"EXECUTIVE OPERATIONS"

Sec. 305. From the money appropriated in part 1 for demonstration projects, the department shall allocate \$100,000.00 to support youthville Detroit.

Sec. 307. (1) of the money appropriated in part 1 for demonstration projects, \$550,000.00 shall be distributed as provided in subsection (2). The amount distributed under this subsection shall not exceed 50% of the total operating expenses of the program described in subsection (2), with the remaining 50% paid by local United Way organizations and other nonprofit organizations and foundations. (2) Money distributed under subsection (1) shall be distributed to Michigan 2-1-

1, a nonprofit corporation organized under the laws of this state that is exempt from federal income tax under section 501 (c) (3) of the internal revenue code, 26 USC 501 (c) (3), and whose mission is to coordinate and support a statewide 2-1-1 system. Michigan 2-1-1 shall use the money only to fulfill the Michigan 2-1-1-1 business plan adopted by Michigan 2-1-1 business plan adopted by Michigan 2-1-1 in January 2005.

(3) Michigan 2-1-1 shall report annually to the department and the house and senate standing committees with primary jurisdiction over matters relating to human services and telecommunications on 2-1-1 system performance, including, but not limited to, call volume by community health and human service needs and unmet needs identified through caller data and customer satisfaction metrics.

Sec. 308. From the money appropriated in part 1 for demonstration projects, \$200,000.00 shall be expended on a contract with the University of Detroit Mercy to provide legal services for disabled veterans who are seeking eligibility under federal disability programs, including federal supplemental security income. The contract shall fund a statewide effort by the university through use of its mobile office to deliver these legal services.

Representative Durhal moved to adopt the following amendment to substitute H-1 Draft (1) to HB 4526:

1. Amend page 74, following line 17, by inserting

"Sec. 313. (1) All money or other proceeds received by the department of attorney general for debts due or penalties forfeited to the people of this state or deriving from the settlement of any lawsuit entered into by the attorney general on behalf of a state agency, department, division, bureau, board, commission, council, authority, or other body in the executive branch of state government or an individual acting on behalf of the executive branch of state government against a private individual or business or any other private organization shall be immediately deposited in conformity with section 33 of 1846 RS 12, MCL 14.33, and shall not be available for expenditure or disbursement until appropriated.

(2) Except as otherwise provided by law, the department of attorney general shall not agree as part of the settlement of a lawsuit or administrative enforcement action on behalf of this state, the people of this state, a state entity, or an individual or officer acting on behalf of this state against a private individual, business, or other organization to accept the payment of money, goods, services, or other benefits to a third party or parties in lieu of a debt or obligation otherwise due to this state or the people of this state. Any money paid to settle a debt or obligation owed to this state or the people of this state or paid in lieu of a debt or obligation otherwise due to this state or the people of this state or goods or services offered to settle claims on behalf of this state or people of this state shall be deposited with the state treasury immediately after receipt and shall not be available for expenditure or disbursement until appropriated. This section does not apply to settlement money or goods disbursed by a court-approved claims administrator directly to consumer members of a class action lawsuit brought by the attorney general in his or her parents patria capacity, provided the disbursement is judicially authorized and is made following a notice period and fairness hearing, or to supplemental environmental projects secured on behalf of the department of environmental quality.

3) On a quarterly basis, the attorney general shall report to the senate and house of representatives standing committees on appropriations and the state budget director the case names and corresponding attorney general case file numbers, court docket numbers, and presiding courts for every matter that the attorney general settled during the preceding quarter. The attorney general shall report the total settlement value for each case reported. The attorney general shall itemize each settlement to additionally reflect all of the following:

(a) The aggregate Michigan consumer recovery.

(b) The value of restitution paid on behalf of this state or any state or federal department or agency whose interest was resolved in the case.

(c) Amounts recovered for civil penalties.

(d) Amounts recovered for attorney fees.

(e) Amounts recovered as reimbursement for the costs of investigation. If the attorney general settled a case in the prior quarter for nonmonetary proceeds, he or she shall indicate the identity and value of the proceeds received for each case as provided in this section.

(4) Funds appropriated to the department of attorney general under part 1 are appropriated contingent upon compliance with this section."

5. Amend page 189, following line 14, by inserting:
"Sec. 821. (1) From the appropriation in part 1 for the Michigan nursing corps, grants shall be awarded to Michigan institutions of higher education consisting of public 4-year institutions, public 2-year institutions, independent colleges and universities, and tribally controlled community colleges with existing, accredited nursing baccalaureate or postgraduate education programs. The purpose of the grants is to prepare registered nurses and increase the number of nursing faculty. The department may also award grants on a cash or in-kind matching basis to licensed hospitals that agree to provide nurse educators and related clinical training to additional student nurses in partnership with institutions of higher education described in this subsection. Awards shall be made in a manner and form as determined by the department, in collaboration with the department of community health.

(2) One or more grants may be awarded to educational institutions for preparation of additional nurse faculty in programs that meet 1 or more of the following:

(a) Preparation of master's-degreed nursing faculty in a nationally accredited, accelerated program. Grants for this program may include program tuition, a stipend for student living expenses, and other education-related costs.

(b) Preparation of doctoral-degreed nursing faculty in an accelerated program within an existing, accredited doctor of philosophy in nursing program or doctorate of nursing practice program. Participants must be currently enrolled doctoral students who will be able to complete their doctoral degree program within 2 years. Grants for this program may include program tuition, a stipend for student living expenses, and other education-related costs.

(c) Preparation of clinical instructors for nursing education programs. The program shall include classroom instruction plus a practicum with students and patients. This program shall require collaborative agreements between nursing education programs and hospitals. It is expected that each graduate will provide clinical instruction for at least 1 cohort of nursing students per year.

(3) A program receiving a grant under subsection (2) shall provide that eligible participating students under subsection (2) are registered nurses willing to participate full-time in accredited programs and become employed in Michigan as nursing faculty or clinical instructors for a minimum number of years, as determined by the department of community health, upon completion of the program. The department of community health shall establish procedures for recovery of funds from students who do not remain employed in Michigan for the prescribed time period.

(4) One or more grants may be awarded for preparation of registered nurses in accredited, accelerated bachelors in nursing programs. These programs shall be targeted toward Michigan workers who have been displaced from employment and who possess a bachelor's degree in a science-related area. Grants for this program may include program tuition, a stipend for student living expenses, and other education-related costs.

(5) One or more grants may be awarded to health care research, training, or development agencies for the purpose of development, implementation, or training related to educational technologies, including simulation or other virtual educational methods for the purpose of building capacity to educate a continuous supply of nurses for Michigan's workforce.

(6) Program management, data management, and evaluation for these projects shall be the responsibility of the department of community health, in collaboration with the department.

(7) The department and the department of community health shall work to increase the amount of federal funds for nurse education available to the state, eligible grantees described in subsection (1), and nursing students.

(8) The funds appropriated in part 1 for the Michigan nursing corps are designated as work project appropriations and shall not lapse at the end of the fiscal year. Any unencumbered and unexpended funds shall continue to be available for the expenditure of grants until the project has been completed. The total cost of the work project is estimated at \$500,000.00 and the tentative completion date is September 30, 2013. These funds shall be used in accordance with the requirements of the workforce investment act of 1998, Public Law 105-220.
