To: <dmead@house.mi.gov>
Date: 4/28/2010 3:46 PM
Subject: HB4663,6042,6043

Please, vote to pass these bills in favor of NOT using shelter animals for experiments. We should be above this behavior and the almighty dollar should NOT rule in this matter. The advances in other forms of solutions to these experiments have been extremely successful.
Thank you for your time.
