regional organization representation,  
21 geographical configuration and jurisdiction, staff capability, scope of  
22 program, local financial support, fiscal and reporting procedures, and other  
23 matters which may further the goals of regional planning.

24 (2) In addition to the considerations in subsection (1), the director of  
25 commerce, on an annual basis, shall monitor each region to assure that a  
26 planning and implementation process has been established that includes at

1 least the following steps for both short-range, comprehensive plans of 3 to 6  
2 years, and functional plans:

3 (a) An inventory of existing resources and development.

4 (b) An analysis of the problems, issues, and opportunities.

5 (c) An analysis of the future pattern of development based on current  
6 forecasts.

7 (d) A public meeting and review of the findings of subdivisions (a), (b),  
8 and (c).

9 (e) Identification of alternative planning strategies with an indication  
10 of the implications of those strategies for a period of 3 to 6 years.

11 (f) A public meeting and review of these alternatives and the selection of  
12 the most acceptable alternative provided for in subdivision (e).

13 (g) A public meeting and review of the alternative goals, objectives, and  
14 policies and upon approval of a majority of local government members,  
15 completion of the plan for adoption.

16 (h) Development of alternative implementation strategies which shall  
17 include:

18 (i) The development, operation, and financing of capital improvement  
19 projects and facilities.

20 (ii) The development, operation, and financing of service delivery  
21 programs.

22 (iii) Project or program priority criteria.

23 (iv) Project or program nomination procedures.

24 (v) Project or program priorities.

25 (vi) Adoption of a plan by the regional commission.

26 (vii) A periodic review and update of the plan and annual revision of the

1 implementation strategy section of the plan as prescribed in this subsection.

2 (3) In order to accomplish the requirements of subsection (2), each  
3 regional multicounty planning and development organization shall submit to the  
4 director of commerce and house and senate appropriations committees the  
5 following reports:

6 (a) A report on the expenditure of state grant funds, prior to  
7 distribution of funds appropriated under this section, which demonstrates how  
8 such funds will contribute to the further establishment and improvement of the  
9 region's planning and implementation process including but not limited to the  
10 items in subsection (2).

11 (b) A report on the actual expenditures of state grant funds, appropriated  
12 under this act, within 60 days after the end of the fiscal year, which  
13 demonstrates how such funds have contributed to the further establishment and  
14 improvement of the region's planning and implementation process including but  
15 not limited to the items in subsection (2).

16 (4) Before April 1, 1990, there shall be submitted to the house and senate  
17 appropriations committees a list of the contemplated payments, the amount of  
18 the payments, the purposes of the payments, and the recipients. If action on  
19 the payments is not taken within 30 days by both appropriations committees, in  
20 the form of a joint letter signed by the chairpersons of both appropriations  
21 committees, indicating approval or disapproval of payments, the payments  
22 recommended may be made.

23 (5) As a condition to a grant to a regional multicounty planning and  
24 development organization which is made pursuant to section 101, all grantees  
25 shall be subject to an audit by the legislative auditor general or by an  
26 independent public accounting firm appointed by the legislative auditor

1 general.

2 DEPARTMENT OF LABOR

3 Sec. 401. Funds received in excess of the gross appropriation in section  
4 101 for the Michigan employment security commission from the United States  
5 department of labor are appropriated and may be expended for staffing and  
6 related expenses incurred in the operation of its programs. Quarterly reports  
7 of federal funds received in excess of those appropriated in section 101 shall  
8 be made to regulatory subcommittees of the house and senate appropriations  
9 committees.

10 Sec. 402. The appropriation in section 101 to the department of labor  
11 includes funds for the safety education and training of employees and  
12 employers in this state. The funds for training programs shall be allocated  
13 as follows: 40% for employer safety training and education; 40% for employee  
14 safety training and education; and 20% for departmental discretion on safety  
15 training and education.

16 Sec. 403. The appropriation in section 101 to the department of labor  
17 includes \$5,500 for the commission on agricultural labor. This amount may be  
18 used for per diem, travel, and related costs associated with the agricultural  
19 labor commission.

20 Sec. 404. If a specific board, commission, or advisory committee in the  
21 department of labor cannot utilize its per diem appropriation as identified in  
22 section 101, the director of labor may adjust the appropriation and transfer  
23 those funds to other boards, commissions, or advisory committees which have  
24 demonstrated a need for additional fiscal resources with the approval of the  
25 department of management and budget.

26 Sec. 405. The department of labor shall sell copies of labor law books at

1 a price not to exceed the cost of printing and distribution. The money  
2 received from the sale of these books shall revert to the department. The  
3 funds are allotted for expenditure when they are credited, and can be used  
4 only for costs directly related to the continued updating and distribution of  
5 the Michigan labor laws.

6 Sec. 406. Of the funds collected by the department of labor under section  
7 30 of the Michigan occupational safety and health act, Act No. 154 of the  
8 Public Acts of 1974, being section 408.1030 of the Michigan Compiled Laws, and  
9 credited to the state general fund, that portion due the federal government  
10 for its funding of the requirements of section 30 of Act No. 154 of the Public  
11 Acts of 1974, may be credited to the federal government.

12 Sec. 407. Federal DED-OSERS funds received in excess of the appropriation  
13 in section 101 for the Michigan commission for the blind and the Michigan  
14 commission on handicapper concerns are appropriated and may be expended for  
15 expenses incurred in the operation of these programs up to the limits set in  
16 subsection 2 and 3.

17 (2) The commission for the blind may expend an amount not to exceed  
18 \$500,000 of additional federal funds that become available during the year for  
19 the rehabilitation program.

20 (3) The commission on handicapper concerns may expend an amount not to  
21 exceed \$57,000 of additional federal funds that become available during the  
22 year for the handicapper basic services program.

23 Sec. 408. The appropriation in section 101 for the rehabilitation program  
24 for the commission for the blind in the department of labor includes  
25 \$20,400.00 that may be derived from fee-for-service agreements. These  
26 agreements may be entered into between the commission for the blind and other

1 state or local public or nonprofit agencies to provide screening, evaluation,  
2 counseling, or similar services, but the total annual revenues from such  
3 fee-for-service agreements shall not exceed \$20,400.00.

4 Sec. 409. By September 30, 1990, the department of labor shall submit a  
5 report to the regulatory subcommittees of the house and senate appropriations  
6 committees and fiscal agencies on the performance for the previous fiscal year  
7 of the Michigan business and industrial training program, displaced homemaker  
8 program, and the Michigan job opportunity bank program. The report shall  
9 indicate the number of employers and employees receiving training assistance,  
10 the kinds of training funded, and the amount of funding provided. The report  
11 shall also determine the effect of the training on the job skills, employment  
12 experience, and earnings of participants in the program.

13 Sec. 410. The department of labor is authorized to carry forward state  
14 general fund-general purpose and restricted fund appropriations for the safety  
15 education and training grant program and the displaced homemaker program into  
16 the succeeding fiscal year for the purpose of honoring contracts negotiated  
17 prior to September 15, 1990. However, the amount carried forward for an  
18 individual program shall not exceed 30% of any individual line item  
19 appropriating state funds for that program.

20 Sec. 411. The appropriation in section 101 for the department of labor,  
21 bureau of safety and regulation, safety education and training division,  
22 includes funding for on-site consultation and education and training  
23 programs. The appropriation in section 101 anticipates that 90% of the  
24 on-site consultation program costs and 50% of the education and training  
25 program costs will be supported by federal OSHA funds and the remaining 10%  
26 and 50% respectively will be supported by safety education and training

1 funds. If federal OSHA funding does not become available to cover up to 90%  
2 of the program costs for on-site consultation and 50% for education and  
3 training, up to 50% of the program costs for on-site consultation and 90% of  
4 the program costs for education and training may be paid from the safety  
5 education and training fund as a match for available federal funds.

6 Sec. 412. The appropriation in section 101 to the department of labor,  
7 Michigan commission for the blind, includes funds for case services. These  
8 funds may be used for tuition payments for blind clients for the school year  
9 beginning September, 1989.

10 Sec. 413. The bureau of community services of the department of labor  
11 shall develop jointly with the Indian affairs commission plans for the  
12 implementation of programs and the distribution of funds for recognized tribal  
13 groups and organizations under the block grant programs which are established  
14 by the federal community services block grant act, 42 U.S.C. 9901 to 9912, and  
15 which are administered by that bureau. The plans shall comply with the final  
16 regulations issued by the United States department of health and human  
17 services.

18 Sec. 414. (1) Reimbursements to carriers, the second injury fund, and the  
19 self-insurers security fund, for the supplemental compensation payments  
20 required to be made in the 1989-90 fiscal year to disabled employees or their  
21 dependents pursuant to section 352 of the worker's disability compensation act  
22 of 1969, Act No. 317 of the Public Acts of 1969, being section 418.352 of the  
23 Michigan Compiled Laws, shall be made from the unexpended balance of the  
24 appropriation for the compensation supplement fund in Act No. 166 of the  
25 Public Acts of 1983.

26 (2) The department of labor is authorized to carry forward unexpended

1 funds from the compensation supplement fund pursuant to section 391(5) of Act  
2 No. 317 of the Public Acts of 1969, being section 418.391 of the Michigan  
3 Compiled Laws, for the purpose of reimbursing carriers, the second injury  
4 fund, and the self-insurers security fund, for the supplemental compensation  
5 payments required to be made to disabled employees or their dependents  
6 pursuant to section 352 of Act No. 317 of the Public Acts of 1969.

7 Sec. 415. (1) The appropriation in section 101 for the department of  
8 labor, bureau of community services, weatherization program, shall be expended  
9 in such a manner that at least 40% of the households weatherized under the  
10 program shall be households of families receiving aid to families with  
11 dependent children (AFDC) or families receiving general assistance (GA) who  
12 are high energy users. Emphasis shall be given to those households which are  
13 currently facing heating utility shutoff. By January 1, 1990, the department  
14 of labor shall report to the house and senate appropriations committees and  
15 the house and senate fiscal agencies the number of households of families  
16 receiving aid to families the dependent children (AFDC) or families receiving  
17 general assistance (GA) that have been weatherized or that are under contract  
18 to be weatherized.

19 (2) Of the amount appropriated in section 101 for weatherization, at least  
20 20% shall be expended for work performed by private contractors under contract  
21 with local community action agencies. The department of labor, in cooperation  
22 with local community action agencies, shall determine which agencies shall use  
23 private contractors for performing the work.

24 (3) Any unencumbered balances of the weatherization program may be carried  
25 forward to the 1990-91 fiscal year.

26 Sec. 416. (1) From the appropriation in section 101 of \$21,209,800.00 for

1 job training grants \$17,209,800.00 is to be used to develop a partnership  
2 between business, labor, and government to link work force training,  
3 retraining, and skill upgrading with economic development efforts in order to  
4 maximize job creation and retention in Michigan, and \$4,000,000.00 is to be  
5 used to implement the Michigan opportunity card. Specific objectives through  
6 a Michigan job opportunity bank will link existing training resources with  
7 state economic development efforts, develop coordinated training programs in  
8 conjunction with confirmed plant location decisions, and develop new  
9 innovative training approaches where existing state and federal resources are  
10 inadequate or lack flexibility to meet economic development needs.

11 (2) From the amount appropriated in section 101 for the Michigan job  
12 opportunity bank, payments shall not exceed the following:

13 (a) \$2,500.00 per grant.

14 (b) \$3,970,000.00 total general fund/general purpose.

15 (3) A sum not to exceed \$1,985,000.00 shall be used during the 1989-90  
16 academic year for a competitive training scholarship program to train or  
17 retrain dislocated workers through the state's community college system. The  
18 program shall emphasize assessment, training, and placement of dislocated  
19 workers. The training program shall be designed and selected based upon local  
20 labor market demands. Funding shall be based, in part, upon successful  
21 participant placement.

22 (4) A sum not to exceed \$1,985,000.00 shall be used during the 1989-90  
23 academic year for an upgrade training scholarship program to train employees  
24 of Michigan businesses of fewer than 500 employees that are modernizing their  
25 technological operations. The scholarships shall be used through qualified  
26 training providers including community colleges or private technical schools

1 approved by the state board of education, or private vendors as necessary.

2 (5) The department of labor, job training services, shall administer the  
3 Michigan job opportunity bank, in consultation with the department of  
4 education-higher education assistance authority and the department of commerce.

5 (6) A sum not to exceed \$13,239,800.00 is to be used pursuant to section 5  
6 of the Michigan business and industrial training act, Act No. 48 of the Public  
7 Acts of 1982, being section 421.225 of the Michigan Compiled Laws.

8 Sec. 417. The appropriation in section 101 to the department labor, job  
9 training grants, includes \$4,000,000.00 for development, implementation,  
10 consulting services, hardware acquisition, and other costs related to the  
11 Michigan opportunity card and is exclusive of classified salary and wage costs.

12 Sec. 418. The department of labor may expend funds in addition to those  
13 authorized in section 101 for conducting training and orientation workshops,  
14 seminars, and special conferences which are consistent with the programmatic  
15 mission of the departmental agency sponsoring the program. The department of  
16 labor shall provide the regulatory subcommittees of the house and senate  
17 appropriations committees with a report indicating the name and purpose of the  
18 program, the number of participants, cost incurred, and fees received for the  
19 previous fiscal year by not later than January 1, 1990.

20 Sec. 419. (1) The job training program oversight committee is created.  
21 The membership of the committee shall consist of the following 6 legislators:

22 (a) The chairperson of the senate appropriations committee.

23 (b) The minority vice-chairperson of the senate appropriations committee.

24 (c) The chairperson of the regulatory subcommittee of the senate  
25 appropriations committee.

26 (d) The chairperson of the house appropriations committee.

1 (e) The minority vice-chairperson of the house appropriations committee.

2 (f) The chairperson of the regulatory subcommittee of the house  
3 appropriations committee.

4 (2) The department of labor, job training services, shall notify the job  
5 training program oversight committee before expending or encumbering for  
6 specific job training project grants any federal job training partnership act  
7 discretionary funds or general fund appropriations for job training.

8 Sec. 420. From the appropriation in section 101 to the department of  
9 labor for job training grants, individual job training grants shall be  
10 established as work project accounts and may be carried forward into the  
11 succeeding fiscal year if a contract for defined job training services has  
12 been signed with a training provider prior to September 15, 1990.

13 Sec. 421. (1) The department of labor, job training services, and the  
14 department of education shall develop a joint plan to expend funds available  
15 under section 202(b)(1) of the JTPA, 29 U.S.C. 1602, for programs authorized  
16 under section 123 of the JTPA, 29 U.S.C. 1533.

17 (2) The department of labor, in accordance with the joint plan developed  
18 pursuant to subsection (1), shall transmit to the department of education the  
19 entire amount of funds available through section 202(b)(1) of the JTPA, 29  
20 U.S.C. 1602, for programs authorized under section 123 of the JTPA, 29 U.S.C.  
21 1533.

22 Sec. 422. Of the appropriation in section 101 to the department of labor  
23 for job training grants, \$14,000.00 shall be used for salaries and wages for  
24 clients of the Au Sable community mental health board for providing domestic  
25 services to senior citizens.

26 Sec. 423. The department of labor is authorized to carry forward

1 unexpended federal job training partnership act funds into the succeeding  
2 fiscal year. The department of labor shall submit a report to the job  
3 training program oversight committee indicating the amount of any unexpended  
4 balances that are carried forward pursuant to this section.

5 Sec. 424. The appropriation in section 101 to the department of labor,  
6 bureau of employment training, includes \$992,500.00 for the youth employment  
7 services program. The department of labor may contract with the local  
8 community-based organizations to provide life skills training, job counseling,  
9 and job search assistance, to assist economically disadvantaged youths aged 16  
10 to 21 years who are school dropouts to increase their employment prospects.  
11 On March 31, 1990 and September 30, 1990, the department of labor shall submit  
12 reports to the job training program oversight committee on the progress of  
13 participants and the impact of the program.

14 Sec. 425. The appropriation in section 101 to the department of labor,  
15 bureau of safety and regulation, includes \$150,000.00 from the safety  
16 education and training fund for a grant to the department of public health for  
17 the purpose of occupational health, education, and training, including  
18 education and training on hazard communication and employee right-to-know.

19 Sec. 426. Not later than October 1, 1989, the department of labor shall  
20 submit to the chairpersons and to each member of the regulatory subcommittees  
21 of the house and senate appropriations committees a plan for the distribution  
22 of the community services block grant funds appropriated in section 101. The  
23 distribution plan for community services block grant funds shall be approved  
24 by each of the regulatory subcommittees before the proposed distribution  
25 submitted by the department of labor shall take effect. If the funding  
26 distribution for the community services block grant is not approved by both of

1 the regulatory subcommittees, the department of labor shall resubmit an  
2 allocation formula for approval by each of the regulatory subcommittees.

3 Sec. 427. The gold mines in this state shall be inspected at the same  
4 times, in the same manner, and subject to the same regulations and penalties  
5 as copper and iron mines under Act No. 163 of the Public Acts of 1911, being  
6 sections 425.101 to 425.113 of the Michigan Compiled Laws. Mine inspectors  
7 inspecting copper and iron mines pursuant to Act No. 163 of the Public Acts of  
8 1911 shall inspect the gold mines in his or her county at the same times and  
9 in the same manner as mines are inspected under Act No. 163 of the Public Acts  
10 of 1911.

11 Sec. 428. The Michigan employment security commission shall not provide  
12 income eligibility verification for the department of social services unless  
13 the department of social services provides a grant transfer to the department  
14 of labor, Michigan employment security commission, of sufficient funds to  
15 cover the full costs of that service.

16 Sec. 429. Annual legislative authorization shall be required for the  
17 expenditure or obligation of any money in the contingent fund created by  
18 section 10 of the Michigan employment security act, Act No. 1 of the Public  
19 Acts of the Extra Session of 1936, being section 421.10 of the Michigan  
20 Compiled Laws, or of any earnings on the money in the contingent fund. The  
21 procedure for annual legislative authorization is prescribed by the management  
22 and budget act, Act No. 431 of the Public Acts of 1984, as amended, being  
23 sections 18.1101 to 18.1594 of the Michigan Compiled Laws.

24 Sec. 430. Of the appropriation in section 101 to the department of labor  
25 for the commission for the blind, business enterprise program, no operator fee  
26 revenue shall be used to fund salaries and wages of classified positions for

1 the program.

2 Sec. 431. The department of labor, job training services, shall convene  
3 an interdepartmental committee which shall review all funding appropriated to  
4 employment training programs and shall advise the legislature on appropriate  
5 mechanisms to coordinate funding for these programs. The interdepartmental  
6 committee shall develop a procedure for the delivery of local occupational  
7 training programs and supporting services, to ensure maximum coordination and  
8 submit an annual report to the job training oversight committee.

9 Sec. 432. (1) From the funds appropriated in section 101 for the Michigan  
10 training incentive fund, \$1,000,000.00 in restricted funds may be used to  
11 reimburse financial institutions for interest subsidies for labor training  
12 loans extended under the program to Michigan employers. Loans granted under  
13 the Michigan training incentive fund shall be coordinated with general fund  
14 labor training grants offered through the office for job training, where  
15 appropriate.

16 (2) This appropriation shall be considered a work project to fund the  
17 total interest subsidy associated with loans extended under this program  
18 during fiscal year 1989-90, regardless of the number of years covered by the  
19 loan.

20 Sec. 433. The department of labor is authorized to carry forward all  
21 previous and current year HHS-SSA, SSI/SSDI revenue into the succeeding fiscal  
22 year for the purpose of enhancing the vocational rehabilitation program for  
23 the blind in subsequent fiscal years.

24 DEPARTMENT OF LICENSING AND REGULATION

25 Sec. 501. The department of licensing and regulation shall accept revenue  
26 from the northeast regional board of dental examiners to pay per diem and

1 travel for individuals engaged in national dental board examinations.

2     Sec. 502. The funds collected by the department of licensing and  
3 regulation from malpractice insurers and from corporations being liquidated  
4 pursuant to sections 3057 and 7824 of the insurance code of 1956, Act No. 218  
5 of the Public Acts of 1956, being sections 500.3057 and 500.7824 of the  
6 Michigan Compiled Laws, shall be appropriated for all expenses necessary to  
7 provide for the required services. Funds are allotted for expenditure when  
8 they are received by the department of treasury and shall not lapse to the  
9 general fund at the end of the fiscal year.

10     Sec. 503. If a specific professional or occupational board in the  
11 department of licensing and regulation cannot utilize its per diem  
12 appropriation as identified in section 101, the director of licensing and  
13 regulation may adjust the appropriation and transfer those funds to other  
14 professional or occupational boards which have demonstrated a need for  
15 additional fiscal resources with the approval of the department of management  
16 and budget.

17     Sec. 504. The department of licensing and regulation may make available  
18 to interested entities, otherwise unavailable customized listings of  
19 nonconfidential information in its possession, such as names and addresses of  
20 licensees, at a cost of up to \$.05 a record supplied in addition to the actual  
21 costs of producing such listings. The revenue received from this service may  
22 be used to offset department expenses as appropriated in section 101. The  
23 balance of this revenue collected and unexpended at the end of the fiscal year  
24 shall revert to the general fund of the state.
