Dear Mary Lou Terrien,

Would you please pass along our note to the Committee members and enter it into the record as well.

To the Redistricting and Elections Committee Members,

My husband and I are opposed to the National Popular Vote Compact and do not desire it for Michigan.

Rather than offering fairness to the states, it seems it could benefit the larger and more populated states and cities and thus remove protection to the smaller states and rural areas of the country. It seems the Founding Fathers wanted to place checks and balances into the Constitution in order to protect the people.

There are other ways to draw interest to Michigan without removing protective measures to so many.

Sincerely,

Don and Sherry Thackrey
