Ms. Terrien,

Please enter my e-mail into the record. Thank you.

To: The Redistricting and Elections Committee Members

Please vote NO for a National Popular Vote Compact in Michigan. The NPV circumvents the constitutional Electoral College now in place and could easily give an unfair and unbalanced candidate for the President of the United States of America. This is a serious mistake and should be voted down. Please vote no to join the compact. If dissatisfied with our current system, do it the right way and seek a Constitutional Amendment.

The government demands that the citizens play by the rules, I expect no less of the government.

Thank you
